**St. Michael's Day Service at Church**  
Wednesday morning, September 29, 48 school children and nine adults turned up at St. Michael's Church, Acton to keep the feast of St. Michael and all Angels. For some this was the first experience of attending church at 8:45 in the morning. In spite of the rain it was a good turnout.  
The children had come to take part in the Holy Eucharist celebrated in honour of the other creatures in this universe who like human beings have God as their Father and Creator. One of the traditional prayers at the service called the Collect was read in a simpler form than the language of Elizabethan English for the children's benefit. The lesson from the Apocalypse of St. John and the Gospel from St. Matthew 18 were likewise read in a much simplified version for the children.  
Traditionally the Eucharist, sometimes called Holy Communion, is a service of thanksgiving, which is what the name eucharist means. As their personal offering at the celebration last Wednesday the children offered to God their year's work at school and asked Him to bless it to His glory, and to bless their teachers, their fellow pupils and their homes.

**Massageways to Vote Saturday May Consider Two Year Term**

Municipal electors in Massageways Township will go to the polls on Saturday, December 11. At their regular meeting on Monday evening Massageways councillors unanimously approved a motion to have the municipal nomination night on Monday, November 29 and the election on Saturday, December 11.  
Because the Brookville Hall and Masonic Hall in Campbellville are being used as school classrooms, a shortage of polling stations would occur if the election was held on a Monday as usual. In order to avoid this, and also in the hopes it would make it easier for commuters from the city, councillors voted to have the election on a Saturday. The polls will also open at 9 a.m. and close at 6 p.m. instead of opening at 10 a.m. and closing at 7 p.m.  
It is also possible voters will be asked to show their approval or disapproval of a two-year term for councillors. Councillor A. Parsons brought up the subject and Reeve Coulter indicated, "it might stir up a little interest in the election."  
At their next meeting councillors will decide whether or not the question will be placed on the ballot, but even if it is added, councillors would not be elected for a two-year term this December. If the two-year term was placed on the ballot and accepted, voters would cast their first ballots for the two-year term in December 1966.
