

Finance Company Change of Name

The offices of Atlantic Finance Corporation began operations as G.A.C. International Finance Corporation Ltd., the Canadian operating subsidiary of General Acceptance Corporation, on May 1. The change of name will be implemented at once at the Acton office, which now incorporates the Milton office. Acton manager is Don Crane. Atlantic Finance office in Milton closed last week and all business will be handled from Acton.

Way Cleared

During recent months, the Atlantic offices have been operated by G.A.C. International under an agreement with Montreal Trust Co., the court-appointed receiver of Atlantic. When the junior subordinated noteholders withdrew their opposition recently, the way was cleared for General Acceptance to implement its proposal to acquire Atlantic offices.

G.A.C. International Finance has had offices in the Toronto-Hamilton area for several years. The parent organization, headquartered in Allentown, Pennsylvania, is a large, diversified loan, financing, insurance and manufacturing organization with offices throughout the United States and in Canada, Puerto Rico, and major cities in Europe and the Far East. Upon acquisition by G.A.C. International, the Atlantic offices become part of one of the leading organizations in its field, with a 33 year history of successful, responsible operation.

One-Fifth in Canada

G.A.C. executives pointed out that with nearly one-fifth of their total offices now located in Canada, G.A.C. International has become a sizeable corporate citizen of Canada. T. P. McGinn, senior vice-president of General Acceptance Corporation, and operating head of all G.A.C. loan offices, stated "We have every intention of expanding the operations consistent with prudent business practices. The personnel of Atlantic who are joining G.A.C. are experienced and well trained. We are extremely pleased to have these people become such an important part of G.A.C. International."

Plowmen Plan October Match

The directors of the Halton Plowmen's Association met in the Agricultural office in Milton, on April 18, to plan their 1966 match. President J. C. Cunningham presided, with 19 directors in attendance.

The match is scheduled for Saturday, October 29, in the town of Oakville. A new feature has been added — a class for business and professional men. They will be required to plow two rounds using a walking plow.

This year, the Halton Plowing Match Prize List is to be prepared prior to the International Plowing Match.

Tom Howden was appointed as Field Manager in the place of the late Clebert McDowell, who served in this capacity for many years. George Reulhead continues as Assistant Field Manager.

A new banner has been obtained for the Halton Farrow Queen. This competition is to be continued this year under the leadership of Mrs. Spencer Wilson, Mrs. James Reid and Ed Sedgwick. Last year's winner of this competition, Mrs. Rita Wilson, will represent Halton County at the International Plowing Match.

Name Omitted

In the report of the election of officers in Dublin Women's Institute in last week's Free Press the name of Mrs. E. Norton was inadvertently omitted. Mrs. Norton is continuing on as secretary-treasurer of the Branch, with Mrs. C. McIntyre as assistant. Mrs. J. A. Van Fleet is assisting the business committee in planning the bus trip this year.
