The Central Ontario Bowlers' Association is gradually forging ahead. League executives in Central Ontario are being met, and the aims and objects of the association are being explained and contrary to the belief of some, this is not a break-away from the Ontario Bowlers' Congress. It is the realization of a dream where bowlers in Central Ontario would conduct their own affairs, with the blessing of the Ontario Congress and as a collective body will have a voice in the direction of the parent body and not be led down the primrose path by a few dedicated bowlers from the metropolitan areas who sometimes are forgetful of the needs of the towns and villages and heed not the crying of the voice in the wilderness.

Congratulations are in order to Earl Middleton of the Micro Plastic League. Earl's hot 410 single last week make him the newest member of the exclusive Acton Lanes' "400" Club.

That winds it up for now, my friends, so adios, amigos, and goodnight Daly City.

Halton team wins third prize in provincial 4-H inter-club

By H. J. Stanley

All Halton 4-H teams competing in the Provincial 4-H Inter-Club Competitions held at the University of Guelph on Friday, October 21, placed in the top segment of their competition. A total of 243 teams of two members from across Ontario took part in this annual event.

The Dairy section was the largest with 89 teams judging each of the four main breeds of dairy cattle, giving reasons on each class and answering questions on all phases of dairy husbandry.

The West Halton 4-H Holstein Calf Club team of Lois Hunter and Larry Bennett placed third with a score of 921 out of 1,040. Lois Hunter was the second high individual in the Dairy competition with a score of 474 and had the top score in Questions — 116 out of 120.

In the Field Crop division with 48 teams, the Halton 4-H Grain Club team of Dan Heatherington and Doug Stokes were fifth with 904 points. Dan Heatherington had top marks of all the 486 competitors in the

competition, scoring 484 points. The Beef and Dairy teams were coached by John Cockburn, associate agricultural representative, and Geoffrey Taylor, extension assistant, with the Field crop teams coached by Henry Stanley, agricultural representative.

At a banquet at the University of Guelph following the competitions, L. J. Murphy, president of the Canadian Council on 4-H Clubs, stressed how lucky these 4-H members were to be growing up in this province. He announced that John McGee, R.R. 1, Norval, had been chosen to represent the 72,000 4-H members in Canada on a two month trip to Israel next year.

The Hon. William A. Stewart, Minister of Agriculture, stated that the real purpose of 4-H is to develop young people in this country; to see the individual grow and have a better standard of living and better life from being in 4-H.

Carmen Hamilton, Director of Junior Extension, Ontario Department of Agriculture, told the 4-H members that they had a challenge ahead; they were to use that day's experience for greater achievement in their future life.

CONGREGATIONS ARE IN ORDER TO EARL MIDDLETON OF THE MICRO PLASTIC LEAGUE. EARL'S HOT 410 SINGLE LAST WEEK MAKE HIM THE NEWEST MEMBER OF THE EXCLUSIVE ACTON LANES' "400" CLUB.

THAT WINDS IT UP FOR NOW, MY FRIENDS, SO ADIOS, AMIGOS, AND GOODNIGHT DALY CITY.
