When she first went to Africa, Miss Tuck was a youth organizer among the Zulus. Just before her furlough she was with a colored group in Capetown. She feels we have a four-fold command - "To look, to pray, to give and to go."

In closing she stated her highest aim "to do God's will wherever I may be". She went on to show some very interesting slides of the people and country where she has worked for seven years, and to which she looks forward to returning after her furlough.

Mrs. Sanford acted as chairman for her mother, Mrs. Mitchell, and the Easter service of worship from the Glad Tidings was followed. Mrs. Booth read the Easter Scripture lesson, Mrs. Mitchell introduced the speaker and Mrs. Bert Benton extended courtesies. No Info

Although train times changed last year with the advent of Daylight Saving Time, CNR station agent Charlie Perry says this week no change of times is available for announcement. The weekly notice of train times remains the same.

Although the railroad stays on Standard Time as far as timetable figures go, changes in actual schedules were made last year.

The bus schedules will adapt to Daylight Saving Time, as announced this week by the bus depot.
