### Headpin Hillies

There was a rumor going around that the O'Connor Open would not be held this season, but a direct contact with the great man himself, John Martin, dispels this. John says and I quote, "The O'Connor Open is a national institution and it definitely goes from May 14 to June 4", end of quote. . . . An oddity in the Micro league — Gord Sisson's first and third games of 105 was the total of his second game, a 210. . . . In the O'Keefe Bowlers of the Month House Winners for November were: class 3, Tinnie Masales 656; class 4, Ray Atkinson 697; class 5, Stan Swann and Don Harris 789; and for the ladies, class 1, Ruth Archibald 473; class 2, Joanne Emmerman 729; class 3, Helen LeSueur 625; class 3, Millie Fabian 691. . . . Most progressive bowler of the week — Edna Dobbie, bowling in the Acton Mixed, ran a string of 167-167-168. . . . Our YBC press secretary, Jackie Palmer has the updown lowdown on the Junior and Senior YBC qualifying rolloff, so it just remains for me to add my congratulations to the winners before signing off. However I would like to congratulate in particular Jackie Palmer herself, for her steady eight-game block of 1700, and Bob Turkosz who, after a dismal start of one-game 357, finished strong with a 1114 roll. . . . the next five, to qualify in the doubles. . . . That winds it up once again, my friends, so adios amigos, and goodnight Daly City.

Congratulations to all the qualifiers and best of luck in the zone rolloffs.

Our Bantams have one more two-game block to roll this Saturday and then we will know who will represent Acton in the Bantam division.

It would seem that fortune plays some nasty tricks on the ranks of our Bantam bowlers. After battling the flu, another childhood ailment, mumps, is laying low some of the bowlers. The latest victim is Debbie Storey and we hope she gets well quick.

In the Bantam division this week, Alley Cats conquered Top Cats with a double win. Rolling Stones came up with one win and totals, defeating Neptunes. Angels had one and totals, defeating Night Hawks.

Decca-Cola, Reinharts and Seva-Up pop winners were Melodie Turkoz, Janet Storey, Ronnie Turkosz and Barry Payne. In the Junior and Senior division, Finbustlers won three big games from Idiots. Hot Rods took two and totals from Jerks. Flintstones did the same to Crousts.

koz 650 (297), Gord Morris 560 (236), Dave Pink 507 (256), Pat Nicolak 480 (213), Gary Turkosz 474 (193), Frank Buschmeyer 435 (167), John Churchill 434 (169), Larry McAfee 433 (155), Anne Watson 413 (153).

## Norval Juniors planning banquet

The 1967 Junior Farmer reunion was held in Masonic Hall, Milton Saturday with Bill Beatty's orchestra providing dance music and Junior Farmers entertaining during intermission.

It was decided at the January 11 meeting of Norval Junior Farmers to hold their annual banquet and dance at Stewarttown Hall, February 10. Tickets for the banquet and a lucky draw will be on sale through Junior Farmer members. Entertainment at the event is to be supplied by Marion's Music Makers.

Acton's Junior Farmer banquet will be held at Ballinafad one week later.

## William Hyde, Georgetown heads Halton Fire Bureau

Georgetown firefighter William Hyde was elected chairman of the Halton County Fire Prevention Bureau for 1967, at the group's recent annual election of officers.

The Bureau, comprising firefighters from the Acton, Oakville, Georgetown and Milton fire brigades, meets monthly to plan county-wide fire prevention programs in the interests of public safety.

Capt. Harold Coulson of Milton is past chairman. Vice-chairman for 1967 is his son Jim Coulson, of Milton Fire Department. The secretary-treasurer, Peter Campbell of Oakville was returned to office as was the treasurer Harry Wilson of Oakville.

Oakville; inspection blitz. Chiefs M. Holmes of Acton and E. Lewis of Georgetown; auditors, Chief Wright and Inspector Wes Miller of Oakville.

"I believe we had a fine year with our 1966 program, and our Bureau is being recognized across Canada as a leader in fire safety programs," the new president William Hyde told the annual meeting. The group is planning to prepare displays of antique fire equipment for Centennial parades in Halton during Canada's 100th birthday year, as its contribution toward the 1967 centennial celebration.

SEAT BELTS

Car manufacturers are now providing many more safety features in the new models. Certainly the padded dash and collapsible steering wheel should reduce injury. But the one feature that will save injury more than any other is the seat belt. Buckle up before you start. Don't be caught dead sitting on it.
