Lions donate seats to Golden Age Club

Lions club members are busy selling tickets for Round Up '66, their big show at the community centre on Saturday, June 11. The first two rows of seats have been donated to Golden Age Club members by the Lions and now the seats are starting to fill up behind them. A seating plan in Simpson-Sears office is there for the benefit of those who want to pick out a good seat.

Headliners for this year's show are the Rhythm Pals, stars of Tommy Hunter's TV and radio show, a popular trio who specialize in western songs but have a wide repertoire from which to choose. They'll have Vince Mountford, witty entertainer and M.C. to assist in their part of the program and the banjo melodies of Chuck Ford, another virtuoso.

The Chorallers, the Acton men's chorus under the baton of George Musselle will be on the program and Joyce Carpenter's dancers, a big hit from last year's Round Up will again be participating.

The active Pairs and Squares square dance group will be doing and his worship Les Doby, our singing mayor, will be a feature of the program.

Acton Citizens Band will also play a leading role in the variety show which is a change of pace from last year's effort.

Motorcycle, car involved in smash

Summer program

(Continued from Page 1) should not be," cautioned the fire chief referring to the door on the north west side which was wired from the inside.

"Would a lock or a hook inside solve the problem?" asked the chairman.

"It must be something that can be opened in a hurry," said Mr. Holmes. He also suggested the committee consider constructing fire exits half way down the arena.

The chairman told the fire chief the fire exit had been wired to stop someone from inside opening it and letting his pals into events and games free but agreed it was not safe. Suggestions were made that another ticket booth be set up for that door giving ready access to the parking lot on the north side of the building.

The fire chief also cautioned the committee on parking at the arena. Sometimes cars block the way, he said. "If there is ever a fire here we'd have a hard time getting through with the fire trucks." He advised supervised parking for events which cause heavy attendance.

Recreation director Howard Pearce, a late arrival from his new slim and trim class, outlined the summer recreation program for members to wind up the three and a half hour meeting.

Members present included chairman Lovell, Charlie Perry, H. Townsley, Eric Lynch, Owen Conltrap, Hugh Patterson, Mrs. Fryer, Chas. Leatherland, Helen Otterbein and secretary Art Cooper and the recreation director.

TO A DANDELION

Gay little dandelion, Impudent, bold, Flaunting exultantly Your bags of gold, Soon your bright affluence All will have flown Into promiscuity, On the wind blown.

While in grim helplessness My neighbors sigh, Viewing your arrogance With jaundiced eye, I, with all tolerance, Cannot impugn, Knowing ecstatically Now it is June.
