Some soul-searching questions for women who don't have an automatic gas dryer

Take a few minutes to answer some simple multiple choice questions on modern automatic Gas Dryers. If you're firmly faithful to hanging your clothes on the line every washday, the going may be tough at first. But persevere! Correct answers will be found at the end of the quiz.

Q: What is the fastest way to dry clothes?
A: 1. Blow on them while they're hanging on the New Non-Fry String-Em-Up Clothes Line.
2. Start the barbecue under the clothes rack as the clothes are drying.
3. Dry the clothes as fast as you wash them, in an automatic Gas Dryer. (A load of synthetics dries in as little as 20 minutes.)
Q: How can you save money while drying clothes?
A: 1. Put your pennies in the cookie jar.
2. Sell treats to the neighborhood kiddies.
3. Dry clothes for about a penny a load in an automatic Gas Dryer.
Q: What is the easiest way to wish your weight stable during clothes?
A: 1. Walk 42 miles a year from washer to clothes line. (Survey-proven method.)
2. Stoop five times when reaching for each clothes pin.
3. Make a radish-leaf and celery-heart salad while the automatic Gas Dryer fluffs up the last load.

Q: What is the most economical clothes dryer?
A: 1. A fan with four-foot blades that takes only two men to move.
2. A clothes dryer which requires a special three-wire circuit, gives laundry rooms a steam bath and has a complicated mechanism.
3. A Gas Dryer which can be simply connected, vents steam out of laundry rooms and costs less than other mechanical methods.
Q: What is the best way to dry clothes wrinkle-free and sunshine-free?
A: 1. Sprinkle the clothes with a child's watering can before ironing.
2. Iron only when the sun is shining.
3. Dry the clothes in a lint-free automatic Gas Dryer which waits away moisture as gently as the fresh 'n Wear clothes never need ironing... other washables need very little ironing, if any at all.
Q: How can you have the most fun on washday?
A: 1. Donate the washing to a charitable organization.
2. Visit an out-of-town friend and hope your husband will do the washing.
3. "Waltz Through Washday" with a modern, automatic Gas Dryer. From now to the end of December Gas appliance dealers are featuring special offers on automatic Gas Dryers. Choose from leading makes and models—all Canadian Gas Association Approved.
Number 3 answers are all correct. If you choose any others there has been a conspiracy effort to keep you from finding out about the advantages of modern, economical, automatic Gas Dryers.
