

"THE CEREAL SHELL" was the topic discussed by Halton County 4H Homemaking Club members at the 4-H achievement day on Saturday. Achievement awards were presented and handy hints for preparing delicious breakfasts were given by the various speakers. Six girls received County Honor Certificates. Girls who received certificates were Doreen Fisher of Stock Block, Dianne Pell of Palermo. Shown standing are Lynda Inglehart of Palermo, Mary Anderson of Scotch Block and Irene Keir of Silverwood. Susan Harrington, who also received a County certificate, was absent at the time of the photo. They are shown with Halton's Home Economist Mrs. K. Connor.

Halton Plowmen Hold Banquet

The Honorable James N. Allan, treasurer for the Province of Ontario, outlined Canada's agricultural progress during the past few years, at the annual meeting of the Halton County Plowmen's Association on Monday, Jan. 4. Mr. Allan, speaking at the meeting in St. Stephen's Church Hall, Hornby, noted that due to improved farming methods, one farmer in Ontario can now grow enough food for 30 others, while in 1941, he could grow only enough for 11 others.

Canada's agricultural progress is also mirrored in the large increase in the gross national product over the past few years, Mr. Allan suggested. In 1963, the gross national product was \$46,000,000, while in 1946, it was only \$12,000,000. Noting that Ontario's young people must be educated so that they can "fill their niche in life", the provincial treasurer noted that each year there is a need for 70,000 more school seats in the province.

Furrow Queen Speaks
Halton County's Queen of the Furrow for 1965, pretty Verna Thompson also spoke at the meeting and her topic was "Rural Youth". Miss Thompson told of many of the impressions that urban boys and girls have of youngsters on the farm.

Officers were named for the coming year and they include: president Lloyd May, first vice-president J. C. Cunningham, second vice-president Geo. Swann, past president Stanley May and honorary president Clebert McDowell.

Name Directors
Directors for the coming year are: Esquering, Clifford Wrigglesworth, Roy Currie, John Wilson, Vernon Pickett and associate director Keith Leslie; Oakville, J. Cameron Marshall, Thomas Howden, Jack Marchment, William Rayner and associate director Frank Peacock; Burlington, Roy Elliott, Erwin Gunby, Ed Segsworth, Gordon Thompson and associate director Fred Dixon; Nassagaweya, Sam Finnie Sr., Robert Hurten, Ross Gordon, Lloyd Stokes and associate director William Mahon.

Honorary directors for 1965 are: J. E. Elliott, J. A. Dixon, J. A. Elliott, Ernest Irvine, Claude Pickett, George Readhead, Ross Segsworth, Spencer Wilson, Leonard Lister and J. H. Taylor. Halton County's agricultural representative, Henry Stanley, is secretary-treasurer of the Halton Plowmen's Association.

Greenock Institute Approves Reading Improvement Prizes

Mrs. George Wallace was hostess to the Greenock Institute for the January meeting.

President Mrs. L. Trussenaar opened the meeting with a few lines from Charles Dickens, followed by the usual opening ode and recitation of the Mary Stewart Collier. Mrs. J. McCulloch read the scripture and the Lord's Prayer was repeated.

Twelve members answered the roll call with a Canadian product that our grandmothers never used.

Coffee Spoons
Cards of thanks for Christmas plants were received. Profits from sales of Christmas and everyday cards amounted to over \$20. The order of silver coffee spoons with Ontario crest have arrived and can be purchased from members or the secretary.

The leaders of the 4H Club reported on their programs and urged as many members as possible attend their Achievement Day in Guelph on January 30. Present leaders agreed to conduct the spring project if enough girls are interested in the Super Club.

Plans are well under way for the one day short course on Creative Cakes on January 29. Miss Mary McGrath will be the instructor and it is hoped that many ladies in the community will be able to attend this excellent course.

School Prizes
Again this year it has been arranged to present prizes to deserving pupils at the local school. This year's prizes will be given to a student in each grade showing the greatest improvement in the skill of reading during the year. Mrs. Elwood Johnston presented the motto "Plant a seed of character in the home and it will bloom in the community." The home is the lens through which children get their first look at life and all its civic duties. If they see a good home where parents exemplify love, patience, understanding and striving towards common goals, these children go out into society, mature and responsible and ready to make a contribution to the improvement of society. Children are the greatest imitators in the world and formation when growing up is better than reformation when grown up.

Paper Mill Tour
Mrs. Gordon Leslie, convener of Agriculture and Canadian Industries gave a most interesting talk on a tour taken at one of North America's largest paper mills at Espanola, Ontario. Pictures were shown of logs floating in the water waiting for processing. Samples of different kinds of wood chips used, unbleached and bleached pulp, also many types of paper produced were shown.

Three members brought original home made 1965 calendars to the meeting and these were admired. Mrs. C. Aitken will be hostess in February. The singing of O Canada and the Institute grace closed the meeting. Mrs. W. Johnston and Mrs. I. Hemley assisted the hostess in serving delicious refreshments. Mrs. Trussenaar extended the courtesies to the afternoon.

The Tuberculosis Association annual Christmas Seal financial campaign is falling short of last year. Have you mailed your donation to Mrs. M. E. Lunan, secretary, at Oakville yet?

Hear Reports, Statements At United Church Annual

Ebenezer United Church annual meeting was held in the Sunday school room on Monday evening. Rev. W. Leeman was in the chair and in the unavoidable absence of the secretary, Mrs. Marvin Thomson, Mr. Francis Patterson acted as secretary for the evening.

The following reports from the various organizations were presented: The session by Horace Blyth; Sunday school by Mrs. Earl Ward; Messengers (Mission Band) by Mrs. Leon Duffield; Young People by Alan Hayward; choir and the United Church Women by Mrs. John Kitching.

Mrs. Horace Blyth reported on the U.C.W.'s year's work. Mr. Murray Hayward reported on the

finance of the Church and Mr. Earl Ward on the Missionary and Maintenance Fund. Art Diamond gave the report of the past year's work in the absence of Doug Anderson, also that of the improvement fund.

Mr. Jim Simpson reported for the cemetery board. Mr. Pattison gave the auditor's report. Mr. Malcolm Moffat reported for the nominating committee.

Vote of Thanks
Mr. Diamond and Mr. Blyth

moved a vote of thanks to Mr. Leeman for his leadership and Mr. Blyth and Mr. Diamond expressed their appreciation to the choir for their faithfulness in the ministry of music.

The many friends of Mr. Douglas Anderson will be pleased to know that he is making a good recovery following an operation in Guelph Hospital.

Congratulations to Ian and Millie Norrish on the birth of a son, a little brother for Cheryl.

Kitchener Dancers Boost New Project

Several couples from the Kitchener Beauties and Belles Club have offered to help with instruction when Acton tries an initial square dance club session. They will be in the audience for County Hoedown on January 29 — when recreation director Harris Roe and Mrs. Roe appear on TV — and then dance at Alderwood College, Etobicoke. Notwithstanding the drive home to Kitchener, they'll be back to Acton the next night to help get square dancing started here.

Five Accidents, Three Injured At Same Spot on Highway 401

Poor driving conditions on Highway 401 Sunday evening were blamed following five separate accidents at the same spot, with in seven hours of each other, in which three persons were injured and damage totalled \$6,200.

Most serious of those injured was Lionel George Bivan of London, who was rushed to hospital suffering a broken wrist, chest injuries, concussion, facial lacerations and other injuries. His car drove off the road down an embankment and crashed into a tree, causing \$3,000 damage to the 1961 model sports car.

All five accidents happened on Highway 401 at the Fifth Line, Nassagaweya. The first, involving Donald Savo of Streetsville whose car received \$1,000 damage, happened at 7:15 p.m. and the last of the evening was Mr. Bivan's which happened around 7:25 a.m.

Second accident saw \$700 damage to a car driven by Frank J. Weiss of Riverside. In the third

accident, Garnet J. W. Shoultice of Toronto suffered a bruised ankle and whiplash, and passenger Larry Shoultice received facial lacerations and whiplash, when their car was in collision with one driven by Clement Lee, Toronto. Total damage was \$800.

In the fourth accident, a car driven by Edmund Arsenault of Oakville and a parked car owned by Daniel D. Watson, Port Credit, collided for another \$700 damage.

Should Spot Glass Made in Burlington

One of Canada's first glass factories was located at Burlington, but very little is known of it and few articles made there are recognized. Some authenticated articles from Burlington are currently on display in the special Glass Exhibit at the Sigmund Samuel Galleries of the Royal Ontario Museum, Toronto.

Local antique collectors might familiarize themselves with some of these patterns to pinpoint the location of manufacture of their articles. There are probably many in district homes, perhaps handed down by the men who once worked there.

Halton county museum has three pieces of glass made in Burlington many years ago and director Mal H. J. Newman is very anxious to obtain more.

'65 PONTIAC

the new look of success...

Pontiac is excitingly new and different this year. And more luxurious than ever. With its striking new styling, sleeker, lower profile and majestic new grille, Canada's Success Car has outdone itself beautifully for 1965. And there's so much more than good looks to Pontiac's success story. It's the best handling,

smoothest riding, roomiest and most comfortable Pontiac yet. A new extra-strength perimeter frame, new wider track, new suspension and steering are just a few of the things that make this the greatest Pontiac ever. Here indeed is the new look of success for 1965!
