

LEGION NOTES FOR BRANCH 197

By George Ware

As the branch nears the closing out of the year 1964, we must look back over the year in a very short review and find it was one of the most successful in recent years. Some of the more noticeable items of interest must be our big jump in membership (over 250), the terrific showing that our various sports teams made over the year in some district and provincial and if we were to go into detail we would be able to fill this column with our accomplishments alone.

Again, on membership we should try next year to push closer to the 300 plateau and if all our members try to bring in new applications we could easily surpass the 300 mark.

So let us all make a new year's resolution to try and do more for our branch, raise our membership, attend more meetings, participate in more sports activities and be a benefit to our branch in general.

All tickets for the New Year's Ball have been sold and we hope the persons who were not able to obtain tickets will forgive us but we can only accommodate

75 couples in our upstairs auditorium.

For the unfortunates there is still the downstairs area open for New Year's with music, piped down from the auditorium, refreshments and a few favors available. For those who attend either function may we hope you have a good time and a happy New Year's Eve.

Johnny Tucher's orchestra is on the stand this Saturday evening for those who wish to start New Year's early and for those wishing to celebrate the Christmas weekend.

Standings in the cribbage league following last week's play are: Dominion Hotel 79, Timmers 74, Legion 77, Station Hotel 73, Fat Boys 72, Firemen 67, Tanners 65, Old Boys 65, Custom Cleaners 64, Mason Knit 60.

Seven tables were in play last Friday evening to end each table play for the year 1964.

Slugging his way into first place was Mel Jordan with a 64, leaving him away in front of the rest of the pack and entitling him to the first prize steak. Second place steaks went to Alan Norris when he carded a 52. Not far behind him Ted Elliott waltzed in with 50 for the last of the steaks.

Carding the hidden score of 46 left Hey Lambert holding the bologna, and a short jaunt home to sandwiches and milk.

"IF A VETERAN, WHY NOT A LEGIONNAIRE?"

CHRISTMAS TIME is exciting for the youngsters and children at St. Alban's church were no exception. Friday night they presented the annual concert and delighted parents and friends with entertainment. Standing in front is Muriel Holmes who tap danced. Back row flanked by two of Santa's helpers is one of the kings in the pageant, Sam Schornop. Left is Cindy Lee and right Jane Withers.

Young People's Turkey Dinner

About 25 Young People of St. Alban's church enjoyed a turkey dinner Sunday afternoon at 4 o'clock, served by members of the Ladies' Parish Guild, Mrs. Dobson, Mrs. Roe, Mrs. Hurley, Miss Rose and Mrs. Wilkinson.

They heard the Rev. Peter O'Flynn, rector of St. Patrick's in Guelph, and Reformatory chaplain, speak on his work at the reformatory, and then they attended the Christmas candlelight service.

The Rev. West was presented with an ash tray stand from the group and Mrs. West was given a corsage.

Don't leave matches or lighters where children can reach them.

Will Feature Turkey Dinners At Hospital, Manor, Jail

Shut-ins at Milton District Hospital and Halton Centennial Manor, and inmates of the Halton County Jail will be enjoying the usual roast turkey dinners on Christmas day — despite their confinement.

Officials at the three places have their Christmas day menus all lined up — with special treats for breakfast and supper time, as well as the traditional turkey dinners served at noon.

At the hospital, patients will have a choice between roast Ontario turkey with savory dressing, roasted Long Island duck

ling with wild rice sauce, or prime ribs of beef with potato pancakes. Dessert features pud-

ding or pumpkin pie or hot mince pie or ice cream. A baked Virginia ham or fruit salad plate is featured for the evening meal at the hospital.

Again this year, patients who can navigate from their beds to the dining room will be allowed to bring close relatives into the hospital to share in the Christmas dinner.

Manor residents will be treated to roast young turkey with dressing and a hot plum pudding with sauce. Christmas cake is available at suppertime.

Jail prisoners will be served with roast young turkey with all the usual trimmings and cranberry sauce. Dessert features pud-

Let your joy be the reason for a great joy to yours.

Release Details On Post Office

Further details on Campbellville's new Post Office building were released this week when sets of the plans were posted in the Milton Post Office building.

The new village Post Office will be a brick building, 31 by 47 feet, located on the north side of Live Sidemoad just east of the present Earl's garage. Tenders are due at the Department of Public Works by early January, and officials expect it will take four months to complete the construction.

The office will have a brick and glassed-in front, with a mail drop box and stamp vending machine located near the front door. Inside is a public lobby 12 by 18 feet, a night lobby 12 feet square, and an 18 by 24 feet working space. The office is expected to provide enough space to serve the village postal requirements for several years to come.

Present staff at the Campbellville office includes the Postmaster and an assistant, with three rural route drivers.

A temporary transformer was installed in Lakeview subdivision following an inconvenience hydro snow fell. Snowplows shovelled little rinks for themselves and continued their fun.

Skating on the pond was excellent on the weekend. After snow fell, youngsters shovelled little rinks for themselves and continued their fun.

Christmas Greetings

As we greet the Christmas season, it is with deepest gratitude that we thank our friends for their kind support during the past year.

EARL VAN NORMAN
ELECTRICIAN
