Now for the First Time!

Make perfect crispy chicken without frying

Try Shake 'n Bake — the new COMPLETE COATING MIX that lets you bake crispy golden chicken, fish or chops in your oven! You get the same juicy meat inside a delicate golden crust that you're used to from pan-frying, but without pan-frying's problems.

The Shake 'n Bake package contains enough coating mix for six portions, plus two handy plastic shaker-bags. You just moisten the meat, shake them in Shake 'n Bake to coat evenly, and bake them in your oven.

What could be easier! There's no smoke, splatter or smell... no greasy pans or sticky bowls to clean, and no excess grease on the food. IT'S SO MUCH MORE CONVENIENT THAN FRYING!
