25 Cubs hike to Smallwood Acres

Excess energy was burned off by 25 cubs on Thursday when they hiked from the Scout Hall to Smallwood Acres, west of town.

The youngsters passed tests, played games, and ate packed lunches, after the trip to the scenic spot. Games of skill, test work, a game of tag of war and a hike through the woods preceded the toasting of marshmallows and a camp song around a campfire.

By the time they arrived home from the big trek, they were tired and happy and waiting anxiously for the next week's hike.

It's too hot to cook indoors, so nearly everyone has been trying their luck at barbecuing outdoors. The usual result is burnt steaks.
