

**HALTON MANOR**

**Tells Story of Lepers At Service in Chapel**

The third church service in the regular schedule of church services that was resumed on the first Sunday in September, was conducted by Rev. Dr. T. M. Distan, rector of Grace Anglican Church in Milton on Sunday afternoon, September 19. Mrs. Ray Waters was the organist. Dr. Distan read two passages from Scripture as Scripture lessons. These were Psalm 138 and verses 11-19 of Chapter 17 of St. Luke. Having explained that this current Sunday was being widely observed as Leprosy Sunday, Dr. Distan gave a brief history of this disease and described the interdenominational mission whose function it is to look after lepers throughout the world. He went on to say that in these verses from St. Luke's Gospel we learn about the nine Jewish lepers and the one Samaritan leper that Christ healed. Nine of them went on their way without expressing any gratitude to their Healer. There is no greater gift that we can give to God than a grateful heart and all of us should express thanks to God for all our blessings.

**Legion Bingo**

Another very enjoyable bingo evening to be added to the list of bingo evenings already provided for the residents by the Ladies' Auxiliary of the Milton Branch of the Royal Canadian Legion was conducted by four ladies of the Auxiliary on Wednesday night, September 22. Mrs. K. Boughton performed the double duty of convener and caller in very competent fashion. The handicapped were assisted by Mrs. W. Bassett, Mrs. J. Murdock and Mrs. A. Wheeler. Twelve games were played and 17 prizes, all donated by the visitors, were awarded. The last prize, a \$10 bill, was given as a special prize for a full card and was divided among four winners. Mrs. A. Collier, Mrs. G. Burnell, J. Begley and J. Sullivan. Mrs. Collier also won two of the regular prizes and Mrs. Burnell and Jim Begley won one prize each. The remaining regular prizes were won by Mrs. M. Harvey, Mrs. A. Agnew, Mrs. M. Forbes, Mrs. A. Boss, Mrs. B. Hartlen, Mrs. B. Lantz, Mrs. E. Flaxman, Mr. Hargreaves and Vernon Reynolds.

Special prizes, distinct from the bingo prizes, were presented to some residents having birthdays in the month of September. These were Mrs. E. Hills, Mrs.

A. Boss, Mrs. M. Forbes and Jim Begley.

The evening was a warm one and the refreshments were very delicious and appropriate, fruit bread and ice cream provided by the Legion ladies and cold drinks provided by the Manor.

The residents look back with a great deal of pleasure upon the long list of bingo evenings that the Legion ladies of Milton have arranged for them and hope there will be many more.

**Story of Schweitzer**

An interesting and informative sermon - story, a lovely melody of sacred selections played on the organ and a very fine vocal solo were all included in a church service conducted on Sunday afternoon, September 26, by Rev. J. L. Graham, minister of St. Paul's United Church in Milton. The organ medley was played by Mrs. H. Magee, organist at St. Paul's Church. It included such lovely favorites as "The Lost Chord, My Task and The Stranger of Galilee. The very fine solo, Malott's setting of "The Lord's Prayer" was sung by Mrs. D. Ervin, who is a member of the choir at St. Paul's.

Mr. Graham's Scripture reading was verses 9:11 of Romans. This was followed by his sermon-story of Dr. Albert Schweitzer, who had died at Lambaré in Africa a month prior to the date of this service.

**Miracle Worker**

Mr. Graham described Albert Schweitzer's career as a fine young organist and composer, and as a student at Strasbourg University. He told of how he became a university professor of philosophy but gave up his professorship to study medicine.

His father, who was a minister of the gospel, had often spoken in his sermons of the needs of the people in Africa and as a result, Dr. Schweitzer's hospital and medical centre were opened in Lambaré in Africa in 1913. The sick came in great numbers to be helped and in time, they gave Dr. Schweitzer the name "Dr. Miracle Worker." As his fame spread, contributions came in from all over the world and Lambaré became a well known word.

A number of men and women residents attended the Milton Fair, September 24-25, through the kindness of the Fair Board and were very grateful to the directors for this pleasant outing.

MEET THE NEW 1946 PLYMOUTH, featuring crisp new styling treatment with a sleek and sassy look. The Plymouth Sport-Two-door hardtop, shown here, is one of 32 Plymouths available for 1946. Four new models have been added this year in the Fury series, and classic contours have been used to dress up the exterior appearance.

**Deputy Minister Speaker**

**Conservation Club Hold Banquet**

The Halton 4-H Conservation Club, one of only three such clubs in the province, held a successful banquet Saturday at the United Church, Hornby, to conclude the year's activities. This banquet was partially sponsored by the Halton Region Conservation Authority, and was chaired by George Atkins, C.B.C. farm commentator, and member of the Authority.

Guests were: Ralph Sherwood or Arkell, chairman of the Authority; Roger Thompson, Director of Junior Extension, Toronto; John Cockburn, Acting Agricultural Representative in Peel County; Vernon McArthur, Halton County Weed Inspector; and Doug Mac-

donell, former Assistant Agricultural Representative in Halton.

Following a turkey dinner, Verma Thompson and John McGee presented their 4-H demonstration - "Our Solution to Water Pollution" which placed second in competition at the Canadian National Exhibition.

**Sell Water in U.S.?**

Guest speaker T. R. Hillard, Deputy Minister, Department of Energy and Resources Management, Toronto, stressed the great importance of water. He stated that we have adequate amounts of water if the problem is the proper distribution of it. He told the 4-H Club members,

that in the near future they might have to decide on the sale of water from this country to the United States.

Each club member then spoke on his or her 4-H project. These projects varied, from the maintenance of a farm pond, a study of the life cycle of the white tailed deer, the land use planning of a farm, the establishment of a wind break, record keeping on amounts of rainfall and depth of water table, to the water requirements of plants according to their environment.

It is hoped that 4-H Conservation Clubs may be offered as a 4-H project across Ontario in the future.

**John Cockburn Works in Peel**

John Cockburn, the Associate Agricultural Representative for Halton and Peel counties, is in charge of the office in Peel County, as of September 1. Herb Norry, the Agricultural Representative for Peel County, is taking his Master's Degree at the O.A.C. University of Guelph.

Thus John Cockburn will not be available in Halton County for the coming year. He was responsible for the Junior activities in Halton for the past few months. No replacement has been appointed for Halton.

**Rangers Compete At Acton Park**

Eler Trophy Day, for Rangers of this area, was held for the second year in succession in Acton Park on Saturday. About 50 girls took part from Acton, Milton, Bramalea, Streetville, Campbellville and Oakville. The girls came by car, bringing their lunches, and stayed all day.

Mrs. Helen Strait of Milton is area Ranger advisor, and Mrs. Joyce Henry, Milton Ranger leader, also took part.

Special events in the day's competitions included tug-of-war, tent pitching and races. There was

also a cake baking contest (done in advance) which was won by Bramalea. Totalling of points indicated Bramalea was the day's winner as well.

LIBERAL TIMES ARE GOOD TIMES  
**VOTE HARLEY FOR HALTON**

**Supt. Stan Allen Heads Out. Group**

Stanley Allen, superintendent of Halton Centennial Manor, was elected president of the Ontario Association of Homes-for the Aged during a recent conference in Fort William. Mrs. Allen was elected second vice president of the Provincial Auxiliary Association.

The Fort William convention was the largest in the history of the organization, with over 300 delegates in attendance. Among those attending from Halton were County Councillors C. A. Martin, Herb Merry, Bert Hinton, John Elliott and Gordon Gallagher. Mrs. Sykes, director of nursing at Halton Manor and Mr. and Mrs. S. Allen also represented Halton.

**POTATO BY-PASS**

When Columbus came to America, the important food discovered, the potato, was by-passed in favor of hot spices. Chili, tabasco and cayenne, which are used in salad making, all originated in the Western Hemisphere.

**Resolutions Subject Of Nassagaweya W.I.**

Mrs. John Robertson, Milton, was the hostess for the September meeting of the Nassagaweya Women's Institute with the president Mrs. Fred Edwards presiding. The Ode and Mary Stewart were repeated, followed by roll call answered by a current event. Mrs. John Henry read the minutes of the last meeting which were adopted. Mrs. Jean Pyatt reported on finances.

The 4-H Club girls are to be presented with funds to assist in their projects. Mrs. David DeBlauw was appointed a delegate to the Women's Institute Convention to be held in Guelph. Mrs. T. Amos, Mrs. A. Frank and Mrs. F. Edwards will form the committee to attend to details of the annual dinner in November, to be followed by euchre at the home of Mrs. Hattie Price.

The meeting was then turned over to the Resolutions convener, Mrs. B. D. Young who read the resolutions presented at the officers' conference held in the University of Guelph. Mrs. Walter Freeman read an article on "The Quiet Countryside."

**Parochial Letter At Harvest Festival**

St. Alban's church was beautifully decorated with produce brought by parishioners for the Harvest Festival services on Sunday.

The Rev. Ritchie McMurray also read a parochial letter from the archbishops and bishops of the Anglican church, outlining the policy decision on union with the United Church made at the General Synod in Vancouver. The letter stressed points for Anglicans to remember in considering the proposed union.

Mrs. B. D. Young introduced the guest speaker, Mrs. Murray Mahon who emphasized the importance of a properly worded and signed resolution, the subject of which has been chosen wisely. We can't expect to enjoy the contributions of others if we don't supply some of our own. Now would be the ideal time to draw up resolutions. Mrs. Mahon pointed out, as she read some autumn poems describing the most beautiful season of the year.

**MEN'S & BOYS WEAR FOR FALL AND WINTER**

FOR DRESS - FOR WORK FOR SCHOOL

- Men's and Boys Pants
