Hi Neighbour! Service Coming

Mrs. Laura Dittich has been named branch manager for the Hi Neighbour welcome service, and has been accompanying Georgetown greeter Mrs. Katherine Cordaro on her rounds there to gain experience. Mrs. Dittich took a course in June at the Royal York Hotel, Toronto, where she learned about the all-Canadian organization which she represents.

"It's a good thing for the merchants and for promoting community activities," she says with enthusiasm. She will represent various merchants and groups when she begins to call on new newcomers to town she can learn about, from a variety of sources.

Although the town already has a Welcome Wagon service, Mrs. Dittich has been told the two groups operate in the same area very well.

She expects to continue assisting in Georgetown as well as looking after all of Acton.

Busy Summer
Mrs. Dittich is just now finding time to begin the new project after a very busy summer as secretary of the Hockey Valley School at Orangeville. She will continue to work perhaps two days a week during the winter for that organization.

School officials are delighted with the recent decision of Homes' Rd. Ministry to build the school a permanent headquarters in Toronto in the Markham Street Village district. Work on the three-storey building is underway. Classes in drawing, painting, sculpture and crafts will be open to anyone there, all year round. Mrs. Dittich will work there when the project is completed, part time.

Mrs. Ann Mowat and Miss Helen Holmes, touring Europe this summer, by chance encountered Miss Shirley Cohen of Acton in London, England!
