White Gift Service Sunday Christmas Meeting Held

Next Sunday, December 12, a professor from Emmanuel College will accompany our pastor, Mr. Bessie and will administer the sacrament of the Lord's Supper at the morning service in Church of the United Church.

White Gift Sunday service was held last Sunday when everyone was given an opportunity to help a worthy cause. The junior choir was in attendance. Mrs. Ron Salsbery played for their anthem. Cathy Swackhamer read a story and Ray Denny read the Scripture. Mrs. Don Anderson played the organ accompanied by Archie Kerr on the violin for the many Christmas carols sung through the service.

The December monthly meeting of the Church U.C.W. was held on December 1 at the home of Mrs. George Stephens with a fair attendance. Our president Mrs. Damm opened the meeting leading in all repeating the Lord's Prayer. Mrs. H. Griffin gave the devotions taking as her topic the abundant life. Scripture reading was John 13. Two Christmas carols were sung and the closed with prayer.

Mrs. W. Butler read a chapter of the study book and led in the discussion period. Mrs. B. Letch read the minutes of the last meeting. It being our Christmas meeting, for the roll call each donated 50 cents to the fund. Our Christmas card yearly donation was also handed in. Many items of interest were brought to mind. Mrs. Damm closed the meeting with prayer and a lovely lunch was served by the hostess, also Mrs. Winters, Mrs. Williamson and Mrs. Butler. A social half hour followed and Mrs. Winter on behalf of all thanked Mrs. Stephens for her hospitality and the use of her home.

Mr. and Mrs. Alfred Winter attended the wedding of their nephew Kenneth Winter and Miss A. Hill at Melville United Church, Fergus, on Saturday, December 4. Mr. and Mrs. H. G. Turner of North Bay are spending a few days with their son Norman and family.

Christmas Party Enjoyed By Fair Lady Directors

Although a few members of the Lady Directors of Arton Fair Board were prevented from attending the Christmas party last Thursday evening on account of sickness in the homes, there was a good attendance of members. Mrs. William Thompson, Wilbur St. was hostess for this happy occasion and the home was prettily decorated with Christmas decorations.

Mrs. Donald Matthews, the president, conducted a short business session and some plans were outlined for the proposed variety show to be held in the new year.

Golden Age Club Plans Yule Dinner

A keen interest in the forth coming Christmas supper helped bring out a good crowd at the regular afternoon meeting of Arton Golden Age Club.

Mrs. Wilderspin has tickets on hand and would be glad if the members who have not already bought their tickets would do so at their earliest convenience so the money can be applied to the cost of the food that will have to be bought. Many generous donations were received and volunteer tapers for various tasks accepted.

Mr. and Mrs. R. E. Davidson extended an invitation to the members to attend their Golden Wedding anniversary Dec. 18. The Arton Golden Age Club have accepted an invitation to join with the Arton club on Jan. 16.

Mr. Mason introduced Ted Tyler for J. who gave his "madden" political speech as candidate for reeve in the coming municipal election. Four new members were welcomed.

Shuffleboard is still being played Tuesday night, 7 p.m., in the Y building.

Prizes for making Ladies Mrs. Joe Frank, pentis Chas. Cuff, prizes for crokinole — Ladies Miss M. Somerville, pentis George Simpson.

A large crowd is hoped for.

Retains Pin

Mrs. Ted Tyler Sr. has been made a member of the Pioneer Club of the Automotive Transport Association for being active in the transport business for 25 years. Mr. Tyler already had his pin. She was unable to attend the convention at the Royal York Hotel in Toronto and received her pin in the mail.

LIVE WIRE! '66 CORVAIR

Corvaire Monza Sport Coupe

Exciting! As always. And now Canada's most popular fun car is sportier than ever. There's a choice of power... up to 140 hp on the Monza and 500 Series and up to a Turbo-charged 180 hp on Corsas. There's a choice of three transmissions. You can get the standard fully synchronized 3-Speed, or the 4-on-the-floor or Powerglide on some models. Bring on the curves. Corvaire's rear-engined traction and 4-wheel independent suspension turn 'em into fun. Now take a look at Corvaire's "grand touring" good looks. They're internationally-inspired. Looking at Corvaire's sporty and luxurious options is an inspiring pastime, too. Especially

when they're goodies like a sports-styled steering wheel, telescopic steering column, new thin-line whitewalls, Post-traction rear-axle, (winter's coming!) and AM/FM push-button radio. All this can only add up to one thing: "Corvaire fever!" And you can catch it from any of seven models in three series: Corsas, Monzas, and 500's. So give a Corvaire a sporting chance. Take a test drive. Now.
