Leafs Whip Rangers 8-2

Leafs consolidated their position as top dogs of the Legion town league's midge section last Wednesday night, whipping Rangers 8-2.

It was the fifth victory for the Toronto squad who have a one game edge on Montreal. Rangers are winless.

Bill Fisher was the big gun for the winners scoring three goals, followed by John Dowling with two goals and an assist and Dan Hartley with a pair. Doug Garrett and Bill Hagen contributed a marker apiece with Ray Nellis collecting an assist.

Gerald Draycott and Stu Johnson fired the Ranger counters with Gord Van Gils assisting on the first and Draycott helping on Johnson's.

Steve Gov, Gord Van Gils, Ray Hibbard and Tony Hurst caught the referee's eye and served minor penalties.

Two Joes

In the interests of clarity we point out that Acton has two men by the name of Joe Hurst. A letter to the editor in last week's issue was properly signed by Joseph Hurst, 48 Mill St. who is a barber by profession. The other Joseph Hurst in Acton lives at 204 Arthur St. and is employed in the municipal office. While the correct name and address were attached to last week's letter, some confusion on the author's identity resulted from the like names. — The Editor

Economy was never this luxurious or luxury so economical

Chevrolet interiors invite you to discover just how luxurious a car can be. Chevrolet has what it takes to make you comfortable... loads of footroom, hip-room, shoulder and headroom. There's deep-twill carpeting, foam-cushioned seats finished with pattern cloth or long-wearing vinyl. And more... crank-operated ventilators, cigarette lighter, rear armrests with ashtrays. Check luxury — first item on the Chevrolet list of plus values!

Chevrolet's famous Turbo-Thrift Six starts up quickly. Puts 140 horsepower at your toe to give you snunk and savings. A full complement of maintenance savers, too. Chevrolet power — 1965's up to 400 hp — plus value!

Frameless curved sideglases and curved side pillars add to shoulder room, give a lithic, light look. And the new bonded-in windshield and rear window give more positive sealing, a smoother overall appearance.

Chevrolet's built-in "extras" give you lower maintenance costs, a higher price at trade-in. Like the rust protection from Chevrolet's flush-and-dry rocker panels, water entering the cowl inlet ventilation system, flushes out dirt and dust. Incoming air follows, dries the panel interiors. Like the inner front and rear fenders which do a great job of protecting outer panels. Add up all the pluses and you'll discover why Chevrolet is the most economically luxurious buy you can make.
