## Nassagaweya W.I. speaker

# Stresses importance of exercise

The September meeting of the Nassagaweya Women's Institute was held at the home of Mrs. C. Nicholson, Guelph Line, on Wednesday evening, September 21, with a good attendance of members and some visitors. The vice-president, Mrs. D. De Blauw was in charge and following the business part of the meeting, the roll call was answered by a suggestion of lunch for an unexpected guest.

A complete report of the Area Convention in Guelph, was given by the appointed delegate, Mrs. De Blauw.

The program conveners were Mrs. M. Moffatt and Mrs. Price, and at this point, latter took over the meeting. The guest speaker, Mrs. A. Gibson was introduced. With the aid of diagrams, she showed the function of the heart and the system of veins and arteries. The importance of exercise was emphasized as a cure and preventative of common ailments such as backache and nervous tension.

The exercises were demon-

strated and were of such a simple nature that they could be practiced around the house in the round of daily duties.

Following the address, two interesting contests supplied by Mrs. Moffatt were presented to the ladies and enjoyed by all.

Mrs. Fred Edwards and Mrs. D. Mullen assisted the hostess in serving refreshments and a social time was spent.

An invitation had been previously received from the Badenock branch of the W.I. to visit them at their meeting in the Badenock Community Hall. The invitation was greatly appreciated and several members were able to attend. The guest speaker, Mr. Denby of the Guelph Bell Telephone, showed a film and spoke on the History and Development of the Sun.

### Enjoyed fair

15 Haddington Street  
Galt, Ontario  
September 22, 1966

The Editor,  
Acton Free Press,  
Acton, Ontario.

Dear Sir:  
Through the medium of your paper I wish to offer my congratulations to the Fair Board and all those who made it possible, for one of the most interesting and I am sure, most successful Fall Fairs I have ever attended. There was something of interest for everyone, and all those who were there seemed to enjoy every minute of it.

For all the "Old Timers" who attended and heard Cam McNab speak, it brought back so many memories especially when he mentioned "all the notables" as my husband said, of forty to fifty years ago. They were the names often mentioned amongst the "school kids" of that time and Henderson's grand, the "old swimming hole" which was also a popular skating spot in winter.

The Fall Fair is a meeting place for all old friends, especially those coming back for the day. There were quite a number who came to meet Mr. McNab. It was both a pleasure and a delight to everyone.

If the 1966 Fall Fair was an example of what we may expect for 1967, I am sure a great many more old timers will make an effort to be there, to meet old school friends and acquaintances of yesteryear.

Most sincerely yours,  
Kathleen C. Currie (Mrs. J.C.)

their views of these same topics. School Board members could be asked questions and submit progress reports. High School board members could tell us where the respective high schools stand in the county ratings, if the rating is low they could tell us what steps are being taken to enhance the rating.

This type of nomination meeting would allow the public to participate, municipal politicians would make their stand publicly and before their constituents. Then and only then will Nassagaweya be ready for the two year term of office.
