

Two Rockwood ball teams top contenders in leagues

Rockwood — Congratulations to the two Rockwood ball teams who are both top contenders in their leagues. The seniors have, up to August 4, won 15 of their 18 games. Their nearest rival, Glen Williams, was defeated by the Rockwood Firemen 19-2 on Tuesday night. Thursday saw

the Georgetown club downed 15-1 under the two-hit pitching of Blake Hind and the solid Rockwood batting.

The Junies have been running up impressive scores as well, their latest was a 16-1 drubbing for Morrison on Wednesday and a 7-3 win over Brock

Road in Rockwood on Saturday night.

Both seniors and juveniles are entered in the O.R.S.A., and with regular games plus playoffs and O.R.S.A. matches, it will take some planning to get everything squeezed in, especially for the three Junies who also have their regular spot on the senior team.

Good luck boys, for the remainder of the season, and to everyone in the area, a hearty invitation to support your ball clubs. You'll be glad you did.

Rockwood visit, ball rematch firefighters on park program

Last Thursday two busloads transported 137 playground boys and girls from Acton to Rockwood, to spend the day with their counterparts there.

The program included mock track and field events, games and contests.

Each playground formed an all-star ball team and they played a match. Rockwood emerged victorious.

As a result of the day in Rockwood, the 10 Acton playground leaders challenged the all-star team to a ball game. The youngsters won 10-4, and there's to be a challenge re-match again this Thursday afternoon (today).

Last Friday afternoon at the playground the fire department gave a demonstration for the boys and girls. Scotty McCristall and Wayne Kelly demonstrated resuscitation, extinguishers and ladders, and sprayed water over the ball diamond.

The children seemed to have hundreds of questions to ask which the firefighters answered willingly.

The men told the playground youngsters exactly what happens each time the fire siren sounds.

The circus last night (Wednesday) was the big event of this week. It'll be repeated more fully next week. Friday is the final day of playground program for this year.

Senior team downs Hornby

Rockwood—Behind the steady pitching of John Salmon, Rockwood senior softball team shelled the Hornby squad 7-0 Monday night in the first of a two out of three playoff series under lights at Rockwood park.

Salmon's steady hurling struck out 15 batters to spark his teammates to the important victory. Dave Bacon's home run and 17-year-old Norm Beattie's spectacular put out highlighted the victory for the home club.

Second sacker Beattie, who also wears the juvenile colors, stabbed a line drive with two on, rolled two or three times and while still on the ground threw the runner out at first to stop what might have been a rally by Hornby.

Hold barbecue on retirement

Rockwood — Bob and Kay Darou were guests of honor at a barbecue held recently at the home of Mr. and Mrs. Roy Lovell. Bob has been for many years the popular manager of the Rockwood Branch of the Royal Bank. The news of his retirement due to uncertain health was received with regret by all in the area. During the evening a new pipe was presented to Bob and a lovely floral centerpiece to his wife Kay. Everyone is happy to know the couple will continue to make their home in Rockwood.
