

Nassagaweya Election

(Continued from Page One)
Mr. Agnew with 12, Mr. Hammond one behind with 11, Mr. Johnson with 10 and Mr. Simpson with 1. The first returns were from Ward 5, Eden Mills.

Clark McIntyre posted the second returns at 8:30 from Wards 2 and they showed Reeve Coultier and Deputy Reeve Young increasing their leads steadily while Mr. Johnson moved into the lead in the council race with 127 votes followed by Mr. Parsons with 117, Mr. Gordon with 105, Mr. Agnew with 84, Mrs. Newton with 82, Mr. Hammond with 28, Mr. Johnson with 27 and Mr. Simpson with 22.

Trend Evident
Already the trend for the evening started to form and by the time results from Wards 1 and 4 were posted at 8:30, it was evident the complete council would probably be returned to office.

Final results were posted at about 8:45 and they were greeted by applause from the ratepayers present. Each candidate was then asked to speak.

Reeve Coultier thanked the township "for the very gratifying and encouraging support," and he hoped, "the proposed new building will do the electors justice."

The re-elected Reeve also repeated, "it's very gratifying to see such a large vote."

W. A. N. Huey, defeated candidate for the Reeveship congratulated Mr. Coultier and stated this was the first time he had sought a public office in the township and added, "I've learned a lot."

Mr. Huey wished council success in 1965 and stated, "I hope they do the job well that the electors have entrusted to them." In closing Mr. Huey stated that he will run for public office in the Township again.

"Gratifying"
Deputy Reeve Young thanked the township electors for returning him to office and he suggested, "it's gratifying to see the council that took abuse, criticism, really willful criticism, returned to office by such a splendid majority."

Jack Robertson, an unsuccessful candidate for the Deputy

Reeveship, asked the ratepayers to "get behind council" and asked council "to be more tolerant of the ratepayers during the coming year."

Councillor Parsons told the ratepayers, "I'm quite happy to be re-elected and I will continue to carry on and try to do the best possible for the Township."

Councillor Ross Gordon thanked the electors and said, "I appreciate the support given me."

Criticism Good
"The criticism we have received this year did a lot of good and we learned a lot from it," re-elected councillor William Mabon said. "The Township is in good hands as long as the ratepayers have the good judgement that they showed today," he concluded.

Mrs. Elva Newton congratulated the successful candidates and hoped that the council does what is right "for the whole of the Township, not favouring any municipalities."

Gordon Agnew thanked the ratepayers for their support and congratulated council.

Flood Hammond said, "I'm not going to thank council, just ask them to watch what they do from now on."

Better Council
Unsuccessful candidate John I. Simpson wished council "the best of luck" and W. A. Johnson stated the criticism given council during the past year was "justified and I think we'll have a better council because of it."

Stom centre of criticism of council during the past six months, has been the way they handled the new Township offices question. Council proposed the construction of a new \$40,000 Township Building on a site directly opposite the present Brookville Hall. The Nassagaweya Women's Committee proposed that S.S. No. 1 School be renovated for use as Township Offices and grants be received under the Federal - Provincial Centennial grants program. Finally, council arranged for a hearing with the O.M.B. and received permission to go ahead with the construction of the new offices without calling a vote.

New President

Additional Aid for Retarded Pledged at Sunshine Annual

Volunteer work for the benefit of all of the mentally retarded in North Halton will be increased in 1965, members of the North Halton Association for the Mentally Retarded pledged at their annual meeting in Sunshine School, Hornby, on Tuesday evening. Members expressed a sincere hope that during the coming year a pre-school program for the mentally retarded might be established so that all age groups of mentally retarded in the North section of the County might receive valuable training.

The Association presently operates Sunshine School for retarded youngsters from five to 16 years of age, however, increased grants from the government that will lessen the Association's financial burden, will, members hope, make it possible to establish training programs for all the retarded in the area.

Name New President
Mrs. Peggy Treahy of Georgetown, named president of the Association for 1965, described the lifting of the financial burden by the government as a "tremendous step forward," but she stated, "the youngsters at Sunshine are only a small part of our responsibility. The new grants are not so that we can rest on laurels, but only an assist so that we can help all the retarded in our area."

Mrs. Treahy explained that two arguments are used against the establishment of an adult workshop in this area. "The first," she said, "is that there is not enough need for it." She noted that 12 workshops are being operated in Ontario with less than 10 students and reported also that at least four people in this area would be enrolled in the workshop when it is established. The second argument used against the establishment of the workshop, the new president reported, is that there is not enough money. She quashed that statement however, by stating, "since when did we ever let shortage of money deter our work."

Damage Totals \$60

Two-Car Collision

No injuries were sustained but damage totalling \$60 in a two-car collision Sunday evening.

A northbound car on Main St. driven by William Holmes, 46 Main St. S., stopped to make a left-hand turn onto Knox Ave. when another vehicle driven by Kreslimia Mance, R. R. 4, Rockwood, struck the rear of the stopped car.

Damage to the Holmes vehicle was estimated at \$25 and the Mance car at \$35. Constable Bruce McArthur investigated.

In her first official duty, Mrs. Treahy presented G. G. Addison of Milton, president of the Association for seven years, with a life membership award. Mr. Addison is the second person to receive such an award. Mrs. Helen Howard, active in the Association since its formation, was the only other previous winner of the award.

WILLIAM KNIGHT, planning board member, went to the polls Tuesday to cast his ballots along with 52 per cent of 2,145 eligible voters. Left to right are Mr. Knight, poll clerk Mrs. Mick Holmes and Deputy Returning Officer Mrs. F. Anderson.

Hits Parked Car

Damage totalling \$700 in a two-vehicle collision Friday night involving John Makales, Main St. N. and Sylvia Gagnon, Rosford Terrace.

Constable Bruce Kressler of the Acton O.P.P. detachment investigated and reported the Gagnon car was parked opposite the Station Hotel when the Makales car collided with it.

License Plates On Sale Dec. 1st

New license plate markers went on sale December 1 and Department of Transport agent Jack Hargrave was his own first customer. The first plate is F-5701 with white letters on a blue background.

Mr. Hargrave reported this week that sales are slow to date. Early date for 1964 markers is midnight Sunday, February 28. True plates will not go on sale until March 1, 1965.

Brant Hog Producers Visit Halton County

On Friday, November 27, a busload of Brant County Hog Producers visited Halton County. The first stop was at the Farm Meat Packers, Burlington, a plant recently purchased by F.A.M.E.

On the farm of Piggott Construction Company, Palermo, the visitors inspected the open barn for dry sows, the farrowing barn and the new barn for limited feeding of the market hogs. Following dinner at the Caravan Restaurant, Milton, a panel discussion was held on Hog Raising. Panel members were Dr. C. A. Martin, Milton; John Wilson, Rockwood; R. R. 2, President of the Halton Hog Producers' Association; and Archie Service, Milton. R. R. 3, Halton County secretary with Henry J. Stanley, Agricultural Representative as chairman.

In the afternoon, James Snow, Hornby, discussed his Beef Feed lot, followed by a visit to the cage-laying buildings. Final visit was to the Holstein herd of Bob Alexander, Georgetown, R. R. 2. The winner of the 1964 Halton Pasture Competition, Bob, discussed his hay and pasture program.

Halton County produces approximately 20,000 hogs annually — almost 40 per cent are Grade A, considerably above the provincial average.

Legion Ladies' Auxiliary Host Golden Age Clubbers on Friday

The Legion Ladies' Auxiliary were hosts on Friday night for a festive pre-Christmas banquet at the Legion hall for the Golden Age Club. Mrs. Chas. Shultz, president, welcomed the guests and Mrs. Doug Rogers, first vice president, presented each lady with a rose corsage and the men with a boutonniere.

Flowers were set with Christmas tables and the head table guests included president James Rolston, treasurer Jack Hargrave, entertainment chairman Charles Mason, councillor Mrs. Donald Reed and treasurer Miss Annie Akins.

Mr. Rolston said grove and gave a hearty vote of thanks to the Auxiliary for the lovely supper. Mrs. George Fryer also expressed appreciation on behalf of the Golden Agers.

Entertainment
Mrs. Charles Shultz acknowledged the thank you speeches adding what a pleasure it was to serve such a community club and wishing everyone a Merry Christmas. Entertainment arranged by the men of Branch 197 followed including coffee and music.

Check Cheques Police Warning

Corporal Ray Mason of the Acton O.P.P. detachment issued a warning this week to merchants and business people to exercise every precaution necessary before cashing cheques — especially by strangers.

The corporal said, "It's at this time of year when merchants are busy with their Christmas rush that bogus cheques are cashed." He also requests anyone suspicious of a stranger cashing a cheque obtain a license number of the vehicle if possible and be sure and get a proper description of the person.

Blame Unknown Car For Monday Accident

An unidentified car is believed to have been the cause of a three-vehicle crash causing total estimated damage of \$95. The accident occurred Monday evening in front of the Station Hotel.

A vehicle driven by Ernest Parker Acton stopped for an unknown vehicle to make a left turn into the hotel lot when a second car travelling in the same direction and driven by Syd Saitz also of town, stopped behind a third car following behind and driven by Betty Mitchell, also of Acton, failed to stop in time as the driver applied brakes on the slippery, snowy pavement.

Constable Bruce McArthur investigated and reported damage to the Parker car at \$10, Saitz at \$25 and Mitchell at \$10.

Tree Care

The Christmas tree is an exciting symbol of this happy season but the setting up and trimming of the tree requires that great care be taken to prevent fire. Since the conifers are oily and very inflammable, they should be kept out of doors, under snow if possible or given frequent sprinklings with water so that they will not dry out. When the tree is brought indoors, the lower six to ten inches of the trunk should be cleared of small twigs and then stood in a container of water, so that the rest of the tree will retain some moisture. Decorative electric lights should be placed so that none of the little bulbs touches the tree or its leaves.

300 Calls

Jangle Bells! Jangle Bells! Who Elected? Free Press Tells

Two telephone lines at the Free Press rang constantly Tuesday evening as interested voters called for latest election results. Votes were received here promptly, checked on an adding machine and given out on the phone within seconds.

First call came three-quarters of an hour after the polls closed and the phone was still answered by the night linotype operator Art Hayes about midnight.

Couldn't Get Line

For almost two hours, the phones were in steady use, and a couple of persons who couldn't get the line finally went to the town office of Free Press plant for information.

Candidates and their wives were among the callers. The same information in two succeeding phone calls would evoke such different reactions as "Good!" or "Isn't that a shame!" Brampton radio station called the Free Press for news and had it on the radio shortly after midnight.

Four at Work

Four staff members were occupied with the election, one relaying figures, one talking and two at the phones.

Final results were not considered earlier than last year. A rough estimate was the number of calls at nearly 300. At midnight, election results were also posted in the station city store window.

THANK YOU FOR YOUR VOYE AND CONFIDENCE DURING THE RECENT ELECTION. SEASON'S GREETINGS EVERYONE. MRS. GEORGE FRYER

THANKS May I express my sincere thanks and appreciation to the voters who supported me in last Tuesday's election. May I wish the members of 1965 Council every possible success. SEASON'S GREETINGS TO ALL. TELFORD REIDT
