Compulsory Tests To Prevent Damage

Every child born at Hotel Dieu Hospital, St. Catharines, is bein tested for Phenylkelonuria (PKU) a disease causing brain damage - As the season | Bill Stewart 701; Gordon Cox and mental retardation.

The test also will be made at General Hospital as suon as new Dr. A. P. LePlerre, head of pedib-

The disease , which occurs about once in 20,000 births, is difficult to prevent, but correct dier can prevent it from damaging the brain. PKU is caused by an accumulation of protein that the body cannot bandle.

Parents of children with PKU attending a special clinic in Totership agreement, dated 1905, route are comparining to have and explained. "Sixty years ago, the tests made compulsory before a newborn child leaves hospital
