Tanners Drop 4-2 Decision Huskies Take 2-0 Edge

VOAA Int. C Back last night (Wednesday) by taking u 4.1 decision from the Tusters

The Huskies came from beblad a 28 first period deficit with three second period markers and another in the third to take the game in a fast, well played contest. The Yanners, shorthanded again for this one played as well as the Huskles but falled to put the puck in quency. Gerry Inglis. Wayne Bevison, Ugo Holzon and Ron Mellon were missing from the HAR-UD.

Blake Inglis rejoined the team and his playmaking inspired the Yanners in the first period when they potted the first two goals. Hinke sank the first from McKenzie and Junfor Resument at 1.28 of the first period with Schaler of the Huskies off for hooking. Fred Kenther made It 28 on the prottlest play of the night with Bauter and Farrelly. They pussad the puck around like a yer yo and Kentner took it at centre, deked a Huskle out of his skates and blasted a sizzler in.

second period, with Bev Allen pulling the string. Nison, and of Durham's best, set the play up drawing McKenzle and Hipplag the pill over to Allen who drilled it past Sweeney. Allen backhanded the next one in for Huskles at 14.30 tying the contest up. Nixon/made it 3-2 at the 19.10 mark

Nixon fired his second of the night at 8.83 of the third period to finish the scoring. Grant assisted. The Tanners, with only five players on the bench, run into a string of penalties which hindered their effectiveness in the third stanza. Jim Sweeney was sharp in the nets stopping break-aways. His oppoelte number, Schwindt, also played a steady game as well as being pretty lucky on some of the close-in drives.

The series resumes Friday in Acton with the Tanners pretty well having to post a win to stay in contention. They were a blg improvement over their I riday performance last night. With a full roster on hand they could pull a win out of the hag.
