

Duke of Devonshire Chapter Reports on 48th Active Year

The following is the forty-eighth annual report of the Duke of Devonshire Chapter, Imperial Order Daughters of the Empire, Atkin, Ontario. Through the year 1964-1965, there were ten regular meetings, and three executive meetings held in the members' homes. The membership is twenty-five, average attendance 16 and five members with perfect attendance. The Standard was carried at all regular meetings, Devotion Day and Remembrance Day Services. The Standard was also displayed at the tea for New Canadian class-

ses in basic English at the Acton High School, and at the Treasure Mart. The Regent presided at all meetings, and also attended an Anniversary dinner at a Georgetown Chapter. A summary of the convener's reports is as follows: the Echoes Secretary reported all members receiving the magazine; get-well and sympathy cards were sent to members and former members' families and flowers to members who were ill or had suffered bereavement. The convener of Citizenship and

Immigration organized a tea for the students of the basic English class, assisted by 11 members. The chapter was honored to have one of its Charter members, Miss M. Z. Bennett, chosen as Acton's Citizen of the Year. Special Topics Some of the topics given by the convener of Empire and World Affairs and discussed by the members were: the Queen's visit to Charlottetown, Quebec and Ottawa in October; problems confronting the leaders and governments of the great nations of the world; the threats of wars in

Africa and Asia; the unrest in many parts of the world, including the separatists in Quebec; the new flag, the Canadian Medical Expedition to Easter Island. The projects of the Education convener and members included a visit to the two public schools on Empire Day, when each was presented with a set of books for their libraries. The Regent attended the Grade Eight Graduation Banquet and presented pens to the student with the highest standing from each school. Give Scholarship She attended the Commence-

ment at the High School and presented a Scholarship to the student with the highest standing and a special gift to one of the members of the graduating class attending Brock University. The Chapter sponsored a student to the United Nations Seminar at the University of Waterloo in June. At the September meeting, she gave a report of the activities. Mrs. Rogers, English teacher at the high school, also attended this meeting and showed slides taken on a recent visit to New York, where she visited the United Nations Building.

Film highlights at one meeting were slides and commentary by Miss Nancy Reid on her previous summer tour of Europe, where she attended summer school in Switzerland. At another meeting the members viewed slides and enjoyed the talk given by Mr. F. Harrop of Milton on his trip to South America. One of the members showed slides of her recent trip to the west coast including Seattle and World Fair buildings. Films entitled "The Sceptre and the Mace" and "The Song of Algon-

quish" were shown at the time of the Queen's visit to Canada. In the early spring, the Chapter members visited "The Weather-vane" at Rockwood, an unique antique shop operated by Mr. Donald Stewart, and featuring wove covers, Lion glass and furniture. The Regent's company invited the Chapter to tour the tannery, and with our guests the Lakeside members, we found it a most enlightening experience. The staff served refreshments afterwards. Donate Gifts The convener of Services at Home and Abroad shipped a carton of infants' and children's wear, hospital gowns made from men's shirts, and quilts to Headquarters. Also several large car-

tons of used clothing were taken to places of need. Christmas gifts were wrapped and sent to residents of Hillside Manor, County Home for the Aged. A donation was given to the recently organized Senior Citizens' Club. Other local donations were to the Halton Children's Aid, the Music Festival, the Decoration Day Committee, the Canadian Legion, and the Crippled Children's Fund. Donations to the National and Provincial Organizations were the Lucy Morrison Fund, Overseas Relief, Korean Project, Peace Garden, Film Fund, Commonwealth Fund, the Canadian Centenary Fund, and the Second War Memorial Fund. Money making projects were a
