—With council considering an anti-loitering by-law, we took a good look at all the people standing around on the main streets Friday evening, during prime shopping hours. The people looked pleasant and pleased and we thought Mill St. was indeed a perfectly good place to "loiter." More benches would make loitering even more enjoyable.

**Judo lessons in Rockwood**

Rockwood — Something new and different will be enjoyed on Friday, October 21, in the Rockwood town hall at 8 p.m.

Members of the Hatashtia Judo Club of Kitchener will be putting on a demonstration to show what can be accomplished by those taking proper instruction in this fascinating sport.

John Hatashtia, the founder, is a holder of the coveted fifth degree black belt and will be on hand to show an expert in action and answer questions. He will also present some of his junior members, who will exhibit the results of their lessons with the judo club.

Registrations will be taken that night for those boys and girls between the ages of six and 15 who would like to take instruction in Rockwood. The individual cost per week etc., will also be discussed.

Joe Adams of Everton, who has been a member of the Hatashtia Judo Club for some time, hopes to organize a local club of children with a view to taking in a larger age range in the future should interest so warrant.

Mr. Adams points out that this ancient sport develops better co-ordination and builds muscle while developing a quick healthy mind if taken seriously.

It has also been found to be a pretty good "leveler." It can take the aggressiveness out of those who are so inclined, while building confidence in the timid. This is expected to create great interest in the area and if the club is formed, it will be promoted by the recreation committee.

**Anglican ladies see Buchanans' pictures**

The October meeting of St. Alban's Guild was held in the Parish Hall with president, Mrs. G. Fountain in the chair. The meeting opened with a hymn and the Guild prayer. Mrs. J. The ladies were entertained by Dr. and Mrs. A. J. Buchanan with their beautiful movies of the Orient. Mrs. Buchanan first gave a brief talk about their trip. The Buchanans were impressed with the manner in which they were treated on their tour. They found the Oriental people friendly and kind, always ready to be helpful to the guests in their country.

They are a very religious people, predominantly Buddhists, who live their beliefs to the hilt and appear to enjoy doing so.

"The children are well scrubbed, well cared for and very much loved and wanted," said Mrs. Buchanan. Their school system is very good also.

Mrs. Buchanan gave a commentary as the pictures were shown. Members of the Guild, ladies of the W.A., and several friends applauded heartily when the Buchanans were thanked by Mrs. V. Bristow.

Lunch was served by the committee in charge.
