Mrs. L. Fulton and Miss Gerry Fulton of Montreal were visiting with Mr. and Mrs. Tom Watson.

Annual campaign by firefighters

Action Firefighters will make their annual blitz of the town during the week of November 6 to November 13 when they campaign for the Muscular Dystrophy Association of Canada.

Canisters have been located in local business places, where people may give donations which will be used to finance research on muscular dystrophy. Firefighters Herb Dodds and Harry Otterbein are spearheading the local campaign and are asking the public to support this worthwhile cause.

Donations may also be given to any local firefighter and receipts obtained for income tax purposes.

Time back

The town reverted to Standard Time on Sunday morning, with some forgetting to turn back their clocks and other families doing it twice by mistake. However, most of the people made the timely change and got themselves to church on time.

The Rev. A. H. McKenzie attended the annual meeting of the Progressive Conservative Association in Toronto this week, as a local representative.

Mr. and Mrs. Alex Orr have returned from a delightful trip to Stroudsburg, Pa. U. S. A. where they visited the latter's brother and family.

Mrs. Dolly Robinson returned last week from a five week visit to Great Britain. She flew over and made the return trip by ship.

Miss Mary Chalmers of Toronto was visiting here on the weekend with relatives. She has just returned from a holiday in Scotland.

Many friends of former Action resident, Mrs. Douglas Dunk of Guelph, are sorry to hear she is in Toronto General Hospital to have surgery this week.

Monday evening Mayor Duby presented the case for joining CORDA — the Central Ontario Regional Development Association — to Bolton council. So far just Acton and Massagawa, have joined from this area. The charter presentation is coming up soon, and Mr. Duby, as vice-president, will chair the dinner meeting at the Inn on the Park, Toronto.

Mrs. H. Perkins attended the Commencement at John F. Ross on Friday, October 28 of her granddaughter, Penny Perkins, who was awarded the Edith B. Crowe Scholarship for achievement, character and co-operation.

Mrs. Mary A. Moore, formerly of Campbellville, celebrated her 90th birthday on Sunday with open house at the Ker Cavan Nursing Home in Guelph, where she has been living since last December. "Missy" Moore is a well-known and popular citizen with many friends in Nassagaweya. She was a nurse in World War I, and did private nursing in this area until she retired 28 years ago. Her vivid memory recalls the early days in Campbellville, when they cleared the stumps-off-the-land-and-threshed with horses.

Among the many guests attending the 42nd birthday party held by Lavina Lodge 555 at the Guelph Orange Lodge Friday night were many from the local L.O.L. 467. Attending from here were Worshipful Master Fergus Quise, Mrs. Quise and daughters Norma and Audrey; Right Worshipful Charles Kelly; Brownie; Sister Mrs. George Holmes and daughter Muriel; Sister Mrs. Doris Cooke; Brother Joe Fuller and Mrs. Fuller and Brother Gary McFadden and Mrs. McFadden.

Esquering pupils begin two new courses this week

Grade eight pupils from Limehouse, Speyside, Pineview, Stewarttown and Glen Williams public schools throughout Esquering Township begin taking Home Economics and Industrial Art training Friday at either Acton or Milton.

This training is entirely new to these pupils and arrangements were made with both Acton and Milton school boards to accommodate these children. Notices of the change were sent home to parents and guardians

remind children of the safety features.

Other news letters are to be sent home with pupils from time to time and are expected to dwell on education factors throughout Esquering Township with special emphasis placed on individual schools.
