

New Zealand Slide Tour For Nassogaweya Ladies

Mrs. M. F. Mullin was hostess for the March meeting of the Nassogaweya Women's Institute. The president Mrs. W. A. Fraser opened the meeting with a poem "Friendship". The Ode and Mary Stewart Collect were repeated in unison. Roll call was "A Nelson County Industry". The minutes of the last meeting read by Mrs. J. B. Henry were adopted as read. Mrs. J. Fyatt presented the treasurer's report.

A sample of biscuits and a half apron are to be brought to the next meeting. Mrs. W. A. Fraser, Mrs. M. F. Mullin, Mrs. H. Price and Mrs. M. Moffat agreed to assist in the Cancer canvass again this year.

Mrs. M. Moffat and D. DeBlaw were appointed the nominating committee. The meeting was then

turned over to the agricultural convener, Mrs. D. DeBlaw. Mrs. DeBlaw read two articles. The Farmer and The Farmer's Wife and then gave some valuable pointers on how to achieve a successful garden.

Mrs. M. Mahon introduced the guest speaker Mrs. E. C. Moffat of Guelph. Mrs. Moffat took members on a tour of beautiful New Zealand by way of colorful slides. In her commentary, Mrs. Moffat explained that 65 per cent of the population engage in agriculture. One of the most interesting features of the tour was the description of the underground geysers which supply the electric power in New Zealand.

Mrs. Fyatt thanked Mrs. Moffat for an excellent program. The meeting closed with the Queen and Grace.

Ontario President is Speaker For May Halton Church Service

The Halton Junior Farmers are planning their annual Church and Pledge Hour on May 9 in the Knox Presbyterian church, Milton, at 7:30 p.m. Alex Connel, the newly-elected president of the Ontario Junior Farmers, will be the guest speaker. Proceeds from the service will be donated to the Crippled Children's Fund.

Later at the Pledge Hour, new members will take part in the induction service. Choir practice is held Tuesdays at 8:15 at the church.

Final arrangements were made for the Junior Farmers' formal dance at Paradise Gardens in Guelph on May 1. Everybody is cordially invited to attend.

This year, the Halton Juniors will be selling fire extinguishers in conjunction with the Farm Safety Council. Also included in their project is the sale of "Slow Moving Vehicle" safety signs.

Harold Thompson, who represented Halton Juniors at an Effective Speaking Course in December at Albion Hills, will be presenting a similar course to Halton's Juniors on April 26, May 3 and May 10.

This course will include impromptu speaking, parliamentary procedure, introducing and thanking speakers. Meetings will be held in the O.D.A. office, Milton, from 8 to 10 p.m. Harold graduated from this course and recommends it to anyone who wants to become a better speaker.

Welcome Delegates

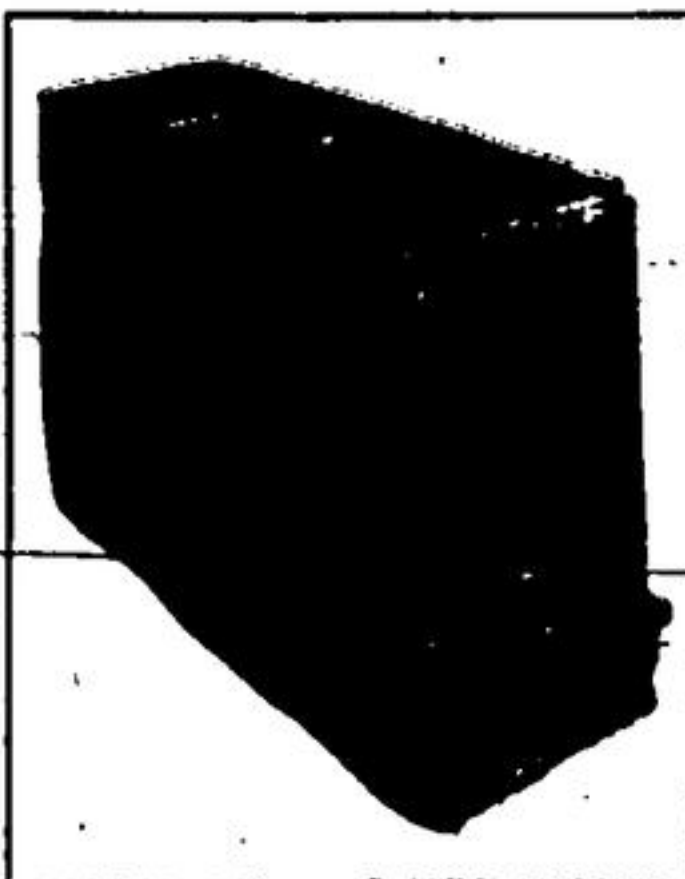

The overseas delegate from Wales to Canada will be staying in Halton for a period of two weeks, commencing May 28 to June 11. Patricia Mary Proctor is an outstanding young farmer from the British Isles.

The Provincial Drama Festival takes place on April 23 in War Memorial Hall on the University of Guelph campus starting at 8 p.m. Plans are being made for the Halton Junior Farmer field day, June 26.

At Kelso Hint Price Increase

There was a hint of increased admission prices for Kelso Conservation Area, at last week's meeting of the Halton Region Conservation Authority.

Members discussed increasing or changing admission charges to keep more in line with other conservation parklets, and to help cover a \$9,000 deficit on park maintenance costs incurred last year. Several ideas were discussed — including maintaining the per-car charge at the gate and adding a separate price for swimmers; simply upping the per-car price and changing the entrance way so museum visitors would only pay once if they just wanted to visit the Museum. It was left with the Conservation Areas committee to bring in a recommendation.
