

LETTERS TO THE EDITOR

AGAINST NEW SCHOOL AT BROOKVILLE

Dear Sir: It would appear that Nassagaweya's 10 mill tax increase this year (caused by public and high school costs) will only be the start of more tax hikes, as next Monday June 20 the Nassagaweya School Board is meeting with the Nassagaweya Council to discuss the building of another second large public school at Brookville, and presumably closing the Campbellville school.

As a heavy taxpayer in Nassagaweya, I think if the building of a second large public school is necessary, it should NOT BE BUILT AT BROOKVILLE (just rear of the present school, as proposed by the school board) for the following reasons. Concentrating all our public school children at Brookville (on a few acres of ground) has these disadvantages and problems:

What happens in the case of a large fire or explosion in one school when they're so close together?

What happens if a water pollution problem develops in that area?

What happens in the case of a severe epidemic (this term at Brookville saw practically an epidemic of infectious hepatitis, a disease much more serious than generally realized)?

What happens if we do have that atomic attack that militaryists are always talking about, do we blow all the children to hell at one time and place (don't laugh at this one - you'll see American planes S.A.C. loaded with Atomic bombs flying overhead in this area every day, if you just look up in the sky)?

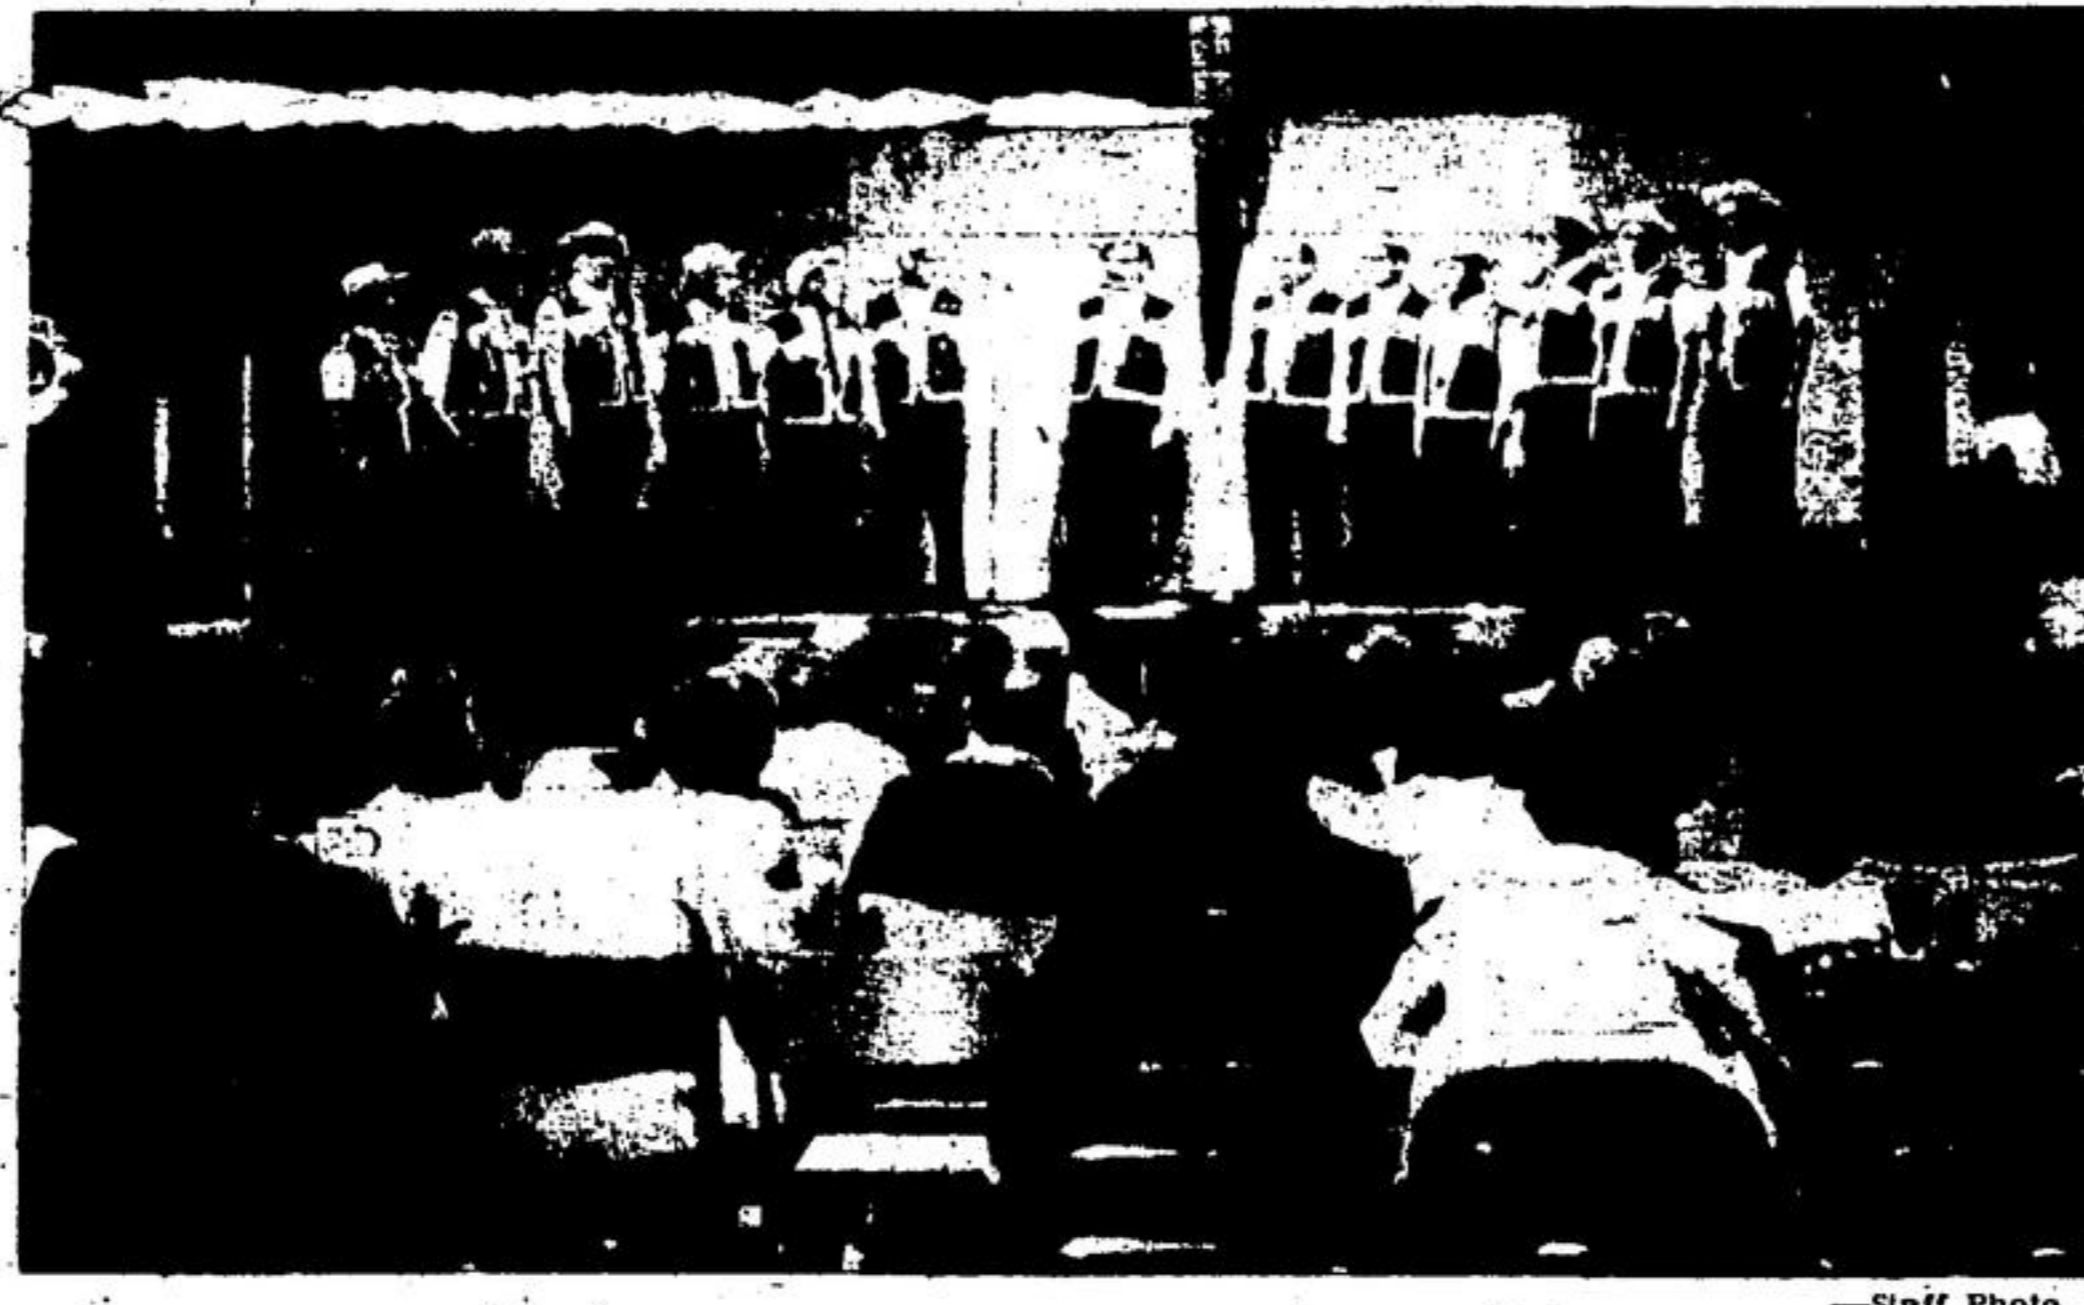

One of the reasons given for needing another new school is so that home economics and shop can be taught; now why should the school board spend thousands of the taxpayers' dollars to provide for the teaching of subjects at Brookville when we already have spent tens of thousands of dollars on the same equipment and facilities, for these same courses at our high schools where practically all the children end up anyway. This would just be another case of wasteful duplication of services.

If we need another school because of classroom crowding, that is a different matter and if we must build it, then let it be built in the area of the Township's greatest concentration of population, namely at CAMPBELLVILLE. Here the village children can walk to school, this would mean thousands of dollars saved in school bus charges alone (already bus transportation charges have increased \$15,000 this year to now I believe a total of \$58,000 a year).

Furthermore, why should the people of Campbellville and vicinity not retain a school? Is some person or group trying to downgrade Campbellville in favor of Brookville? And why hasn't the Planning Board been consulted in this matter, after all Nassagaweya has hired professional planners at quite a high cost to the people.

So you, the people of Nassagaweya and especially Campbellville and area, remember Monday night, June 20 at 8 p.m. at the Council Chambers at Brookville, the Nassagaweya school board is asking YOU to pay for another new school.

Get informed! Yours truly Gordon E. Agnew.

Special guests were Mrs. James Baynton, District Commissioner, Mrs. Beverly Ella and Shirley Ella. The bride-to-be received lovely kitchen shower gifts. During the social half hour cake and ice cream were served and a good time was had by all. The Brownies assisted in planning the shower by their Brown Owl leader Mrs. George Gadd and Pamela Hamby (Packy). This was the last regular meeting until fall.

Mr. and Mrs. Edward Mahon are with their daughter, husband and family, Mr. and Mrs. Roy Turner at Timmins to celebrate the occasion of their 54th wedding anniversary.

Mr. and Mrs. James Bradley, Peter Bradley of Midland and Miss Crystal Clay of Windsor spent the weekend with William McLaren and family.

Mrs. Wallace King was hostess to the June meeting of St. David's Presbyterian Women's Association when Mrs. A. T. Moore presided last Wednesday afternoon. She opened with a poem "Enjoy the Peace of Nature while on Vacation."

After singing hymn 521 Mrs. Kenneth Moore had charge of the devotional period, with Mrs. James Robertson presiding. Mrs. Wallace King gave the secretary's report and Mrs. Kenneth Moore gave the financial report. The roll call was answered by 13 ladies by naming a good picnic idea. Mrs. Howson Lush gave the cheer report

and Miss Katharine McPhedran, Mrs. James Robertson and Mrs. Charles Inglis were named to plan a wedding dinner to be catered to.

Several ladies plan to attend the lucky luncheon at Duff's Presbyterian church June 28 and 29. Plans were made to have a picnic at the home of Mrs. Alfred Peterson July 13, with a holiday in August. The birthday song was sung for Mrs. Edgar Cairns, Mrs. Charles Inglis and Mrs. Alfred Peterson, then the closing hymn 552 was followed by the Lord's Prayer. A social half hour was enjoyed by all.

Rev. James Sutherland, missionary home on furlow from Formosa, took the service at St. David's Presbyterian Church on Sunday. His wife, two sons and two daughters were a long. Many old acquaintances were renewed as all joined at Nassagaweya Presbyterian Church after the service for a social hour. His work in Formosa is interesting to all and hearty support is needed to carry on missionary work there.

David Jeffares was guest of honor on Saturday evening at the home of Mr. and Mrs. Leonard Andrews and family. David was presented with luggage in honor of his marriage this coming Saturday to Miss Kathy Pyatt of R.R. 1, Campbellville.

Acton Open on Saturday

Everything from gleaming trophies down to lone golf balls will be in the offering as prizes Saturday when duffers take to the Hornby Towers Golf course to compete in the annual Acton Open golf tourney.

A last minute rush for tickets is expected. At present there are about 40 ticket purchasers including Actonians, former residents and friends. Tickets are available at Sports Corner only and tee-off times are handed out when a ticket is sold.

Purchase price includes a meal again this year and according to reports from executive members every golfer should be in the way of a prize of some nature. Tee-off time begins at 10 a.m.

As well as the O.G.A. handicap system used only for club members the normal duffers will tally their score by Atlantic system. Great golfers have already visited the Towers course for practice sessions with hopes of coping one of the main trophies.

Some predict a long-ball hitter will take the honors, others claim putting will tell. Only after scores are tallied will it be known who is right

the loss. Archie relieved Howie Leader who hurled the first six innings, for the losers.

Long guns of the game in the mosquito-infested park were Howie Leader who slammed a triple and Howard Pearce, Jeff Fryer, Bruce McArthur and Len Vary each with a double.

It was a tough loss for Herb's, the league's newest entry. They outbit the winners 178 and were ahead 90 at the end of the fourth. Harold Townsley smashed five hits for Herb's. Bob Doyle four, Fred Archibald, Howard Pearce, Herb-Dodds and Howie Leader two apiece.

Bill Shannon was the only grocer to hit more than once. He tagged two.

Big factor in the loss was six bobbles by Herb's.

Police radio now in office

Acton O.P.P. detachment now has a police radio monitor installed in the office. Calls from headquarters, police cars and even the local cruiser car can be received.

The monitoring system installed last week is small and very compact but can be heard quite clearly. It's about the size of a transistor radio.

Calls received are the same as those received in all the cruisers. Messages can be sent from the car radio but not from the new office system.

the whereabouts or having it, please return it to the community as soon as possible. Thank you.

RABIES DANGER There is still danger from rabies in Canada. Wild animals that are rabid act quite out of character, showing no fear of bigger animals or man. Skunks are the most serious problem and they in particular should be watched for in rural areas since they are often to be found searching garbage cans for food. A bite from any animal should receive prompt attention, unless it is a family pet. If it is a wild animal or a strange dog or cat, it would be advisable to notify the local game warden and see a doctor.

Century-old regiment

Lorne Scots to mark anniversary troop colors in Sunday ceremony

Local members of the Lorne Scots (Peel, Dufferin and Halton Regiment) will be on parade in Brampton Sunday as the regiment celebrates its 100th anniversary by trooping the colors.

His Excellency Georges P. Vanier, Governor General, will take the salute as over 300 men and two bands form the marching past. Madame Vanier will accompany him to Brampton for the day.

The Sunday ceremony is one of the highlights of Brampton's fourth annual Flower Festival, being held Friday noon to Sunday evening. The Lorne Scots ceremony will take place at the Brampton fair grounds at 3 p.m.

Majority of the pipes and drums bandsmen and musicians in the military (brass and reed) band come from Milton and district. Finlay McCallum, Milton, is drum major of the pipe band. The Lorne Scots, inheriting a fine tradition from as far back

as 1866, officially came into being in 1936 and were designated The Lorne Scots (Peel, Dufferin and Halton Regiment). Brampton was selected as regimental headquarters. In the intervening years, the regiment has advanced in every way.

Competent officers and non-commissioned officers have combined to give strength and leadership to the men. Twice in recent years, 1964 and 1965, the regiment has won the Gzowski trophy awarded for the most efficient infantry unit in the Canadian militia. In rifle competitions, the regiment ranks second to none in results.

Honorary Colonel of the regiment is Colonel John R. Barber, ED; the Honorary Lt. Colonel is Lt. Col. Conn Smythe, MC.

As its name shows, the ceremony of Trooping the Colors centres around the Colors of the

Regiment, which are two in number - one, the Queen's Color, being the symbol of the Crown to which a soldier's loyalty is due, and the other, the Regimental Color, representing the spirit and traditions of the Regiment which are the basis of esprit de corps.

Colors are not normally carried by anyone below the rank of commissioned officer, but the ceremony of Trooping the Colors commences with the emblem in charge of a Sergeant, assisted by two sentries ready to guard the Color, from harm.

In a similar manner, the Guards are drawn up without their officers. The object in both cases is to show that the non-commissioned officers and men are so trusted that the responsibility of guarding such a sacred symbol can safely be left in their hands.
