**Minimum of 10 acres required for kennels**

Rockwood—The regular meeting of Eramosa Township Council was held in the Council Chambers recently. All members were present and the meeting presided. The minutes of the last meeting and special meetings were read and adopted.

Several items of correspondence were read by the clerk and dealt with by council during the meeting. There were three recommendations of land severances to be sent to the Minister of Municipal Affairs for approval.

On the request for permission to have dog kennels on one acre of land by a resident of Eden Mills, the Council decided that no action be taken to erect kennels on less than ten acres. The Building Inspector was instructed to issue a building permit as requested by a Rockwood resident. A township resident was granted a tax rebate on 1966 taxes due to the loss of his house by fire.

**Expect 60 Trail Riders**

Rockwood — The second annual Competitive Trail Ride sponsored by the Rockwood Trail Riders will be held on August 28, and 30 some miles of trails and cross country riding will be a good test of condition and horsemanship. Over 60 riders are expected to head out on the five-hour jaunt and complete the marked route over properties whose owners have kindly given permission to use their land.

The contestants will be served lunch on the trail and then be given a barbecued chicken supper at the end of the day. Many interested guests will join them at the host farm of Ken and Di Duncan for the meal and presentations of the awards which will be given out early in the evening.

Veterinarian Dr. C. H. Heslop, Mrs. Beacon and Gordon McKay will keep a close watch on the horses and riders through out the day and will select the winners of the trophies and ribbons in the four divisions — English, Western, Intermediate and Junior.

With members and friends of the Rockwood Trail Riders officiating in many capacities, the ride will be well organized and promises to be a pleasure for all participating. The competitive Trail Ride will start at 9 a.m. rain or shine so let's hope for a nice fresh, sunny day for these horse enthusiasts.
