

Boys of Hockey School See Leafs in Practice

All the boys of the hockey school, with a few extra friends and some parents, went early Monday morning by bus to Toronto to see their favorite hockey team practice at Maple Leaf Gardens. There were 10,000 fans there all together, cheering on the Toronto Maple Leafs during a specially arranged practice session.

Book Keeping Course Offered

A course on Farm Book Keeping will be given at the Agricultural Office, Milton, on Tuesday afternoon, January 5, from 1:30 to 4 p.m. The keeping of the Ontario Farm Account Book will be stressed. Anyone who has been keeping this book is cordially invited to this meeting.

This is the first step in any farm management program—the obtaining of accurate records on the individual farm. When these records are analysed by the University of Guelph, the weak and strong points of the farming operation are clearly visible. The farmer can then make changes accordingly. This free service has not been used too extensively in Halton County.

If you are not satisfied with your farm income and wish to find out your weak points in management, plan to attend this Farm Accounting meeting.

High School

Dec. 21: It was a series of shut-outs in the High School League. Crickets were their usual powerful selves and took the boys. For the week, with Mary Guss low 82, Craig Perkins 232 and Terry Churchill 208 getting the triple and singles. Beattie's were best. Underhanded won all games from Rolling Stones with all scores being mediocre. Singles were the winners for Shiflers as they beat the Beatheds. For all faddled the Beatheds. For all faddled the Beatheds. For all faddled the Beatheds. For all faddled the Beatheds.

Micro Plastic

Dec. 22: Monsters came up with a triple win from Buzzers with Jean Knight 664 and Bill Rignoldson 267 tripling and single. Bob Cathart 216 and Jules Fryers 223 had solo for Buzzers. The lowly Snappers snuffed off a triple win at the Beattie's expense, with Irene Brown 206 and Gene De Barro 241 getting singles. The Beatheds were out in left field, scoreless. The Beatheds' 205 solo was a lone in Buzzers' two game win from Lucky Strikes. Luckies grabbed the singleton for totals with Jim Keltman 639. George Tilson

Weston-Sunbeam Tournament

In the Weston-Sunbeam Family Two-Game Tournament rolled over the weekend, the Youth Bowling Council bowlers and their respective partners came up with some good scores and in some cases, the youngsters posted better scores than the elders. In the Hamilton Girls' Division the winners were Linda Harris and her brother Don with a pinfall of 1005. Runners-up were Heather Buchanan and another Joyce with a pinfall of 971. The Hamilton Boys' Division winners were Dave Pink and Sylvia Maple with a pinfall of 1164. Runners-up were Terry Buchanan and father Bill with a pinfall of 1040. The Junior Girls' Division was won by Jackie Palmer and truck Wayne Spies with a pinfall of 1205. Runners-up were Pat Sirocak and father Bill with a pinfall of 980.

Beardmore

Dec. 21: Dog Bones are still top dogs. They took Snappers for two and totals with Jim Bullock 187, Mike Churchill 217, Arthur White and Helen Hayes 254 tripling and singling. Luke Griggs 62 and Howard Jack 225 tripled and singled for Snappers. Leatheds took the first from Rawhides when the Rawhides got rough and won the next two and (Gladys Hill Buchanan 416 and Doris Cravak 418) triploded the Rawhides with Helen Yatomas 225 and Helen L. Sower 218. 202 had the solo for Leatheds. Rollers rolled well enough to win two games from Uppers, but Uppers were up in the second stanza by enough pins to take the singleton for totals. Al Norris 201, John Dennis 208, 243 and Pat Churchill 204 singled for Rollers. Bob Brown 627, Ed Parent 213 and Dick Hart 268 tripled and singled for Uppers. League standing: Dog Bones 64, Uppers 53, Leatheds 49, Snappers 47, Rollers 43, Rawhides 38.

Industrial League

Tailend Rubeulous held front running honors for a 21 margin over the rest of two periods of Sun day's Industrial Hockey League opener but the roof fell in for them in the third period as Flyers potted seven goals to post a 9-1 victory. Jim Bullock substituting in the nets for the collar dwellers played well over the first two stanzas but he was the target for a barrage of shots in the final, most of which were labelled.

In the second game of the twin bill there wasn't much to choose between Raiders and Cardinals but Raiders showed in three second period goals to upset the Cards 6-3. The victory left Raiders in third place, one point back of Cardinals who cling to second.

League badman John Conny had picked up another 12 minutes in penalties in the 10-manly contest refereed by Harold Townsley and Ches Psyka.

Cardinals looked like a second place team when they bagged the first two goals of the opener in the second game. Jim McDonough broke the ice on an unassisted effort. Tom Oakley, mark of 20 assisted by Fred Andrews. Raiders notched one from the stick of Denis Gibbons with help from Harry Insock.

Larry Porte tied the score early in the second period assisted by Ron Sheppard and Fred Dunn and then Ted Leasitt banged in two straight to put Raiders ahead 4-3. Ted got help from Denis Gibbons on the first and the second and Harry Insock was in on the second as well.

Larry Tallefer wrapped it up for Raiders in the third stanza by potting a pair assisted by Gary De Bruin on his first and Denis Gibbons and Harry Insock on the second. Tom Oakley got his second and Cardinals third.

Winners of the Acton Racing Pigeon Club draws made Monday evening were: Julian Moharz, Acton; second George Dollers, Guelph; third Bob Grosz, Ennisk; Acton; fourth Bert Sedge wick, Acton.

Curling Cues

Difficulties due to earlier publication of the Free Press and later curling hours have meant overruns, and this week's standings are published for the first time this season. It's expected that — providing all scores are marked on the board at the time — this information will be published each week of curling from now on.

Pounding the SPORTS BEAT

IT'S CUSTOMARY at this time to review the events of the past year. You catalogue the good things, try to forget the bad, then make resolutions to do better.

Sports and recreational activity over the past 12 months in Acton and district has been varied, hectic at times, successful, with room for improvement in the majority of cases. Participation has not been limited to a few individuals. Many take the opportunity to play hockey and softball in industrial and town leagues. Curling attracts a couple of hundred enthusiasts. There's bowling, golfing, badminton, tennis, go-cart racing, hunting, fishing, hiking, skiing, football, volleyball, basketball and indoor sports like spin the bottle, riddle works and post office. You name it and there's a facility, here or within a few miles, to play most sports. Hundreds take advantage of it.

Spectator sports most popular here are hockey and softball, in that order. Hockey naturally attracts the bigger audience, but softball has increased in popularity each year, the town league continues to improve the quality of ball. Baseball, once the big summer attraction in this neck of the woods, has fallen into decline but it could revive. Now, at least in the community centre, it's also possible lacrosse may stage a comeback.

Recreation is big business. The wide program offered in Acton is only a reflection of increasing interest in recreation for Canadians in every age group from the cradle to the grave. What does recreation mean? The dictionary says it's refreshment of body or mind. The verb recreate means to impart new vigor or to create anew.

To my mind the average Jill or Jack needs a diversion from his humdrum existence and recreation is the answer. It might only be a game of checkers for the elderly. The young will favor more active games and the in-between years rate a wide choice from elbow bending to calisthenics.

If you haven't participated in a sports or recreation program, the new year is a good time to begin. It will make you better fitted to face life. It will sharpen your reflexes and it just might trim off a few pounds of Christmas suet. But for gosh sakes, see your doctor if you're over 30 and not in good physical condition.

BEAT BITS ... HAPPY NEW YEAR to you, too. ... Tanners don't play again until Thursday night, January 7th, when they make the jump to Elm for a game with Cheltenham. If Beaumont's band took Orangeville Wednesday it means the Tanners finished the first half of the schedule in second place, tied with Elmira. If they lost, they're in third, a game back of the Polar Kings. Both Milton Pee Wees and Novice won trophies in Christmas holiday tournaments at Grimsby and Ingersoll respectively. The county town Novice's blank of Acton 50 in their first test at Ingersoll. Thanks to the curling padre, Rev. Andy McKenzie, curling results will appear in this page whenever possible.
