Land of Dreams on Ice

Saturday night's skating carnival was the culmination of weeks of strenuous practice sessions by youngsters and instructor. Executive members of the skating club were assisted by many parents in making costumes, backdrops and keeping the show moving. Near 600 filled the community centre to watch the colorful, fast-moving show. About 80 children took part. It was pro Mrs. Glen Skuce's first year instructing here, and the first carnival she staged by herself. Complete details appear elsewhere in this issue.
