Lack-Lustre Tanner Performance Elmira Nails Down Second Slot

Acton's unpredictable Tangers snuffed a chance to pull out a second place tie with Elmira on Saturday night when they lost a lackluster 6-2 contest to the Polar Kings in their own rink. The loss left the Acton club in third place, four points back of second, in the six team W.O.A.A. senior race.

Hazardous driving conditions seemed to leave the Tangers in a hypnotic state when they faced the Elmira club for what many fans thought would be a repeat of the hard-fought previous meeting between the two teams. However, the Acton squad lacked the spark which kindled them to victory in their home appearance and the Polar Kings romped to a relatively easy victory.

Elmira took a 3-1 first period lead, scoring one of their goals while they played too short. Ab Martin broke away to beat Sweezy cleanly and from that point the Elmira club never looked back. They scored two more in the second stanza and added another in the third.

Townley Two

Both Acton markers were drilled by Harold Townsley, one in the first, and another in the third while the teams played short-handed. Fairly, Stevedore and Blake Inglis collected the assists.

Ab Martin nipped a pair for Elmira, both unassisted while O-

car Bloch, J. Grundy, Adalf Plein, Dave Heipel registered singles.

The unimpressive, blistering weather kept the crowd at home. Only a handful of fans showed up and their indifference seemed to reflect on the performance of the players although 22 penalties were imposed by the referees, 14 of them to the Polar Kings.

Detroit All Stars Here Saturday

Detroit Midget All-Stars, on a junket to Guelph this weekend, will also play an exhibition with Acton Midgets at the community centre Saturday at 12:30 noon.

Genial "Doc" Hartley, Acton Minor Hockey Association president, arranged the game with the U.S. team through a mutual friend in Guelph.

The Detroit club, an affiliate of the N.H.L. Red Wings, is expected to be a stern test for the local team which hasn't been too successful in Tri-County games this season. However, under the tutelage of coach Ito Marano, there has been a definite improvement and they should give the visitors some real opposition.

Flyers Win Another Pace Industrial Loop

Raiders were no problem for Doug Sheppard one piece. Ches Pevcha and George Williamson imposed 11 penalties, one a misconduct to Barry Insove of the losers.

Red Birds Fly

Cardinals jumped into a 3-0 lead in their joust with hapless Flyers in a see-saw battle in the other half of the bill with Cards emerging on the long end of a 7-5 count.

Raiders had a 3-1 edge at one point in the second period in their game with Flyers but the lead dissipated under constant pressure on goalie Andy Williams. Flyers had tied it up by the time the third period rolled around. Then they rattled in four unanswered goals to sew it all up.

Ken Tuck's three goal performance sparked the winners to victory with Gord Mason sinking a pair as well as collecting two assists. Wayne Sheppard and Don Lindsay in addition to three assists, also went to Dave Papillon (2), Ken Tuck and Mel Sheppard.

Denny Gibbons counted twice for the losers, Bruce Lambert notched one Barry Insove collected two assists. Larry Poite and

names suitably inscribed there on. They also received silver mugs, emblematic of the victory and table lamps as prizes.

In the other draw, 19 a.m., Glen Tyler's rink of Donna Keady, Pat McCutcheon and Fran Beatty battled stiff opposition from two Elm rinks and in the final contest, edged a veteran High Park rink (with an average of 14 years' experience) to place third in the event.

Max Danarich's 11 a.m. rink did not fare quite as well, but they had an enjoyable time with Mac wearing Jackie Blow, Lo Mackenzie and Mary Marks.

Final Milton 'Spit

In the first regular men's open bonspiel at Milton on Saturday the Acton rinks acquitted themselves in somewhat fashion. Mick Holmes, assisted by John Krupak, Bern Van Fleet and Harry Otterbrein breezed all three consecutive victories over Milton and Guelph rinks, and came home with card tables as prizes.

Right behind Mick and his crew, in second spot, was the fighting foursome, piloted by Andy Nolan, including Dr. Brian Moore, Bruce Capill and John Buckman. Losing the first game to Guelph 5-9, they sprang back to trouble a Milton rink 14-5 and then clinched second place with a solid 8-4 win over a second Milton rink in the finals. Their share in the spoils was a propane burner to each man.

The third Acton entry did equally well in the later draw at 4 a.m. Alan Ellerby, with a skilled hand, guided his mates, Brad Hunter, Sam Brunelle and Ken Marchmont to second place in that event, winning two

Curling Cubs

Last week, the Acton curlers really had something to crow about. The ladies, competing at Erie, came home with top honours on Wednesday, and then duplicated the feat on Saturday in the Milton 'Spit'.

At Erie, Eve Cooper's four some, including Phyllis Patrick vice-skip, Betty Oakes second and Rene Watson lead, defeated Anne Moore's rink, made up of Anne, Kay Hanson, vice-skip, Gladys Price second and Ruth Holmes lead, in the third game to gain possession of the new Dow Trophy and to have their

names suitably inscribed there on. They also received silver mugs, emblematic of the victory and table lamps as prizes.

In the other draw, 19 a.m., Glen Tyler's rink of Donna Keady, Pat McCutcheon and Fran Beatty battled stiff opposition from two Elm rinks and in the final contest, edged a veteran High Park rink (with an average of 14 years' experience) to place third in the event.

South Shades North in Elora All Star Game

Two late goals broke a 4-4 deadlock and won Friday's W.O.A.A. senior All-Star game in Elora 6-4 for the South over a hustling Northern club. Two Acton players, Eric Kentner and Harold Townsley, were in the South line up, three others were unable to make it.

It is the second year for the All-Star games. Last year the teams split the pair.

Thanks to the sensational goal tending of Orangeville's Jack Watson who blanked the North over the first period and a half, the South ran up three goals before the North counted. Cheltenham's E. Marshall put the South one up and Acton's Fred Kentner made it 2-0. Barry Redwood of Fergus stretched the margin to three.

Despite being down three goals, the North fought back to tie the count in the third period and it took two counters by Elora's Lynn Druce and a single by Elmira's Ab Martin to wrap it up.

Played according to international rules, neither club dominated play for long. It went up and down the ice like lightning at times with goalkeepers at both ends called on to make some outstanding saves.

Individual stars picked at the end of the game by officials went to Jack Judge of the Southers team and Cec Cowie of the North. The return game will be played in Durham on Saturday, February 6th.

Pounding the SPORTS BEAT

EVENTS IN THE W.O.A.A. senior hockey race the past week have altered the league standing to the point where the first three teams could play a neat game of musical chairs for the top spot. Elmira currently is tied for the league leadership with the slipping Orangeville Dufferins as a result of a 5-4 overtime win over Duffs' right in Orangeville Monday night. That victory, coupled with the victory over the Tanners Saturday, put the Polar Kings in the driver's seat.

Friday night the skidding Orangeville club played the Tanners here, a loss could drop them into second place. An unusual feature? The Tanners could drop from second to third as a result of a Friday victory. Currently they're in second, with Elmira and Orangeville tied for first. A victory would not give them enough points to displace Dufferins from second.

Explain the poor showing of the Actons against Elmira Saturday after they proved they could handle the Polar Kings here a week previous? You explain it. I can't. Maybe the absence of a crowd, which seems to spur the Tanners at home, affected their play. Anyway, reports from those who made the trip in spite of drifting roads and freezing rain, indicated the game was hardly worth attending - from an Acton fans viewpoint.

Friday, the Tanners will have their TANKS full again with the Dufferins, who'll be trying to break their losing streak with a big win. The Acton club haven't hung-up the Duffs' hides yet this year, a feat they've always managed other seasons. This may be the night! If not, they get another crack at it Monday when they make the trip to Orangeville.

BEAT BITS . . . Have you got your ticket for the N.H.L. Old Timer, Acton Tanager game, here, February 12th? It's in 4th minor hockey . . . A recent Tri-County juvenile contest between Georgetown and Hespeler produced 126 minutes in penalties. Both contestants were pulled on the O.M.H.A. carpet. The Georgetown club now has a new manager and coach . . . Several Acton members of the Guelph Legion Track Club will be attending the track meet at Maple Leaf Gardens this week . . . Crucial W.O.A.A. senior game, here, Friday night . . . Reports emanating from the Tanners now say Wayne Davison may be back in action in a little over a week. Provided the cast on his broken arm can be changed to one suitable.

Juniors Unbeaten

High School Cagers Wallop Erin Puck Squad Edged by Bishop Mac

The scorekeeper at last Thursday's high school basketball games between the boys' junior and senior teams from Erin and Acton had a hard time keeping up with the constant swishing as Acton trounced Erin in both games played.

The unbeaten junior team held the startled Erin team to 8 points in the first half, while they put 28 points on the board in the second half. Acton put in a slight burst, to get 19 marks, but these were easily matched by the strong shooters on the home side, who shot 33.

Jim McGoug led the home team with 19 points, Kevin Hall had 15, Phil Dupuis 10, Allan McNabb 8, Terry Churchill 6, Barry Elliott 2, Doug Allan 1.

Final score: Acton 61, Erin 27.

Redmen Shaded

The winning touch as yet hasn't moved to the hockey scene, which saw the Redmen lose their second game by 4-3 to Guelph. Bishop Mac Donnell.

As in the first game, the home team got an early lead of two goals in the first period, scored by Jan Roddall and Gord Mason. Guelph was held off by the Redmen and some fantastic saves by

goals. Frank Anthony, who played an excellent game.

The second period saw the goals split evenly at four apiece, scored by Gord Mason and Howard Dwyer for Acton.

In the third period, the tables turned and the rubber was flying hard and fast in the Acton zone. Guelph picked up two goals to tie it at four all. At the last possible second, just as the buzzer went, the disc edged the mesh in the home goal and Guelph had the 5-4 win.

There were five penalties handed out to Acton, and two to Guelph. There are return matches with Milton and Guelph, during which hopes for that winning touch are high.
