ACTION WAS FAST when Acton high school senior cagers defeated Elora last Thursday at the Acton school gymnasium by the score of 64-55. The senior team has been undefeated this year. Danny Arbic, captain of the local squad, is shown shooting a basket to rack up another point as two opposing players attempt to stop him and teammate Gerald Dick looks on.

### Bantams one-up on Fergus winner meets Milton next

#### Pee Wees lose first playoff

With only nine players eligible for the playoffs Acton Y's Men Pee Wees dropped a 62 decision to Hespeler in the first game of the Tri-County hockey playoffs in Hespeler. Second game of the best-ofthree series will be played

here tonight (Wednesday). The Acton team played real well in the first two periods but reduced numbers meant extra time on the ice. They tired visibly in the last stanza when Hespeler turned a fairly close game into a four goal lead with two markers.

Acton got one goal in the first period from the stick of Henry Toebes. They made it 3-2 in the second as Chris Tennant scored from Paul Daley but another Hespeler goal gave the home team a 4-2 lead at the end of the second.

#### Milton wins playoff opener

Milton Rotary Midgets took a 6-2 victory on their home ice Monday for a one-game edge in the best-of-three Tri-County Midget "B" playoffs.

Second game of the series will be played in Acton tonight (Wednesday). Coach Herb Dodds hopes his boys will even the series up.

Acton held Milton scoreless in the first period but Milton went ahead in the second with two goals. The last period saw Milton bag four more while the Acton crew notched two in the last five minutes.

Mike Marcoux and George Cook scored the Acton-goals. Paul Cooper played well in the nets for Acton.

#### A win tonight (Wednesday) in the second game of a best of three series with Fergus will

send Acton Firefighter Bantams against Milton in the Tri-County hockey playoffs. Acton won the first game of

the set in Fergus Saturday 4-2 despite slow ice and a tendency by officials to send only the red-suited Firefighters to the penalty box. The Acton team played shorthanded for almost the entire first period but kept Flyers from scoring until the third chapter.

Caused by mild weather, the slow ice was aggravated by the failure of Pergus arena officlals to sweep it between perlods. Frustrated Firefighters still managed to post a 20 lead by the end of the second perlod although passes weren't olicking.

Both teams bagged a pair in the third period. Captain Pete Marzo scored two of the Acton goals and assisted on another by Bill Field to spearhead the Firefighters victory in the important game. Don Dunbar bagged the first goal assisted by Dale Fisher. Randy Weldon and Joe Tar assisted Marzo on

his counters. Late notice didn't deter many from Acton attending the game which the Fergus club wanted to win badly.

Acton District High School boys' basketball teams have started the 1967 season with three victories each. The two teams, seniors and juniors. have defeated Milverton, Milton School for the Deaf and Elora. Both Milverton and Milton have junior teams in the league for the first time. Milton's senior team is also a
