Minor Hockey Week in Acton marked by play-offs, draw

Although nothing special is planned for Minor Hockey Week in Acton except for tomorrow night's draw run by the Minor Hockey Association there's lots doing later in February.

In conjunction with the Legion Minor Hockey Association Acton Minor Hockey Association officials are again sponsoring a visit here of the N.H.L. Old Timers on Friday, February 24. This feature has become an annual event here and never seems to lose its popularity.

Plans for the night include the N.H.L. Old Timers playing an exhibition game with Acton Tanners, an Acton hockey exhibition and figure skating demonstration by members of the Acton Figure Skating Club.

The very next day Legion minor hockey officials are going to have their hands full again shepherding three teams to the annual Four Town Tournament. This year's tournament is being held in Fergus and Acton will have Novice, Pee Wee and Bantam entries competing, selected from the Legion town league teams in that category.

Georgetown, Milton, Fergus and Acton compete in the tournament each season and the site switches to a different town each year in rotation.

Tomorrow night's draw in aid of minor hockey is for a food freezer and a side of beef. It'll be drawn at the juvenile hockey playoff game between Acton and Milton.

Minor hockey head, Roy Goodwin pointed out buying a ticket for this draw will benefit the teams under the control of the Minor Hockey Association. All proceeds go to further minor hockey in Acton. Tickets may be procured from any Tri-County player or member of the executive.

Although it's more coincidence than plan, playoffs for all the Tri-County teams start

during Minor Hockey Week. Acton Novices start their best-of-three series with Hespeler Friday, the Pee Wees started in Hespeler and play the second game here tonight. The most successful of the Acton teams, the Bantams, have a one-game edge on Fergus. They hope to eliminate their opponents tonight.

Micros move into first

An all-round effort from the entire team spurred Acton Micros to a 7-4 win over Toronto's BP in a Building Products League game, here, last Thursday night. The victory tied Micro with the Toronto team for first place.

Gary Taillefer's three goals and two assists sparked the Acton attack with Barry Wilson notching two markers and an assist, Harvey Hillier sniping one and collecting an assist and Ed Hillier bagging one. Tom Medland, Doug Lockerbie and George Greenwood were also credited with an assist each.

Defensively Don Marzo played an excellent game in goal for the Micros, stopping three or four break-aways which could have changed the course of the game. Up front the forwards passed well in their best effort to date.

MINOR HOCKEY WEEK STARTS SATURDAY, JANUARY 21

Don't Send — Take Your Boy to the Arena

Minor Hockey Week started last Saturday and minor hockey enthusiasts across Canada and the United States are drawing attention to what minor hockey can do, and does for boys.

Here in the Acton area minor hockey is an important part of winter life for hundreds of boys. The arena is kept busy with young players being guided and taught by men and youths who give their time because they have a love for hockey and for working with boys.

Their work is no "soft touch". There is a lot to do and rarely, if ever, are there enough volunteers to fill all the management, coaching, time-keeping and refereeing positions there are to be filled if all the boys who want to play are to be accommodated. Minor hockey costs money, too. There is ice time to be paid for, sweaters and equipment to be supplied, as well as all the little expenses that add up to such a large total estimated to be in the millions of dollars. Service clubs and sponsors help out but much is left for parents, and much more is left for the volunteers to get out and raise as best they can.

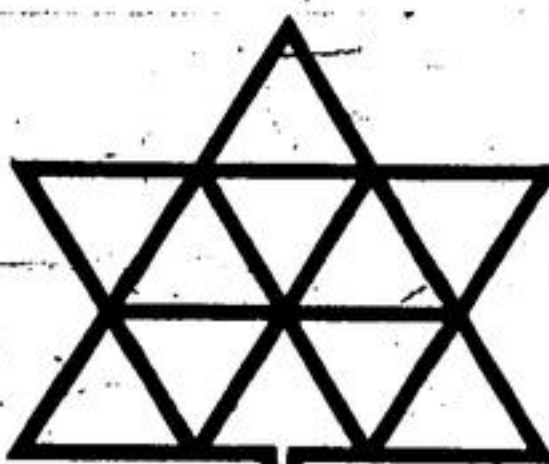

This is the week — "Minor Hockey Week" — when we salute everything and everyone connected with minor hockey in Acton and the nation.

One of the best ways to show appreciation for the work being done for your boys would be to attend a game this week.

Keep your boy on ice and he'll never go bad.
