During the morning of Wednesday, Dec. 28 from 9-12 a.m., the 8 to 10 year-old boys enjoyed a variety of games, relays and gymnastics and later in the morning were joined by a class of 11 to 15 year-old boys for combined activities. Under the direction of Miss

On Thursday morning, the ice at the Community Centre was rented by the YMCA, providing free ice time for the members. Free skating, relay games, and a simulated game of broomball using floor hockey sticks and a large rubber ball, constituted three hours of stimulating physical activity for both boys and girls.

The afternoon brought the many YMCA boys and girls together for the "grande finale" to the three day program at a record hop. The dance continued for three hours, and although the boys were a little shy of the girls, everyone enjoyed the popular rock and roll music played throughout the afternoon.

Pete Lawson, first year recreation student at the University of Guelph, was in charge. His; assistant, Carl Chadbourne, has been hospitalized for six weeks. Jo Marie Marchment assists Mr. Lawson on Wednesdays for girls:
