

Talks on "Brotherhood"

Ontario President is Speaker Junior Farmer Church Service

The president of the Ontario Junior Farmers, Alec Connell of Wellington County, gave a stirring talk on "brotherhood" Sunday evening at Knox Presbyterian Church, Milton, when over 100 attended the annual church service and friends of the Halton Junior Farmers.

Basing his topic on the fourth chapter of Genesis, and Cain's question "Am I my brother's keeper?" Mr. Connell urged the audience to remember it is their task to keep their brothers, and asked all to have faith in one another. "The true purpose of life is your concern for others," he said.

Charity cannot be conditional on time and money, sacrifice should be a daily practice, he warned.

Quartet Sings
Halton Junior Farmers president Joe Love conducted the service with Rev. J. K. L. McGowan assisting with prayers. Following the sermon a quartet, Joy Hay-

ward, Marilyn Reeve, Ruth Mason and Carol Freeman sang an appropriate number, "We Shall Overcome", the song of the civil rights group in the United States. During the service Jean Hunter gave a Scripture reading and Harold Thompson a prayer.

The Junior Farmer choir, conducted by Mrs. George Newell, contributed an anthem, "Praise" during the service. Members of the choir were Ruth Mason, Margaret Hunter, Diane May, Alison Harrop and Marilyn Reeve, sopranos; and Joy Hayward, Lois Hunter, Carol Freeman, Bev Dales, Verna Thompson, Wilma Mason and Jill Taylor, contraltos; Graham Reeve and Paul May, tenors; Joe Love, Brian Carill, Harold Thompson, Albert Blum, and Bob Kerr, basses.

Induct Members
A five-hour and induction ceremony for new members was held afterward in the Knox Church S.S. room. Earl Burt did guitar solos and Ruth and Ron

Break did guitar duets. Joy Hayward led a sing song and Ruth and Wilma Mason sang and played their accordion and guitar.

The mixed quartet, Murray Dawson, Joy Hayward, Ruth Mason and Joe Love, sang during the program. Choir director Mrs. G. Newell was presented with flowers and the rifle and relays teams that won honors at the Guelph conference last year were presented with pins.

Junior Farmer News Notes
The formal dance held at Paradise Gardens in Guelph was greatly enjoyed by all and we hope to have one again next year.

Norfolk County won both the Zone and Provincial Drama Festivals plus best actor and actress awards.

Carlton County exchange visit was cancelled until the weekend of July 10.

Plans are now in progress for the Halton Jr. Farmers' 50th anniversary this summer.

Palermo Jr. Farmers are holding their Variety Night on May 15 at the Fairview School in Lowville, commencing at 8:15 p.m.

Weigh Steers
On Saturday, May 8, ten steers were officially weighed for the Queen's Guinea's Competition. These steers must gain a minimum of two pounds per day during the next 150 days, to be eligible to compete in the Queen's Guinea's Class at the Royal Agricultural Winter Fair.

Nine steers from the Halton 4-H Beef Club were weighed at the farm of Mrs. W. H. Merry, Milton R.R. 5. These steers belong to the following 4-H members:

Doug Gardhouse, Larry Gardhouse, Jane Hall, John Haught, Bill Jackson, Mildred Martin, Peter Sweetman, Harold Thompson, and Verna Thompson.

Bill Lash of the Acton 4-H Beef Club has also entered this competition.

Of these ten steers, five are Shorthorn three are Aberdeen-Angus; and two are Herefords.

Weather Delays Seeding

Corn Growing in Halton County

The cool, wet weather during the past month has delayed work, especially on the heavy clay soils of Halton County. Crops are not going to be seeded as early as last year.

Corn acreage has increased very rapidly in this area of the Province over the past few years and will continue to increase. Early planting of an early maturing variety is a necessity. For each day's delay in planting, a loss of one bushel of grain corn per acre can be expected this fall.

Significantly, the feed value of the corn silage is reduced by a comparative amount. Clay soils cannot be worked when too wet or compaction of the soil results.

Thus the farmer should be certain that the planter is in top working order, and that the corn

and fertilizer are ready for sowing when good weather arrives.

An early maturing variety of corn is a necessity, especially in a year when seeding is delayed. The corn should be treated with a Diazinon-Lindane seed treatment to control seed corn maggots and wireworms. This is available at local feed stores.

Weeds Prevalent
Twitch grass and other weeds are taking over many corn fields this spring. It may be profitable to apply Atrazine 2 lbs active per acre as soon as possible, plowing and working the soil after a one week interval.

After planting the corn make a second application of Atrazine 2 lbs per acre before the weeds are over 1 inch in height.

This year the application of 1 1/2 gallons of a special emulsified oil is recommended along with 1 to 2 lbs active Atrazine per acre if

the weeds are from two to four inches in height. This addition of oil improves the kill of only those weeds that are above the soil surface at spraying time. Oil should not be used with Atrazine as a pre-emergent spray. Thus the oil can be used especially for rescue spraying where the early spray did not give adequate weed control.

Each girl will display her record book and a set of clothes closet accessories she has made. These will include a decorated hat box, laundry bag, covered hanger and shoe packs.

The morning program will include judging activities for the girls, and in the afternoon, each club will present either an exhibit, demonstration or skit.

All interested mothers and friends are invited to attend the afternoon program beginning at 1:15 p.m.

Whether your heart beats fast or slow is nothing to worry about as long as it's healthy. And one way to help keep it that way is to support your Heart Fund and its all-out program of research, education and service.

Complete Spring Project Achievement Day is Sat.

The 4-H Homemaking clubs of Halton County will hold their Achievement Day on Saturday, May 15, at St. Paul's United Church, Milton. The Achievement day will mark the completion of their spring project, "Clothes Closets Up to Date". About 100 girls from the eight clubs in the County will be present.

Each girl will display her record book and a set of clothes closet accessories she has made. These will include a decorated hat box, laundry bag, covered hanger and shoe packs.

All interested mothers and friends are invited to attend the afternoon program beginning at 1:15 p.m.

Whether your heart beats fast or slow is nothing to worry about as long as it's healthy. And one way to help keep it that way is to support your Heart Fund and its all-out program of research, education and service.

Seven Head Sell Over \$1,000 At J. W. Carney Dispersal Sale

Seven head brought at least \$1,000 each, ranging from \$1,050 to \$2,000 at the dispersal sale of the Carnaces Holstein herd of J. W. Carney, Georgetown, held May 3 at Oakville. The 68 head sold for a total of \$39,405 for an average of \$579 each.

Twenty-seven head were sold for export, five going to the U.S.A. and the balance to Latin American countries.

The top price of \$2,000 was paid by Robert W. Lowe Jr., Maple, for the "Excellent" cow, Cedar Drive Dolly Lass. Mr. Lowe also paid \$1,050 for the "Very Good" cow, Carnaces R. A. Mammie.

The highest price paid for a bred heifer was \$1,900. This was paid by Howard Tarzwell, Georgetown, for Carnaces Texal Rores, a daughter of Thornlet Texal Supreme, the All-Canadian aged bull of 1961.

The second high price for a bred heifer was \$1,400 paid by Alimpek, of Montreal, Que. This too, was for a Thornlet Texal Supreme daughter. Alimpek bought a total of 12 animals, these included a Very Good cow at \$1,225.

Hays Farms International, Ltd., Oakville, purchased another daughter of Thornlet Texal Supreme at \$1,200 for an unnamed Latin American buyer.

Thirty-one milking females averaged \$440 each, 13 bred heifers \$496, eight open heifers \$501, and 11 heifer calves \$441 and one bull, \$275.

Other good prices included \$600 paid by Barbara Royce, Oakville for a four-year-old cow.

Name New Teacher For Sunshine School

Mrs. Dan Hancock of Hornby, who has one year's experience as a volunteer worker at the Sunshine School, has been hired as a teacher on the staff. Mrs. Hancock replaces Mrs. J. Bert Wood of Acton who resigned recently because of ill health.

Mrs. Hancock started work as a member of the staff on May 1. She has musical training and will be able to assist principal Mrs. R. P. E. Jettares, by playing the piano.

If you're asking yourself **can I afford it?**

This message might provide a positive answer.

If a major purchase costs more than you want to spend, the Bank of Montreal Family Finance Plan might well be the difference between having it to enjoy and going without.

YOU CAN BRING ALL YOUR CREDIT NEEDS UNDER ONE ROOF.

The Bank of Montreal Family Finance Plan is the modern, economical way to take care of all your credit needs without putting a heavy strain on your pay-check. It puts cash in your hands for a new automobile, washing machine, TV set, wardrobe for your family - or for meeting emergencies and recurring commitments.

YOU CAN BORROW UP TO \$3500 AND TAKE UP TO THREE YEARS TO REPAY.

Many people don't know you can walk into any branch of the Bank of Montreal and arrange a large personal loan. Depending on your income, you can obtain up to \$3500 or even more. And you can repay your loan within three years through regular monthly payments geared to your income. Interest is low. All FFF loans are automatically life-insured to protect your family.

The manager of your nearest B of M branch can tell you more about the Family Finance Plan. See him today and be sure to ask for the free informative booklet: "How to Live on Your Income and Enjoy It".
