The Chapter members attended Decoration Day Services at the cemetery where they helped decorate the soldiers' graves and those of 30 former members. Remembrance Day Services were also participated in with the Regent laying the wreath at the Cenotaph. The Sunday evening service of Holy Week was attended by many of the members. Special meetings for some executive members were those concerning the Centennial Project and those before and after Decoration Day.

Thank Regent

We sincerely thank the Regent for the many hours given to the Chapter's interest in her first year's regency. May the officers and members continue to lighten the load throughout the coming year.

As the World and especially the British Commonwealth mourns the loss of a great statesman Sir Winston Churchill, let us all as members of this Order help to keep the peace in the world, the hungry fed and clothed, and try to understand the prolems of those who are not so fortunate as we. Let us keep the memory of this great warrior alive, for some of the principles he fought so hard to save—,

One Flag,
One Throne,
One Empire.
