

Clear Up Tax Error

A news report on Township of Nassagaweya 1965 tax rates, published in last week's paper, was misleading when the date heading on two columns of figures were transposed. If you read the double-column tax table and your tax bill looked like it was going up instead of down (as indicated elsewhere in the story) switch the "1964" and "1965" figures, and it will make sense.

To clear up the confusion the table is reprinted below:

	1965	1964
Milton high school, Milton fire area Res.	48.36	45.12
Milton high school, Milton fire area Com.	53.98	50.16
Acton high school, Acton fire area Res.	47.07	50.63
Acton high school, Acton fire area Com.	52.43	56.25
Milton high school, Acton fire area Res.	49.41	45.48
Milton high school, Acton fire area Com.	55.03	50.52
Acton high school, Milton fire area Res.	46.02	50.27
Acton high school, Milton fire area Com.	51.38	55.89
Campbellville residential	45.81	43.87
Campbellville commercial	51.43	58.91
Eden Mills Res., with lights	49.27	57.99
Eden Mills Res., no lights	45.27	53.99

A CHECK FOR \$500 was presented to the North Halton Association for the Mentally Retarded on Thursday evening by Arnold Gibbard, vice-president of the Ontario Association for Retarded Children and chairman of the Telenon Committee. The N.H.A.M.R. was the first association to take advantage of a loan system made possible by a TV telenon program of a few years ago. The Association borrowed money from the bank to build the Sunshine School and were backed by the Ontario Association. In total, interest on the loan amounted to \$720 but the Ontario Association made a profit on the investment gain and returned \$500 of this profit to the local Association. Mr. Gibbard is shown presenting the cheque to N.H.A.M.R. president Mrs. Peggy Treahy.

Cheque, Building Pave Way Retarded Adult Workshop

A cheque for \$500 from the Ontario Association for the Mentally Retarded and the verbal promise of use of a building in Hornbyville has greatly increased the chances for an adult workshop for mental retardates in the North Halton area.

At a meeting in the Sunshine School on Thursday evening, vice-president of the Ontario Association for the Mentally Retarded, Arnold Gibbard, presented a cheque for \$500 to the North Halton Association. The cheque was presented as a bonus to the local Association, because it was the first association to borrow with financial backing from a special reserve fund and was also the first association to completely pay back the loan.

Several years ago \$5,000 was borrowed from the bank by the North Halton Association and the Ontario Association backed the loan. The North Halton Association paid back the loan plus \$712 interest. The Ontario Association made a profit on the transaction and in return the cheque for \$500 was presented on Thursday night.

North Halton Association president Mrs. Peggy Treahy announced that the \$500 will be used for an adult retardate workshop. She

Acton Juniors Tour Tannery

Members of Acton Junior Farmers had a little different view of the cattle beast last night (Wednesday) when they toured the Beardmore and Co. Ltd. plant to see the manufacture of leather.

Headed by company officials, the group went through the entire plant to see the various operations and were fascinated to see the different processes of turning hides into finished leather for market. At the conclusion of the tour lunch was served by company officials.

Tire Blew

A car driven by William Van Dam, 87 Bower Ave., Acton, received \$300 damage in a single car accident on Highway 7 just west of the First Line, Esquesing on Saturday, when a tire blew. Milton O.P.P. investigated.

DAIRY BRANCH students and lecturers from Guelph University visited the Fryer farm south of Acton Monday morning to see the dairy operation and inspect the herd of Ayrshires. John Andrews, assistant fieldman, and Gord Johnson, area fieldman for Wellington County, inspect some of the dairy equipment with Wilmer Fryer.

50th Annual Sectional Meeting At Limehouse Church Thursday

The 50th annual sectional meeting of section two of Toronto West Presbyterian was held in Limehouse Presbyterian Church on May 6, with 92 registering. This was the first time it had ever been held there.

Mrs. Thomas Snow of Onagh and Mrs. Milton Bird of Georgetown were in charge of registration. Mrs. E. R. Thompson of Georgetown and Mrs. J. Whyte of Streetsville chaired the meeting with the theme "What doth the Lord require of Thee?"

Extends Welcome
Mrs. Mitchell, president of the Limehouse W.M.S., welcomed the visitors. The opening devotional period was taken by Mrs. Arthur Campbell and Mrs. Leslie Young

of Union and Mrs. Harold Michie of Boston followed with prayer. Milton invited the group to meet there in 1966.

Mrs. S. Lackie of Milton sang "My Task", accompanied at the piano by W. E. Robertson. The offering received by Mrs. Patterson and Mrs. Crichton, was dedicated to Mrs. McClure of Norval. Minutes were read by secretary, Mrs. George Julian, Brampton. Mrs. Duncan of Streetsville introduced the guest speaker, Mrs. Roy Gellately, a missionary on turlough and about to return very soon to the Calabar territory in Africa. She told of the problems and rewards of working there, and how their prayers had been answered when clinical supplies were greatly needed. She

also mentioned an amalgamation of the protestant missions work on December 11, 1965.

Marion Young thanked the societies for her trip to camp in 1964 and spoke of her experiences there.

Greetings from Presbyterian were brought by Mrs. S. A. Milne, B.A., president, by treasurer Miss A. Cheyne, by literature secretary Mrs. P. R. Pepper, by historian Miss M. I. Tew, and supply secretary Mrs. T. J. Joyce, all of the Toronto district.

Mrs. Alexander of Brampton expressed the appreciation of those contributing to the meeting. The Limehouse ladies served a delicious lunch downstairs afterwards.

Legion Notes

Another poor turnout was witnessed for Monday's general meeting and election of first vice president and secretary of the branch.

The vacancies, caused by resignations, were filled by John Lowe as our new secretary, and Marg Lambert as first vice president.

This is the first time one of our lady members has taken an executive position in the branch and we wish her and Comrade Lowe well in their new positions.

We all welcome our new steward, George Duncan, to our midst and hope his stay at the branch is a long and happy one.

Be sure to keep the evening of June 25th open for our couples' night. Featured will be an elimination draw and entertainment. More will follow on this subject in future columns.

Legion Minor Sports 50-50 draw winner for April was Jim McLennan of Acton. May's tickets are now on sale in the branch.

"IF A VETERAN, WHY NOT A LEGIONNAIRE?"

The North Halton Association for the Mentally Retarded has long had the reputation of leading the field in work with the retarded. Last year the Association, formerly called the North Halton Association for Retarded Children, had its name changed so that it would include all phases of work with the retarded. The Ontario Association followed suit in this year and changed its name in a like manner. It was formerly called the Ontario Association for Retarded Children.

Golden Age Club Numbers up to 82

The regular meeting of the Golden Age Club was held last Thursday afternoon in the Y with a very good attendance. Nine new members joined, bringing the total to 82 members.

A donation was voted to the Cancer Fund. It was decided to have an open meeting on May 20, each member to invite a friend to play euchre or bingo. A charge of 25 cents will be taken at the door to cover expenses.

After business was completed, everyone enjoyed playing cards and dominoes. The prizes for euchre went to Mrs. Kingsmill and Mrs. Miller, and for crokinole to C. Mason and Mrs. A. Shoemaker.

A delightful lunch was served by the lunch committee.

There was a tale — unverified — that some children had their first swim of the year in the pond during the early May heat wave.

Plant a seed of hope

By supporting the Retarded Children's Fund Campaign.

Mental retardation now affects half a million families in Canada. One is born every 25 minutes. It can affect ANY family regardless of race, color, creed or social standing. That's why it's up to all of us to fight this affliction. Do your utmost to understand and help this problem during Canadian Retarded Children's Week, May 9th to 16th by supporting the North Halton Association for the Mentally Retarded Campaign.

Bedding Plants

PANSIES, MIXED — Yellow, White; FORGET-ME-NOTS; CARNATIONS; SWEET WILLIAMS; PETUNIAS; ALYSSUM, White or Mauve; SNAPDRAGONS; SPANISH ONIONS, Etc., Etc. FRUIT TREES — EVERGREENS — FLOWERING SHRUBS — HEDGE PLANTS — ETC.

See our display on Willow Street at the rear of the Bank of Montreal.

HINTON'S 5¢ to \$1 Store

MILKING TIME at the Fryer farm south of Acton Monday was extraordinary when about 20 students and lecturers from Guelph University toured the dairy farm. Prof. Larry McKnight tries his hand with a milking machine as student Bob Tiffin and Jack Fryer watch. The Fryer farm is noted for its excellent production of cream and was chosen by the university for this reason.

IGA Conference In Puerto Rico

Mr. and Mrs. Dave Manes, of Ledgers IGA, Acton, flew to San Juan last week to take part in an IGA conference and advance study of food market operations.

Officials of The Oshawa Wholesale Limited, IGA supplier, said Mr. and Mrs. Manes were among the more than 300 IGA dealers and their wives who had been selected to participate in the conference because of an outstanding record of customer service and operational efficiency.

"Food retailing today is far from just keeping store. It has become an exciting science as we strive to sustain improvement of service and at the same time keep prices at the lowest possible level," said V. T. Barber, Oshawa's vice president, merchandising.

"By their constant dedication to the highest IGA principles, Mr. and Mrs. Manes have firmly established their qualification to participate in this advance techniques study. Their invitation to take part in the conference is recognition of this fact," Mr. Barber said.

The six-day conference was conducted by Dr. Lawrence Taylor, Vice-President of Hillsdale College, Hillsdale, Michigan, one of North America's outstanding authorities on human relations in retailing.

The IGA dealers flew to Puerto Rico in chartered Pan American jets and stayed at the Americana Hotel. In addition to participating in the business sessions, the dealers and their wives toured a number of the island's attractions including the old city of San Juan which dates back to Columbus' time, and the mountain rain forest.

Bible Society

A film on Africa was shown at the annual meeting of the Bible Society in Knox Church Sunday evening. M. M. Coles presided with Clarence Coles as secretary. Mrs. O. Moran played the piano for hymns. A representative of the Bible Society spoke to the group assembled representing various participating congregations.

Tree planting proved surprisingly difficult for a town gardener on the weekend. He hit rock-hard frost before his hole was deep enough to plant the tree.
