'For Sale' Sign Up on School

End of the school term marked another era in the history of Opreting school — as its doors closed, and all pupils will be attending the new school on the 2nd Line, above the village in September.

A "For Sale" sign hangs on the old two room school. The Department of Highways purchased the building and are auctioning it, with the purchaser to either move or demolish it by September 13, 1965.

Pupils of Mrs. N. Rathburn who is leaving the local school, presented her with a coffee carafe, as a parting gift.

Mrs. Clayton Hemler, Guelph, spent the holiday with her sister and brother-in-law D. G. and Mrs. Robertson.

Mr. and Mrs. C. Bouwman recently sold their house on the highway to Mr. and Mrs. W. Craik of Guelph; this was formerly the Hayward home. The Bouwmans moved to Guelph and we welcome Mr. and Mrs. Craik and Brian to the community.

Mr. and Mrs. Carl Geurhart of Columbus, Ohio, visited with Mrs. Thos. Fines and Doris.

Master Greg, Millon of Guelph is holidaying with Mrs. M. Jackson.

Miss Sharon Buck, nurse-in-training at St. Joseph's hospital, Guelph, spent the weekend at the home of her parents, Mr. and Mrs. Len Buck.

TAIL LIGHTS Have you ever really thought of the red tail-light ahead of you on the highway, as both an assurance and a warning? It assures you that you're not running up an unlighted vehicle and it warns you, that it may stop suddenly, or in fact, it may not even be moving. Don't forget that it could be your neighbour with a tractor so he won't be equalling your 50 miles an hour—he's only doing 15! So keep an eye on those tail-lights.

Silver Forks for 4-H Girls At Meeting of Limehouse W.I.

Limehouse Women's Institute held a combined June and July meeting in the Memorial Hall on Thursday evening, June 24, with the president, Mrs. Gisby presiding.

The meeting opened with the singing of "The More We Get Together", followed by repeating the Mary Stewart Collect. Roll call was a household product dangerous to children. The secretary Mrs. Turner read the minutes and also gave the treasurer's report.

\$500 was donated to the Red-tailed Children's Association and paint was ordered for decorating the outside of the hall. A rockery at the school was discussed for a centennial project, pending approval of the school board.

Mrs. Pearl Brown, catering convenor, reported on two Banquets and a wedding reception. Mrs. Gisby gave a few highlights of the district annual.

Mrs. Roughley, convenor of home economics, took over the meeting and two minute convenors' reports were given: home economics care in labeling of textiles, Mrs. Roughley; agricultural, MacIntosh apple, national fruit, Mrs. Noble; historical research, Salvation Army's centenary of militant service, Mrs. Kirkpatrick; public relations, the W.I. president of Stony Creek presented to the Queen at Buckingham Palace, Mrs. E. Brown.

4-H Girls Take Part Members were pleased to have the 4-H Club girls present at the meeting and take part in the program. Current events were well taken by Jos Patterson. Linda Lunham gave the motto, "Diligence is the mother of good luck", which was well prepared. The cereal shell being the club project, there were different kinds of muffins on display, gram, bran, wheat and wheat germ etc., also the club books.

Betty Ann Brown was commmentator and explained many different ways of using cereals.

Mrs. Roughley remarked, "Achievement Day comes to the 4-H Club girls after they have completed their courses. I would like to stress the importance of achievement in their young lives, and because they had excellent leaders, they finished their courses. Achievement means hard work for the leaders and the girls, as each year in a small way, we try to tell them we are proud of them, for they are a part of our community and Institute work."

It is the custom at this meeting to present each 4-H club girl completing a project with a silver fork. The presentations were made by Mrs. Gisby, who congratulated the girls, 10 in all, on finishing their project, and said some of the credit is due to their capable leaders, Mrs. Ted Brown and Mrs. E. Karn, who, for the club, presented Jos Patterson and Betty Ann Brown with a lovely cup and saucer. They had completed 12 clubs and received provincial honors in January. The girls were taken by surprise and thanked the club members.

Break Three-Week Tie In Pee Wee Boxla Tilt

Minor League action Saturday morning is reaching high gear and last Saturday a few upsets took place as Huntsville Hawks continued their winning streak with another victory over Guelph Mohawks in the Tynes league. Oshawa Green Gaels broke a three-week tie against Brampton Excelsiors in the Pee Wee league and Long Branch Castrols turned tables on Whitby Legionnaires in the Hamilton league.

Huntsville held their opponents scoreless until the third frame when Billy McGilloy dented the twice twice on lone of four's. Only penalty of the game was dished out by referee Harry Insock to McGilloy for high sticking. Holmes minding net for the losers, also came in for a tip of the hat with some mighty line saves.

Peewee League Scott Broese paced the Oshawa Green Gaels to a 6-4 victory over Brampton Excelsiors in the Pee Wee League with a three-goal effort and teammate Chiv Stewart and Jeff Cooper each tallied one.

Wayne Kelly and Brian Robinson each blanked the light twice for the losers and teammate Bill Fabian notching the fifth count.

For the losers, bad boys were Bill Fabian for high sticking, Wayne Kelly for interference and Robinson cooling off three times for slushing and high sticking.

Top honors went to Mason for scoring the winning goal and Harkley for outstanding goal keeping for the losers.

Marcoux opened the scoring for the winners in the first period and Turkoz' first two counters came in the second. Repeating his feat in the early stages of the third Turkoz again blanked the light twice with Mason ending the scoring with a combination play from Bob Braden notching two counters and Wayne Case a singleton.

Gary Turkoz led the losers in scoring honors with three and Harry O'Connor notching a single.

Banished to the sin bin for the winners was Jeff Gov for high sticking and C. Defts two counters for tripping. O'Connor cooled off for two minutes for the losers for cross checking.

Winning golden honors for the winners was Scott Broese for three goals and the losers Gary Turkoz with his four-goal effort.

Station Wallops Domtar 20-6 To Stop Big Winning Streak

Big Mel Shepherd left his coaching position on the Station Hotel bench Sunday afternoon to help teammates take a decisive 20-6 win over the undefeated Georgetown Domtar squad.

The Big "M" went into second as relief for Bob Shepherd who was benched with an injured arm hurt by a pitched ball. Vacation and shift work hampered both teams with Domtar showing up with just one spare man and the Hotelers were also short handed due to the same cause.

Eddie Phillips toting the slab for the winners turned in a 16 strikeout performance and came through with three big hits to spark teammates to the well earned victory. Up until the eighth inning Eddie turned back when he tripled for the losers.

The booming bat of Gord Spence counted for three runs eighth inning Eddie turned back when he tripled for the losers.
