# Sheridan Nurseries' Farms At Height of Fall Activity

Things are accelerating at Sheridan Nurseries' Glen Williams farm where the first real wave of autumn weather signalled the start of the busiest time of year. This fifty acre parcel on the paved sidewalk east of the Glen is being prepared for spring planting and a hedge row has been planted parallel to the road. Another new piece of property is a 70 acre parcel on the 10th Line, Etobicoke, north of the 10th Line bridge, which was planted for the first time this past spring.
