

### Wedding in Toronto Of Interest Locally

A wedding of interest here was that of Jess Beatrice McDougall, daughter of Mr. and Mrs. Gordon McDougall, Toronto, formerly of Acton, to Gary Owen Gottschalk, Kingston, at the Church of the Messiah, Toronto, June 12. The bride is a secretary for the Canadian Churchman, the national paper of the Anglican church, and the groom is a printer for the Kingston Press.

Rev. A. A. Chole and Rev. J. D. Beatty officiated at the double-ring ceremony and Holy Communion. Ushers were David Beaton and the soloist Yon Coney. The bride has been a member of the church choir for many years and the choir asked to sing at the ceremony.

The bride wore a full-length silk organza gown with a train from the shoulders and lace appliques. Her three-layer tulle veil was held by a tiara of sequins and pearls. Her bouquet in the shape of a star, was of yellow sweetheart roses with greenery and green ribbon.

Matron of honor was Mrs. Freda F. Fragata and the bridesmaids were Miss Margaret McDougall, Miss Lois Gottschalk and Miss Wendy Smith, wearing floor length yellow silk organza and tulle gowns with matching headpieces and carrying bouquets of daisies and white baby wums.

The bride was given in marriage by her father, Groomsman was Glen Sim and the ushers John McDougall, Alex Ford, and Ian Coney.

The reception was held at the Wedgewood restaurant. Mrs. McDougall wore a blue brocade suit with a corsage of pink sweetheart roses and baby wums. The groom's mother wore pink lace with roses and wums.

The couple left on a trip to Cape Cod, the bride wearing a pink suit, a pearl necklace, the gift of the groom, and an orchid corsage.

They are living at 345 West Mount Ave. Apt. 102, Toronto 10. Wedding guests came from Battle Creek, Michigan; Sudbury, and Ottawa. There were several showers and presentations in Toronto.

### "Night to Remember" At Baptist Church

"A NIGHT TO REMEMBER" (Contributed)

The church life in Acton is largely reflected by the churches with the major memberships — Presbyterian, United, Anglican and probably the Christian Reformed. The smaller churches have a constant struggle for existence, a struggle that makes their faith the more precious to them.

The Acton Baptist Church is one of those small churches with a resident membership of about 52. Although the overall giving amount to about \$150 per member, of which \$25 per member is for missions, the cost and upkeep of the church today is a major item. Any increase in major expense can therefore, become a cause for concern.

Confronted with repairs totaling \$1,000, the church resorted to study and to prayer. Lloyd Bulmer was appointed to direct the matter; he said if all would respond, the amount could be subscribed in one meeting; the day was set for June 29.

About 85 per cent of the membership was present that evening and the remainder absent for understandable reasons. The meeting began with a spirited hymn singing. Three young folks from the Sunday school, all under eight years, recited the books of the Old Testament perfectly.

The chairman, Lloyd Bulmer, announced the purpose, but added no one was to feel impelled to give, but all who could, should give generously. Wilma Chapman recited on a blackboard the names of the givers. Gordon Ralston on another board ran up the totals as each gift was announced. Art Cooper ran the thermometer. George Harrap issued the receipts.

As each major amount — \$400, \$500 etc., was announced, a hymn was introduced, or a passage from Scripture, or a story. The amounts climbed rapidly but no gift was over \$100. One little girl who had recited the Old Testament books, gave 10 cents, which inspired an out-of-town friend to give \$34.90.

Then the \$1,000 was exceeded. Finally, it was \$1,200 and then the caretaker, who receives a modest honorarium, gave his fee for the next six months. With the amount of \$1,300 (increased to \$1,500 the next day), of which \$922 has already been paid, recorded, the meeting sang the Doxology and adjourned to the basement for the refreshments. Mrs. Helwig and her associates had prepared.

Few felt the amount could be raised on one night of a two hour and a half meeting, interspersed with singing and other numbers, but there it was. And best of all, every family present had responded for the good of the people. It was indeed "A Night to Remember."

## Generating Station, City's Waterfront Toured by 60 Halton 4-H Members

On Wednesday of last week, 60 4-H members from Halton County were accompanied by agricultural representative H. J. Stanley and associate representative John Cockburn and club leaders Ernie Alexander and John McNabb, on their annual 4-H business trip.

The morning was spent touring the Lakeview generating station in Port Credit. Before watching the generation of electricity from coal and steam, they viewed a film of the construction of the station, which will be the largest of all hydro stations in Ontario when completed in 1968 and which will have cost \$270,000,000.

Coal by the Ton During their tour, they saw the coal being unloaded from boats at the rate of 2,000 tons per hour, followed it to weigh scales and then to pulverizers which grind the coal to the consistency of talcum powder.

High fans then blow a mixture of warm air and pulverized coal into furnaces, where it is instantly ignited. The steam thus produced in the boilers is used

to turn the turbines which produce 1,200,000 kilowatts of electricity.

Room Through Park Following the tour of the generating station, they travelled to the Toronto Harbour Commission dock and were ferried across to Toronto Island. Despite frequent showers, an hour and a half of free time was enjoyed by the 4-H members, as they roamed the beautiful parkland of Centre Island.

A 90 minute harbour cruise in the afternoon showed the 4-Hers

the vastness of the Toronto waterfront. A commentary of points of interests was provided by a representative of the Public Relations division of the Harbour Commission. Halton 4-H members are much more aware of the economic importance of the shipping industry, as a result of this.

Host for the tour was the Kiwanis club of the Kingway. The Kiwanis club had made most of the arrangements for the trip and provided refreshments for lunch.

### Let's Beautify

## Centennial Farm Improvement

On the evening of Tuesday, July 6, the Halton Farmstead Improvement Centennial Project Committee, under the leadership of Elmer Foster, R. R. 3, Campbellville, made plans for the farmstead improvement centennial project competition.

The project is sponsored by the Halton Federation of Agriculture in cooperation with the Ontario Department of Agriculture. It is designed to encourage farmers to clean up, dress up and paint up their property, in preparation for Canada's Centennial.

Judges will inspect the farmstead this fall and again next fall, noting the improvements during the intervening year. The points that are considered are: the approach to the farm; yard around the house; the house; barnyard and barns.

Top Prize \$50 The winner in the Halton competition will receive \$50 with a

minimum of \$4 awarded to all entries. All applications are to be made to the agricultural office, Milton, by September 1.

It is hoped that there will be at least 100 entries in this competition. Let us beautify rural Halton.

### RABBIT SEASONS

Open season on rabbits for Halton County was announced this week. The season is open here October 20 and closes February 28, 1966. Bag limit is six per day for cottontail rabbits, and no bag limit is in effect for snowshoe or jack rabbits.

### PAY WAGES

When you travel in the woods — as a camper or fisherman — remember that Canada's forest resources pay salaries and wages of millions of dollars a year. And, please remember, that only YOU can prevent forest fires!
