SEVENTH WORST
At one time December was the month of most road deaths in Canada. Today it ranks seventh, and much of the credit is attributed to the month-long, police sponsored campaign against "Holiday Hazards."

MASSAGAWEYA SCHOOL BOARD TRUSTEES J. R. McPhail, Horace Blyth, Arthur Gibson, Dr. C. L. Young and Claude Inglis were acclaimed to the Township School Board at the nomination meeting in Brookville Hall recently. Due to the incorporation of No. 6 into the Massagaweya School area, nominations were needed this year for all five trustee posts. Mr. Gibson was chairman of the school board in 1964 and Dr. Young was vice chairman. Board members reported that it will probably be necessary to add another two rooms to the Brookville school next year.

FRENCH STYLE
A difference in national characteristics and style is shown in this item from the Ontario Safety League. On an export French car

WITH CAUTION
A green traffic light doesn't mean "Go". It means "Go with caution". A traffic signal isn't a shield to guarantee safety. Be extra alert when entering an intersection, especially in the moments just after light turns.
