**Sermon, Meeting of U.C.W. Day of Prayer in Area News**

Rev. W. Leeman's sermon, first in the series on comparative religions, dealt with Hinduism. It is a growing, absorbing religion approximately one in six of the world's population is Hindu. In Hinduism, man earns his goodness, striving to attain a higher incarnation, as a result of his own sweat. Hinduism is ever growing. The World Council of Churches is ever growing. In Christianity, we are admitted to God's household, by His grace.

Mrs. Dunbar and Mrs. Don Early gave a heartrending account of conditions among the hungry millions in India. The fortunate few children, who have the opportunity for schooling, cheerfully walk miles over rough grounds, (even bare foot) in the snow in cold weather) to get to school. A new school, to accommodate 600 children, is only half finished because contributions from Canada ran out. The garbage cans of Canada are better fed than half the world. We should give until it hurts, not only for the love of these poor unfortunate, but in our own selfish interest.

Miss Emey and Mrs. C. Hurten were named leaders for the Girls' 4-H Homemaking Supper Club.

The essay contest sponsored by Wellington County Historical Society was announced and it was hoped someone would enter from the group. Mrs. D. Winter, Mrs. H. Theaker and Mrs. C. Storey were named a committee for the monthly picnic to be held this week.

The speaker gave a very comprehensive outline of the subject, "Public Relations", reminding all to be proud of the Institute, to wear the pin, and use the crest in other ways at every opportunity.

A vote of thanks was extended to the speaker, the hostess and all who had participated, by Mrs. Taylor. The hostess, assisted by Mrs. H. Theaker and Mrs. E. Archibald, served dainty refreshments.
