SEAPORTH BEAVERS, Friday visitors at the community centre for an O.H.A. Int. B joust with the Tanners, have yet to taste defeat this season. They've recorded wins over Hespeler and Fergus in the early part of the schedule and a win over Acton Friday night would almost establish them as favorites to lead the league race.

The Tunners could win a lot of friends and influence many people with a victory over the Beavers, who've taken the O.H.A. Int. B championship the last two times running. It'll be the Acton club's first real test of the season.

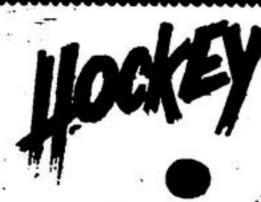

Up in Fergus, flushed with success after beating Orengeville and Hespeler, and just being nosed out by Seaforth, they're talking about a first place spot for the Flyers. Most of last year's better players are in the Fergus line-up and they've added some help from Elmira. It's a winning combination.

Flyers, who couldn't buy a win over Hespeler last season. drubbed the Mic Macs 7-1 last Friday night. Naturally they're enthused and eager to get back at Acton for the beatings they've suffered at the Tanners' hands over the past three seasons. Even big Bob Dobbie's been enticed out of semi-retirement to add some experience to the roster. All they need now is some fans to come out for their home games.

Meanwhile, the Tanners are fresh from two wins over tail-end Orangeville. Performances to date have been below their potential. If a full complement of players turn out for Friday's game it should indicate what their chances are in a league race shaping up as one of the most exciting in years.

BEAT BITS . . . Lend me another towel, please. My crying chintz is still damp after Saturday's loss by the Rough Riders to the Roughriders. No doubt about it the western football representatives were a better team than the eastern club in the cup game ... Disregard the tie column for O.H.A. Int. B standings in last week's paper. It should have been under losses. A typographical error. That's another way of saying we goofed . . Another more lengthy schedule has been drawn up for the intermediate hockey group. It will be on this page next week - we hope . . . Keep your eye on the Rangers. They could be the dark horse of the N.H.L. . . .

Tanners defeat Orangeville 5-2

Acton Tanners took their second win of the week from the tailend Orangeville Dufferins, with a 5-2 decision here, last Friday night.

Second win in three starts for the Acton Chrb, it put them in a four-way tie for first place in the five team O.H.A. Int. B grouping. They'll be gunning for win number three, here, Friday when they clash with the undefeated Seaforth Beavers, last year's O.H.A. champions.

Fans who trekked down to the community centre Friday expecting to see a renewal of the tong war started on Monday between Orangeville and the Tanners were disappointed. Unlike Monday's jorrid, bruising clash which the Actons won 43, Friday's game was comparatively tame with only 12 minor penalties handed out by officials, nine of them awarded to Orangeville.

Dufferins hindered their effectiveness by playing short-handed at least half of the second period, the only stanza where they had an edge on the Tanners.

The Acton crew, playing without four regulars, dominated the first period and (came back strong in the third chapter to take the decision. They led 3-1 at the end of the first, had a slight 3-2 margin and seemed to be fading at the end of the sec-

Coach Fred Kentner must have instilled some vinegar into his between period talks because the Tanners came out flying in the third period, potting two goals. Jim Sweeney, meanwhile, kept the visitors off the score sheet.

With captain Jim Cunningham, Harold Townsley, Tim Haines and Emerson Baxter missing from the line-up. Fred Kentner used only two lines.

(Smoky) Richardson and Junior Beaumont on one line and Gordie Bett pivoted for Jan Riddull and Paul Bodendistel with Dan Arble interchanging with Riddall on the other.

Fresh from firing the winning goal in Monday's struggle at Orangeville, rookie Jan Riddall started the Tanners on the win trail Friday with a goal at 7.42 of the first period. Paul Bodendistel put the disc right on Jan's stick and he backhanded it past a spectacular Bob Hogarth in the Dufferin nets.

Smokey Richardson, one of the best players on the ice and a candidate for the leading scorer award, made it 20 for Acton less than a minute later on a play with Blake Inglis. Late in the period Paul Bodendistel golfed one past Hogarth to make it 3-0. Murray Marchment started the play in the Acton end and carried it into the paydirt zone.

Les Solmon erased the last goal on the very next play, however to put Dufferins back in the

Hogarth continually foiled the Tanners in the second period. making stops which seemed imcossible and the visitors narrowed the gap at-16.46 when a freak bounce of the puck off Ahren's stick eluded Sweeney. Ron Malcolm, an Acton boy with the Orangeville club, started the play. It was the lone goal of the-

Persistence paid off for the Tanners in the early minutes of the third period when Richardson notched his second goal of the game, from Beaumont and Grasby. He caught the corner on a low shot.

Blake Inglis lifted a high one into the rigging at 13.42 after repeated tries by him and Paul Bodendistel to wrap the game up for Acton.

It was Orangeville's fourth
