

**WALTON MANOR**

**25 Barbershoppers Entertain At September Birthday Party**

Rev. J. K. L. McGown came to the chapel of the Manor on Sunday afternoon, September 12 to conduct the second church service in the regular schedule that will prevail until the spring of 1966. Mrs. John Mowat came also to play the organ. Mr. McGown is the minister and Mrs. Mowat a member of Knox Presbyterian Church in Milton.

Young Lee, whose home is in Seoul, Korea came also to play his violin during the service. Mr. Lee is a member of a Presbyterian Church in Seoul and also a violinist in the Seoul Symphony Orchestra. He is attending university in Canada. He played two lovely violin solos, the well-known hymn "Blossom Assurance" and Home, Sweet Home, with variations.

**Love and Charity**  
Mr. McGown took the material for his sermon from Chapters 12, 13 and 14 of First Corinthians. These chapters speak of "charity" which Mr. McGown explained as meaning "love". He spoke particularly on the subject: Love is invincible.

Mr. McGown said that invincible Christian love should be found in every Christian and the situations in which he finds himself today. All the Christian virtues mentioned in these chapters of Corinthians are meaningful until they are associated with Christian love. These virtues that describe this kind of love are real by a description of Christ himself to possess Christian love, a person must be possessed by Christ.

**Birthday Party**  
An evening of raising vocal music, sung by 25 men who belong to the Georgetown chapter of Barbershoppers, was provided for the residents through the kindness of Verdun Rebekah Lodge of Georgetown at the September birthday party held on Tuesday evening, September 14.

The Rebekah Lodge mentioned was represented by a group of very friendly members, among them the Noble Grand, Mrs. E. Eason and the Vice-Grand, Mrs. J. Barton. Mrs. Eileen Johnson was the convener.

Mrs. Barton called the Barbershoppers to the stage and intro-

duced them to the audience. The Barbershoppers then presented a very fine program. Jim Turnbull announced the selections and David Morgan was the talented director.

For their first song, You're as Welcome as the Flowers in May, to the last one, Keep America Singing, their choice of songs and the manner in which they sang these delighted the audience. Among the songs sung by the Barbershoppers as a group were Give My Regards to Broadway, After Dark and Mary O' Mine. They also sang My Gal Sal which will be the test piece at a competition to be held in Hamilton this fall.

**Describe Growth**  
A brief talk describing the growth of Barbershop music in the last 30 years was given by "Steamer" Emmerson. Mr. Emmerson then called on the other Barbershoppers. Jim Turnbull, D. Morgan and G. McKnight to join him in a quartette selection, Kentucky Babe. A special version of Let Me Call You Sweetheart, with the audience joining in was directed by Charley Kelly.

At the conclusion of the program, the guests of honor, those residents having birthdays in the month of September, were invited by Mrs. Barton to take their places at the head table. These were Mrs. I. Hills, Mrs. F. Hoare, Mrs. M. Shaw, Mrs. J. Mason, Mrs. A. Boss, Mrs. P. Green, Mrs. M. Forbes, M. Hargreaves and J. Golden.

Each guest of honor received a birthday card and a \$1 bill. The Happy Birthday song was sung for them by the Barbershoppers.

**Donate Lunch**  
The head table looked lovely with its centre bouquet of dark red roses, flanked by two other bouquets of other summer flowers. The refreshments were delicious - sandwiches, a wide variety of fancy small cakes, ice cream and birthday cake, all donated by the Rebekahs, and tea and coffee.

The Rebekahs of Georgetown have entertained the residents of the Manor on several occasions and each occasion has been a very enjoyable one. The residents hope that there will be many more in the future.

COLOR PARTY with the Guelph Royalaires marched ahead of the band in the Fall Fair parade setting a lively pace. The band staged a demonstration in the park afterwards which attracted a large crowd of fair visitors.

**Classes for Expectant Parents Give Knowledge, Understanding**

A series of nine weekly classes for expectant parents will be conducted again this year under the direction of the Public Health Nursing Service. The first series of classes this year will start on October 5 at 7 p.m. at the Halton County Health Unit, 155 King St., Milton. Halton's director of nursing Miss Grace J. Leavey reports.

The classes are designed to assist parents to anticipate the birth of a baby with confidence through knowledge and understanding. Miss Leavey notes, "Many parents recognized the need for this knowledge to prepare them for the responsibilities of parenthood, and they are becoming increasingly aware of the relationship of health to successful, happy living."

**Sign Request**  
A signed request by the family physician is required for registration. Relaxation and breathing techniques are demonstrated to assist the mother to carry her baby with the least discomfort.

"In our home visiting program, our Public Health Nurses offer instruction and guidance to mothers who find it not possible to attend regular classes. We hope that through our efforts and efforts of others concerned with this group, we have made significant contributions toward

**IOU of Fire**

Every ten years, wasteful Canadians run up a staggering IOU in fire destruction of more than \$1,000,000.

Every Canadian in the long run has to chip in and pay off the debt, through insurance premiums. Else the victims take it on the chin.

An obligation not so easily squared is the terrible human toll of life by fire - more than 5,000 victims, the bulk of the dead being children and the aged.

It's worth thinking about.

**CARS DAMAGED**

Cars driven by Milton and Acton men received \$500 total damage in a collision at the Highway 255 Sidewalk north of Milton in Toronto Sunday evening. Milton OPP said the drivers were Richard Rowley of 182 Broadway St., Milton, and Peter Huncmuk, 34 Mill St., Acton.

**HALTON CO-OPERATIVE MEDICAL CARE PLAN**

**PAYS**

- \* All Surgical Operations
- \* Doctors' Calls Paid from First Visit
- \* Confinements
- \* Anesthetists' Services

**All for \$25 Water Pail Puts Out Fire Which Snuffs Out Four Tots**

Would a mother leave small children alone in a closed garage, playing in a car with the motor running? Hardly likely. And yet four tots were asphyxiated by a smoldering fire in a chest of drawers when they were left alone. Smoke brought death to the children in an estimated 45 minutes.

Officials suspected a defective lamp cord as being the trouble. It is grimly ironic that this fire did only \$25 damage and was quickly extinguished by the fire department using only a bucket of water.

**Now You Know**

Hold an unlit match level with, and an inch away from a candle flame. The match doesn't light. But hold the same match four inches directly above the candle flame and the match ignites.

Flames rise and so do the deadly combustion gases. Now you know why one of the firefighter's first jobs at a burning building is to chop a hole in the roof. It's to let the superheated gases out.

**PROCLAMATION**

WHEREAS authoritative statistics compiled and published by the Dominion Fire Commissioner show that during the past ten years, 815,000 fires in Canada have taken five thousand, five hundred and eight lives, seriously injured at least sixteen thousand other persons and destroyed property valued at one billion, one hundred and ninety million dollars.

AND WHEREAS such losses are increasing year by year;

AND WHEREAS humanitarian and economic considerations imperatively demand that improved fire prevention measures be undertaken to prevent this economic waste and tragic loss of life in order that the nation's prosperity may be maintained;

I HEREBY PROCLAIM Sunday, October 3, 1965 to Saturday, October 9, 1965.

**FIRE PREVENTION WEEK**

In the town of Acton and urge all citizens to assist the Acton Fire Brigade in seeking to avert fires on their own property.

LESLIE A. DUBY,  
Mayor.

Sept. 30, 1965

**Fred Melick, milkman, got a Scotia Plan Car Loan - \$1900 - overnight**

Mr. Melick needed a better car - badly. But where could he get the money he needed to buy a newer car? Fortunately for Mr. Melick he thought of The Bank of Nova Scotia. He went to his nearest Scotia branch and answered a few quick questions about his job, income and how much money he needed.

**OVERNIGHT** Fred Melick knew he would have the money he needed to buy that car. And this is not an unusual case. Of course this actual customer was not named Fred Melick, but there are more

and more people with all kinds of names and jobs coming to The Bank of Nova Scotia to have their money problems solved - quickly. Why don't you?

If you are worrying about your old car - if you want a new car - then get yourself a Scotia Plan Car Loan. The cost is low - you get life insurance at no extra cost - you get the same low cost for all makes and models of cars - and you get the speed of service that makes your money problems disappear - fast. How much money do you need?

**LET'S PLAY BRIDGE**

By Bill Cooke

This week, I would like to present a hand that contains an interesting point on the bidding. According to Goren, when you can make game in your own hand, you should start with a bid at the range of two. Two bids forcing to game is part of the standard American method of bidding.

There are two types of hands on which you could possibly make 10 or 11 tricks in your own hand. One is a hand rich in high cards, usually 26 or more points. The only problem here is to find the "best trump suit." These hands are admirably suited to an opening two demand bid. The other type of hand is one in which you have a long suit. The only trouble with these hands is that if you have a long suit, the opponents are likely to have a long suit also.

One of these monsters occurred at a local tournament in Kitchener. Here is the hand.
