Coffee maker given to W.I.

Rockwood - Mrs. Laura Mc-Kay of Guelph presented the Rockalong Women's Institute with a tovely one hundred cup coffee maker in memory of her mother Mrs. John Tone at their July meeting. The group are celebrating their 30th anniversary this year and the late Mrs. Tone was a charter member. This was a most welcome surprise gift since the lactics had been making plans to obtain a much-needed coffee maker.

The meeting was held at the home of Mrs. Harry Bonner with the president Mrs. N. Harris in charge. The opening Institute Ode and Mary Stewart Collect were repeated in unison followed by the minutes and treasurer's report. "An interesting item about Canada" was an-> swered by everyone for a roll call. The meeting was convened

by Mrs. W. Guild. "The World is My Neighbor". which was the Motto for the Month, was very capably dealt with by Mrs. L. Dyer in her most interesting talk, Mrs. Harvey. Bayne was-in charge of Current Events. The opening chapter of the book "The Incredible Journey" was reviewed by Mrs. W.

An amusing and instructive spelling lesson contest was conducted with the winner Miss Helen Bayne, Mrs. A. McPhedran received the prize for a short essay contest on "What I would do if given \$10 to spend". The door prize went to Mrs. A. Shultis, A vote of thanks was extended to Mrs. K. Spence and Mrs. E. Johnston for their work in planning the Institute

bus trip to London. The ladies plan no exhibit at the Acton Fall Fair this year. The next meeting will be in September at the home of Mrs. George - Mitchell, Lunch was served by the committee of Mrs. Harris and Mrs. Shultis during the social time which followed.

EBENEZER

Young People conduct service

· On Sunday, July 17, the service of Epenezer United Church was conducted by the Young Peoples. Three of the Young People, Albert Blom, Walter Blom and Susan Ward, undertook the entire worship service. Albert, president of the Y.P.U., performed the opening of the service with the call to worship and the Invocation; Sue conducted the responsive reading. The Scripture, read by Albert was taken from Genesis Chap-

In place of an anthem by the choir Albert and Sue read a very Interesting poem entitled "God's Autograph".

The sermon itself was done by Walter and the subject which he spoke was on "Archaeology's Role in Bible Study" - very interesting topic. The service closed with benediction by Walter and the three-fold amen.

There will be no church services at Ebenezer on the 24th or 31st of this month, but they will begin again on August 7, at the new time of 11.40.

Boat owners! Red Cross says that 30 per cent of all drownings in Canada last year resulted from boating mishaps. Be water wise and keep your boat affoat . . . upright.

TREES TO POLES

There is more to making a good telephone pole than just cutting down a tree. Just any old tree standing in a woodlot won't do. For such a special job as helping to speed communications across the country Bell Canada uses only very special trees — usually jack pine, lodge pole pine or red pine which have enough fibre strength for our needs and also have very few knot holes or other defects. If a tree looks promising, it gets a physical examination. It is checked for height, slight taper, good health and posture - sounds like a real "medical". Once it's cut and trimmed, it's shaved, cut to the proper length and then inspected again and seasoned in the sun. Preservative is acided under pressure and it's checked again. A tree that has gone through all this is good for up to half a century of service as a telephone pole. In fact, we have a few in Bell Carnada territory well over the 50-year mark and still going strong. Even with our continuing program of placing much of our cable underground the telephone pole is still an important item in our business. Selecting the correct trees for telephone poles is only a very small part of the careful work and precision that help to bring you good telephone service.

LIVE SAFELY AND LONGER

Every summer thousands of Canadians are killed or injured in accidents. Each beautiful weekend brings its long list of tragedies that might have been prevented with just a little extra care. Remembering and observing only a few safety rules can help to make this summer a pleasant one for you, your family, and friends.

- 1. Don't swim alone, in unguarded places, or venture beyond your depth. Life preservers are a MUST in any boat.
- 2. Watch the sun! A good tan is wonderful but a painful burn is something else. Find a sunburn lotion that works well on your skin and use it while building a tan slowly.
- 3. Be on the lookout for poison ivy and poison oak. They can turn a holiday into misery for the unwary.
- 4. If you're planning a trip, take along a first aid kit. If you stock it well, you'll find it invaluable for everything from cut toes to sunburn.
- 5. Above all, DRIVE CAREFULLY. Take your time, especially when driving on unfamiliar roads. You'll enjoy it more, arrive just as quickly . . . and in one piece.
