

MR. AND MRS. KENNETH AULIFFE AND WEDDING PARTY ON AUGUST 14

— David Pullan Photo

## Anette Jensen, Kenneth Auliffe Wed at United Church August 14

In a double-ring ceremony in Trinity United Church, Acton, on August 14, the Rev. A. H. McKenna united in marriage Anette Bente Jensen and Kenneth Bryan Auliffe. The church was decorated with baskets of white glads and red carnations for the double-ring ceremony, with white mums and white bows at the altar.

The bride, employed at the P. L. Robertson plant, Milton, is the daughter of Mr. and Mrs. Christian Jensen, 66 Cook St., Acton.

The groom, an employee of Eastern Steel Products, Preston, is the son of Mr. and Mrs. Herbert Auliffe of R. R. 1, Hespeler. George Elliott played the organ for the marriage.

Carried Roses  
The bride wore a full length gown of organza over taffeta with scalloped neckline, lily-point gloves, bodice of lace over taffeta and a train of lace and organza falling from the shoulders. Lace also accented the full skirt of the dress. A high crown of pearls and sequins held her full veil with scalloped edge. She carried a cascade of red roses.

Matron of honor was Mrs. Reg Coverdale, a sister of the bride, and the bridesmaids were Miss Helen Benton and Miss Doreen McKelvey, friends of the bride.

Wine Yellow  
They wore floor length gowns of yellow chiffon over taffeta with Empire waistlines and layers of yellow lace on the sleeves and boat necklines. Completing their ensembles were elbow length white gloves, yellow satin shoes and yellow rose hats with yellow veils.

The matron of honor carried a bouquet of yellow and white mums, while the bridesmaids carried white mums.

Flower Girl  
A niece of the groom, Miss Karla-Marie Auliffe, was flower girl wearing a dress similar to the bridesmaids with a yellow crown. She carried a basket of white and yellow mums.

The bride was given in marriage by her father, Groomsman was a friend, Randy Daly, and the ushers were Reg Coverdale, brother-in-law of the bride, Milton and Brian Barbeau, Toronto, a friend.

David Auliffe, nephew of the groom, acted as ring bearer.

Cash Reception  
The reception was held at the Treanor in Guelph, when guests were welcomed from Prince Rupert, B.C., Hamilton, Ancaster, Dundas, Oakville, London, Aurora, Georgetown, Toronto, Free-

ton, Guelph, North Bay and Acton.

The mother of the bride wore a floor length gown of gold peade soie with matching jacket of lace with green and gold accessories. Her corsage was of bronze talsman carnations.

The groom's mother chose a blue taffeta floor length gown with white accessories and a corsage of pink carnations.

Live in Preston  
The couple left on a trip to Cape Cod, the bride wearing a pale blue two-piece suit of rayon crepe accented with white lace at the neckline and cuffs, a white pillbox hat and accessories with a large white orchid.

They are making their home in Preston.

Special Events  
Several showers and special events were held for the bride.

Mrs. E. Easterbrook and Mrs. L. Auliffe, aunts of the groom, held a miscellaneous shower on June 30 at the home of Mrs. E. Easterbrook.

Mrs. Wm. Jackson and Mrs. S. Medley, sisters of the groom, and Mrs. C. W. Auliffe and Mrs. R. A. Auliffe sisters-in-law of the groom, held a kitchen and cup and saucer shower on July 7 at the home of Mrs. Wm. Jackson.

Miss Helen Benton held a miscellaneous shower on July 28 at her home in Acton. She is a friend of the bride.

Mrs. Ron Coverdale of Milton, a friend, held a pantry shower on August 10 in her home.

A stag was held for the groom on June 30 by Lloyd Auliffe and Elias Easterbrook, uncles of the groom. A stag was also held for the groom on August 12 by friends of the groom in North Bay.

Parents of the groom entertained in their home following the rehearsal.

### Keep in Good Shape

#### Offer Auto Trade-In Hints

The time to begin thinking about trading in your automobile for the best possible deal is when you're signing on the dotted line for it new.

Two tangible things you can do at that time will make your car more valuable when you trade it in two or three years hence. One is to buy and install seat covers. These need not be expensive, but when they are removed at trade-in time the upholstery will have that fresh, clean look that appeals to both dealer and prospective purchaser.

The other is to buy a tube of bar of touch-up paint of the proper color. This can be used to cover minor scratches and stone nicks before they develop into troublesome and unsightly rust areas.

Wax Often  
Keep the car bright and good looking by washing it every other week and waxing it thoroughly each three or four months. Waxing is particularly important in the spring. It protects the finish against dust and abrasive dirt left over from winter and from highway construction. Don't use a dry cloth or dry paper towel to clean your windshield. Such constant "dry cleaning" will fill the windshield with minute scratches, making it look old before its time.

Check your driving habits. Deal on today put little stock in how much mileage shows on the odometer. They know from years of trading that a well-driven car with 50,000 miles on the odometer can be more saleable than the same year, make and model with only 25,000 miles showing.

Drag-strip starts, screaming stops and hard cornering can depreciate your automobile rapidly.

Give attention immediately to even minor ailments in your car. "Upkeep failure" contributes to thousands of automobile breakdowns each year. If you keep the faults corrected, you won't be embarrassed at trade-in time by the car refusing to start when

the dealer tries to take it out for a road test.

When it comes time to trade in your car, here are other tips that will add to the dollar figure you can get:

Vacuum the entire inside of the car and give the trunk a good going over. Check the floor covering and replace any torn mats. Use quality fabric cleaner to remove any dirt and stains from the upholstery. Don't forget the headliner ("ceiling") of your car. Clean and wax all interior chrome and other metal parts.

Be sure any "extras" — such as radios — are in working order. The value of such extras at trade-in or resale time is debatable among dealers. Some say many drivers don't like car radios. Others say car radios are so common now that a man buying a used car without one sometimes feels cheated.

Give the car's exterior a thorough washing and let it dry completely. Then check to discover any scratches or nicks you may have overlooked in your regular maintenance, and use your touch-up paint on these.

The dealer will inspect the upholstery, the headliner, back of the front seat, floor mats and trunk. If everything looks shipshape, your trade-in allowance is going to go up.

The dealer wants a presentable car he can put on his used car lot right away. The longer it sits around waiting for refurbishing by his own mechanics, often so busy with regular customers they can't get around to it for two or three weeks, the more the car depreciates.

### Art Display

Members of the art class will be displaying some of their paintings in a booth at the fall fair. They'll be glad to accept names then of anyone who'd like to attend the regular weekly classes.

### W.I. Meeting Hears Student

Master Ricky McEnery spent a week with his little friend, Brent Thompson at Belwood.

Mr. Chester Swindlehurst is building a new house on his farm at the Sixth Line.

The W.I. met at the home of Mrs. Ray Swindlehurst on Wednesday night. The president, Mrs. Robert McEnery opened the meeting with all singing the Opening Ode and repeating the Mary Stewart Collect in unison. Roll call, answered by 15 members, was "Recall a famous name in the news of the year."

Following the minutes, a short business session was held. Final plans were made for displays at the different fairs.

Mrs. Frank Smith, convener of education, took over the meeting. Mrs. R. B. Kirkwood gave current events and Mrs. Ernie McEnery the motto, "Knowledge is golden, the weight light."

Mrs. Smith introduced the guest speaker, Andy Spiece, a student of Georgetown High School who won himself a trip sponsored by the Rebekah Lodge to the United Nations along with 30 other students from Ohio and Ontario. They were taken on tours of Ontario and Washington, the United Nations building and the World's Fair.

Mrs. Kirkwood, courtesy convener, thanked him for coming and giving such a wonderful talk. The meeting closed with The Queen and the W.I. Grace, after which the social committee served a lovely lunch.

### New School Opens Tuesday 225 Pupils Arrive by Busloads

A long awaited event was climaxed on Tuesday morning when buses brought over 225 pupils to the new Ospringe Public School on the Second Line.

The staff comprises Bruce Macpherson, principal, who will teach grades 7 and 8; Mrs. Nelis, grades 6 and 7; Mrs. C. Dennis, grades 4 and 5; Mrs. J. Sinclair, grades 3 and 4; Mrs. A. Royce, grades 2 and 3; and Mrs. D. Corrigan, grade 1.

Workmen are completing the demolition of the old school on the highway. Walls are all down and the final stages of clean up are now being done.

Mr. and Mrs. Mann and family have returned to their home in Toronto after spending the holidays at their farm on the Second Line.

Bonnie Weeks, who passed grade 9 in June, will be entering Alma College in St. Thomas when classes start September 9.

Mr. and Mrs. Ed Stewart, Randy and Jeffrey, spent the week end at Wasaga Beach.

Miss Nancy Bullock, who has been employed in Guelph for some time, has changed jobs and will now be working in Brampton.

Mr. and Mrs. William Klumpenhouwer and family, who have been living in the Griffin house at the corner of the Fifth Line

and the highway, moved last week to the farm they recently purchased at Gowans town near Listowel.

Sold Park  
Mr. Tom Phelan has sold his parkland on the First Line known as Holiday Park to a buyer from the Toronto district.

Mr. John Sim of Toronto spent the week-end with Mr. and Mrs. D. Stewart.

Mrs. C. Humber of Guelph visited with her sister and brother-in-law, D. G. and Mrs. Robertson.

Frank Howe, who has spent the summer holidays with Mr. and Mrs. William Wragg, Third Line, returned to his home in Guelph on Monday evening.

Fourteen members and several visitors were present at a meeting of Ospringe Women's Institute held at the home of Mrs. Stan Fuller, when Mr. P. A. Gilford, a member of a law firm in Guelph, was guest speaker, his subject being "Making a Will".

The speaker started his interesting discourse with the statement, "Where there's a will, there's a way." Under four subtitles—What is a will? What does it contain? Should one make their own? and Why should a person have one? he gave helpful and enlightening information. A question period followed when Mr. Gilford answered many questions put forth by the ladies.

Mrs. George Fletcher, program convener, introduced the speaker and Mrs. A. McCrae voiced the thanks and appreciation of all.

Miss Doris Fines presided and Mrs. C. Storey read the minutes, financial statement and numerous letters that had accumulated during the summer recess.

Letters of thanks were received from Ruth Faulkner and Bernice Klooster for the awards they had received from the Institute; Miss D. Fines and Mrs. C. Hutten were named as leaders for the fall project, "Sleeping Garmets", of the 4-H Club.

Roll call was answered with a current event. A reading, "A Housewife's Recipe for Cooking a Husband" by Mrs. H. R. Howard was quite humorous.

Gail Fuller entertained with several accordion selections. Mrs. Fletcher conducted a speaky and comical game to conclude an enjoyable evening. The hostess, assisted by Mrs. H. R. Howard and Mrs. D. G. Robertson, served sandwiches, fruit bread and cake and a social time was enjoyed.
