## LEGION NOTES FOR BRANCH 192

By George Ware

Monday's general meeting saw the usual crowd to make it a poor start for our new year, and it is to be hoped the attendance will climb this year to at least double our regular attendance of last year.

The branch Padre, Rev. A. H. McKenzie received an honorary membership in the branch at the meeting, along with five new members who were initiated. The new members are Gerald Barnard, Alex McCoug, Pat Fitzpatrick, George Tikou and Gerry Parrisseau.

May we take this opportunity to welcome these members to the branch and hope they have many happy years of association with the Legion.

The membership of the branch were saddened to hear of the passing of one of our beloved old comrades, Art Padbury. Art was a familiar sight in the branch until his recent illness and hospitalization kept him away from his many friends here.

The funeral was held today (Thursday) at 1:00 p.m. from the Earle Elliott Funeral Home in Toronto. "We will remember him."

Don't forget to support minor hockey in Acton this Friday evening by attending the N.H.L. Old Timers - Acton Tanners game at the arena. For an added attraction the two Legion house league Atom teams will square off prior to the big game.

The evening of the whole, sponsored jointly by the Acton Minor Hockey Association and the Legion Minor Sports committee, should prove very interesting for all who attend.

Zone euchre will be held in the branch on Saturday, February 20 at 1 p.m. sharp. A list is provided for those wanting to participate. Also, if anyone can spare an afternoon to work at this tournament, please contact the sports officer, Gord Thompson.

In Friday night's open euchre Willard Britton took the big step from the bologna of last week to the first prize bundle of steaks this week when he carried a 68. Nine points back of him was Hugh Wilkinson, with a 59 good enough for the middle package of red brands. Close on his heels

## Curling Cubs

The men of the Milton Curling Club performed the role of perfect hosts when they entertained eight male rinks from Acton last week. They gave their competitors from Acton the privilege of last rock on the first end and never seriously threatened to overwhelm their guests during the play, and afterwards varied down with them to a wonderful lunch.

Alex Zbeetoff and Wesley Beatty expressed the thanks of the Acton curlers for a most pleasant evening of curling and fraternal fellowship and indicated their hope that it would be possible to have the Milton men revisit Acton in the not-too-distant future.

In the curling action, Milton and Acton tied in games won, lost and tied, with each side winning three, losing three and tying two.

Scores in the eight contests were as follows: Bunk Holmes tied Ken Moore 6-6, and Ted Tyler and Harry Riddoll played to a 5-5 draw. Dennis Rowley won against Bill Coon and Allan Kirkness etc., 8-4 and Chester Anderson lost to Bo Wheeler 7-10. Bill Coon lost a squeaker to Don Merritt 6-7.

However, Alex Zbeetoff won with a flourish gaining a 12-4 victory over Dave Green. Andrew McKenzie battled Len McNeil
