Preparing Children for H.S. Topic at Home and School Meet

The kindergarten room of the M. E. Bennett Public School was filled to capacity for the second general meeting of the Home and School Association on Wednesday, January 27.

After God Save the Queen, accompanied by Mrs. Benton at the piano, president, R. Drinkwalter, warmly greeted all parents and said that it was certainly most encouraging to see so many out that night. The secretary read the minutes of the last general meeting and also gave the treasurer's report.

Some business correspondence was given attention after which Mr. Drinkwalter suggested a short recess. It was during this time that the audience had the pleasure of hearing the children's choir of Grades 6 and 7 sing in harmony, ably led and conducted by Glenn Banks.

Guest Speakers

The subject "Preparing Your Child for High School" was covered by the two guest speakers, Vic Bristow, representative of the Public School Board, began the program by giving information on the scenes behind the important step that the child takes in his transition from public school to high school. He also outlined the functions of the Curriculum Committee.

Rev. Dwight Engel, Chairman of the Acton and District High School Board, based his talk on the difficulties which students encounter as they approach, and then enter High School, and what parents can do to help in this regard. Both speakers provided a wealth of information on this important matter. A short question and answer period followed each speech.

Mr. Drinkwalter thanked Mr. Banks and the speakers for making it a most enjoyable and interesting evening.

Burlington Grower Art Kemp Heads Fruit, Vegetable Growers

Arthur Kemp, apple grower of Burlington, was re-elected president of the Ontario Fruit and Vegetable Growers' Association at their recent 106th annual convention in Toronto. Also re-elected was vice-president Arthur Van Dyke of Bradford.

Barney G. Wilson of Dundas was elected secretary - treasurer, succeeding Dr. John F. Brown who has resigned. Don Jose of Toronto and M. M. Robinson of Burlington were confirmed in their posts as editor and contributing editor respectively of the association's monthly "The Grower". Paul A. Klie of Harrow is past president.

The executive consists of the following section chairmen: Reg Maritt, of Grimsby, tender fruit; Donald F. Wright of Harrow, vegetables; Art Kemp of Burlington, apples; Charles Srokosz of Grand Bend, onions; Marius Ingratta of Leamington, greenhouse; Arthur Shantz of Ridgeville, commodity marketing; Heber M. Irwin of Hornings Mills, potatoes; Smith Griffin of Acton, turnip.

The association's Award of Merit went to Dr. John F. Brown, retiring secretary-treasurer.

Storage Stackers

Halton County storage owners considering fork lifts for their storages should consider the new stackers now available. The stacker is a unit that will lift pallets or bulk boxes and move them in the storage and pack area. The unit is shoved by hand, and the lift is hydraulic. Lifting capacity is up to 1500 lbs. The cost is the big advantage of these units. The 54 inch height lift costs $350, and ranges upwards with greater lift heights. Compare this cost with that of lift trucks, which are in the thousands of dollars. A list of the suppliers of these stackers is available from the Ontario Department of Agriculture, Milton.

County Assures Further Study On Halton Ambulance Service

A suggestion to County Council, originated by the Town of Milton, that consideration be given to establishing a county ambulance service, was assured of further study by the Finance Committee after the last meeting.

The matter was slated for no further action in one report, but members deleted this to permit further study.

Reeve G. Gallagher of Burlington suggested the province should participate, particularly in towns close to the 401 Highway. He noted signs on 401 pointed to Milton Hospital and those unfamiliar with the area would naturally expect ambulance service.

REDUCED COST

Average unit cost of electric energy to residential and farm customers of Ontario Hydro and 357 associated municipal utilities has dropped 9.0 per cent since 1940.
