Regional Jail ...

(Continued from Page One) visitor to municipal affairs minister W. J. Spooner, reported recently that a regional jail to serve Halton and Peel Counties would seem more realistic.

County jail facilities are presently located in Milton and it has been estimated they will be adequate for county needs for about five more years.

Members of the Administration on Justice Committee for the County are Reeve Coulter, Reeve Gordon Gallagher of Burlington, Deputy Reeve Austan Ledwith of Milton, Deputy Reeve Wilfred Leslie of Etobicoke and Deputy Reeve Roy Goodwin of Acton.

Mrs. G. Wallace Hostess to W. I.

A very enjoyable evening was spent at the home of Mrs. G. Wallace on July 7 by Greenock Women's Institute.

President Mrs. L. Trysenaar opened the meeting with the Ode and Mary Stewart Collett, Miss E. Pearen read the Scripture, Psalm No. 1 and then the Lord's Prayer was said in unison.

There were 14 members and one visitor present and the roll call was in keeping with the safety program of the evening.

The minutes of the last meeting were read and approved, also a financial report was given. Then Correspondence was discussed.

The ladies voted to put in a display at the Acton Fall Fair and the subject would be "Harvest Festival".

Mrs. G. Wallace, who was safety convener for the evening, introduced Mrs. G. Hargrave of the St. John Ambulance Brigade of Acton, who gave a very informative talk on First Aid. Mrs. E. Johnston presented Mrs. G. Hargrave with a small gift for coming, also a donation of \$5 to the St. John Ambulance from the Institute and thanked her for coming.

The meeting closed with the singing of the Maple Leaf Forever and a very tasty lunch was served by Mrs. K. Eckerich and Mrs. C. Allan. Mrs. J. Thompson was social convener for the evening and thanked the lunch committee and Mrs. G. Wallace for the very nice evening.

Works Tour

Thursday of last week members of four neighboring townships took a trip by Tyler's bus to Amherstburg, where they saw the manufacture of flake calcium for use on roads, and to Harrow where the liquid calcium is made.

The foremen, sub-foremen and some of the workmen from Evesham, Nantawaga, Erin and Eramosa townships also enjoyed dinner together at the Iroquois Hotel in London.

Pigs to Crafts Alter Building

At Halton County's museum in Kelso Conservation area, another building is being prepared for exhibits. The former pig pen on the Duff Alexander farm is being extensively renovated and is already renamed the "crafts building".

With new walls and floor the pigs are ousted forever. In their place will eventually be a display of pioneer crafts.

The second floor of the barn has a partial new floor now and there will soon be exhibits up there.

Donations Increase For Memorial Fund

More than \$250 has already been donated to the LeRoy Inglis Memorial Scholarship Fund in memory of LeRoy Inglis an 18-year-old Campbellville boy who was killed in a motor-cyclist automobile accident recently. Fund chairman Mrs. J. Wheelchian announced that the fund will accept donations Labor Day.

The scholarship will be presented to a grade 12 special commercial student with the first award being made at the Milton District High School's commencement exercises this year.
