On Remembrance Day we can remember those who have given their lives in two world water to this two introdes' silence long enough for us to think at our friends and relatives who have alled for us? For 21 years 10,000,000 Canactions collaborated Remembrance Day before this war, 7,000,000 hours of gratitude for courage and sperifical The presidude falt in this silence challenges us to use all our energies of heart. pointed and spirit to build a sound and lasting

As the days up by, events happen which mould the future. They may be small events, a prejudice which is caught up and built upon by the next person until it becomes a povernment policy, a national powder keg. Every man, woman and child in Canada is moulding the future. for the good of all nations because Canadians of our country. How slow we are to realize -"That means met" When we do see it, we can fight to create that mould out of our strengths courage, honesty and hard work, not out of our weaknesses - prejudice, preed and fear.
