IT'S MINOR HOCKEY WEEK IN ACTON

JANUARY 23rd TO JANUARY 30th

WE SALUTE THE ACTON MINOR HOCKEY LEAGUES

Acton has a flourishing minor hockey organization that keeps the boys of the town and district playing Canada's best-known sport most of the season.

Nearly 400 boys participate each week in either the Legion town league, one of the Tri-County Hockey League teams or in the Referee Association's Hockey School.

It's a great game. It teaches the players the value of team work, how to take a few hard knocks and to obey the official in charge.

Perhaps the greatest benefit hockey confers on its devotees all the way from the kid who's just learning to skate right

to the top of the minor leagues, is healthful, invigorating exercise.

Ever stop to think, too, of the high incidence of delinquency among young boys in places where minor sport is not so prevalent as it is right here in Acton. Loaded with energy, the kids are eager to shed it in some healthful kind of recreation. When that outlet isn't provided they resort to other methods of getting rid of it, sometimes to the detriment of their community.

So, let's give an extra bouquet to those responsible for maintaining an excellent minor hockey organization in Acton. The influence hockey exerts in Acton is tremendous. Let's keep it flourishing.

Ginger Pots Four

Montreal Blanks Rangers 4-0

Canadiens were full of Ginger for last Wednesday's midjet town league meeting with Rangers. Result was a 4-0 victory for the Habs. Tom Ginger scored all four goals for the winners, one in the first period, two in the second and another in the third. Gerald Dick racked up the shut-out for Montreal, turning aside all Ranger scoring attempts. Jeff Harkley and McNabb assisted Tom Ginger on his first goal. Eight penalties were imposed by the referees, two each to Bernie Benton and Gerald Dravcott.

Mayor Urges Support Minor Hockey Week

Mayor Les Duby this week called upon all citizens to support Minor Hockey Week in Canada, which commences Saturday, January 23. In voicing his support of young Canada's most publicized week, he said, "It is not only my pleasure but my duty to suggest that every citizen should visit the arena this week and in this way, demonstrate his or her support of the wonderful minor hockey program we have in our town. Although practically every community in Canada has a Minor Hockey organization of some sort, we in our town have been blessed with a program that needs take a back seat to no other. We have several fine groups of volunteer workers who make sure that every youngster in town has an opportunity to take part in Canada's national sport under properly supervised conditions. Not only do they provide our youngsters with an opportunity to play, they provide organization, instruction and leadership,

so that the young lads may learn to play hockey well. But these fine people do not seek only to teach the boys how to play hockey. They realize that it is also their task to teach the fundamentals of good citizenship and to assure that our boys have fun while playing in this wholesome sport. Combining these fundamentals with the basics of hockey, and with the body-building exercise that is a part of a good game like hockey, results in a well-rounded program that deserves the full support of every citizen in the community. Realizing that minor hockey is a community affair, I commend the Minor Hockey Week to every one of our citizens, and on behalf of our Council, urge that each and every one of you make it a point to show your support of Minor Hockey and its workers by attending the regular Minor Hockey Week program. The Mayor concluded by saying "In this way, we can show the appreciation of the corporation for the fine work that is being done for our boys."
