

Present Esquering brief on dump

Following is the brief Acton Council presented to Esquering council at the latter's regular meeting in the township offices Monday night:

March 20, 1967

Mr. Reeve and members of your council: Please accept our sincere appreciation, of your willingness, to allow us to appear before you this evening, as a full council, and constituting a delegation, to seek your earnest and understanding co-operation, in the matter of establishing a new sanitary disposal area, for our town's domestic, commercial and industrial garbage and waste material. This topic is not new to your council, and neither is our need for your co-operation in this matter.

More specifically, we have come to ask your very early, (and immediate if possible), consideration of a change in by-law legislation, that will permit us to establish a new dump site, on town owned property governed by township by-laws.

We are fully prepared, to organize the operation of this area in a way that will be acceptable to all concerned.

With the exception of one member of your council, we know you are familiar with the area involved. We also know you understand our responsibility to the people of Acton, from a sanitary point of view.

Most of you have visited the site, and have verbally stated, that you saw no reason why this kind of operation could not be developed in this area if properly controlled by either the land fill or confined incineration method.

Our need is urgent, and an early decision by your council is urgent. Degrees of co-operation have been experienced between our councils before and our relationship is still an amicable one. This request should not pose any great problem for you, and until we can get the approvals from your council, that will allow us to consider this area in our deliberations regarding a new dump site, the sanitation committee of the Acton town council, can not be constructive in carrying out the responsibility.

Mr. Reeve and gentlemen, we realize you have more on your agenda than this delegation, but may I impress upon you the urgency of the subject. We would appreciate very much if you could deal with this, immediately after we leave. "Considering you have had full knowledge of our problem for many months", and, "that we can no longer continue our operation in its present location, and by the existing open face method," may we close our brief by stating, "That unless a favorable reply is forthcoming by April 29, 1967, we would have to assume that an intention to co-operate does not exist between Esquering and Acton councils, and that we will have no alternative, but to accept your hesitation to reply, as a firm refusal."

Once again, may I thank you on behalf of the Acton Town Council, for allowing us to appear before you tonight.

Mayor and Council, Corporation of the Town of Acton.

Randy Lidkea one of eight '67 graduates

RANDY LIDKEA

One of eight in the graduating class of the Niagara Parks Commission School of Horticulture, Bertrand Edgar (Randy) Lidkea will receive his diploma at graduation ceremonies on Saturday, April 1, at 3 p.m.

The son of Mr. and Mrs. E. W. Lidkea of 240 Mill St., Acton, he attended Acton high school.

The 25th graduation will be held at the School of Horticulture lecture hall and auditorium on the Niagara Parkway between Niagara Falls and Queenston. Maxim T. Gray, O.L.S., P.Eng., general manager and secretary of the Niagara Parks Commission, will be chairman with the Hon. James N. Allan, chairman of the Niagara Parks Commission, as guest speaker. The graduate has completed a three-year course which involved horticulture, floriculture, arboriculture, landscaping, soil chemistry, land surveying and other allied subjects. In addition to these subjects, much important practical work, English and mathematics were included.

The Niagara Parks diploma is presented to each graduate entitling him to use the letters N.P.D. with his name. The school was established in 1936 and is the only school of its kind on the North American continent. Over this period, 180 persons have received diplomas.

Mr. and Mrs. Lidkea and friends, Mr. Jack McGeechie, will attend the graduation ceremonies. On graduation day there will be a display of the models made by each of the graduating students. One of these is

Halton West Liberals meet

Liberals in the new provincial riding of Halton West have an organization and an executive. Now, all they need is a candidate.

At a meeting Thursday evening in Burlington, Frank W. Herman of Burlington was named president of the newly formed Halton West Liberal Association. The new riding, formed by splitting the former Halton riding into two portions called Halton West and Halton East, now includes Burlington, Nassagaweya, Acton and the northern portion of Esquering.

Peruse area shopping guide for district goods, services

For the first time this week a special shopping guide is being published on a district news page of the Free Press.

This informative and handy list of district stores features 12 friendly merchants who are anxious to serve anyone in this area and want those outside their immediate locality to know of their range of goods and services. Each week different stores will be spotlighted with a short story and picture, and the series will run for 12 weeks.

Expanding program requires more income at Y, board told

A meeting of the Y.M.C.A. executive was called on Thursday, March 16, in order to elect the 1967 officers.

Pat McKenzie was returned as chairman and Elmer Smith as treasurer. Phil Elliott was named secretary and recorded. Bill Nelles as vice-chairman; programming under Ed Leathland; finances for Bill Wilson; property care to Jake van der Kooy; world outlook through

Gary Bateman; and publicity and public relations to be undertaken by John Last.

Commenting on finances, Elmer Smith announced that an ever-expanding program already totalling 19 hours a week was responsible for increased expenses. "Extra income is the only answer," he declared.

A scale of fees for rental of various sections of the premises was proposed and generally accepted.

It was regretted that Ill health had forced Guelph-University student Carl Chadbourne to tender his resignation.

An old-timer in the sport, Mariennes Schuts is interested in starting a boxing program in the Y. The board welcomed the idea and hoped that sufficient interest would make it a sure-fire thing.

The meeting adjourned at 10:45 p.m.

Mrs. Bob Kerr heads Juniors

On March 17, 18 and 19 several Junior Farmers from Halton county were delegates at Guelph conference of the Junior Farmers' Association of Ontario held at the University of Guelph. Mrs. Bob Kerr, who was chairman of the conference on Friday afternoon, at the annual meeting was elected president of the Junior Farmers' Association of Ontario.

Through the weekend approximately 500 Junior Farmers across Ontario made many friends and enjoyed listening to wonderful speakers. Guests of Mr. and Mrs. Bob Kerr during the weekend and attending the conference were Mr. and Mrs. Harold Corfield of R.R. 1 Belleville and Miss Margaret Bailey of Oklahoma, who was representing the Grange of the U.S.A.

The new president, who moves up from the post of vice-president, was very active in Junior Farmer activities before her marriage last fall to Bob Kerr, and is continuing her association now that she is living in Acton.

Friends are sorry to learn Mr. Boyd Clarke is a patient in Toronto General Hospital.

Mr. Charles Cutts returned home from hospital on Saturday, friends were pleased to learn.

Miss Marjory Hall, who has spent the winter in Wingham with her sister-in-law, has returned home.

Mr. and Mrs. Griffin Sprowl spent a few days last week with the former's sister and family at Ancaster.

Tom Engel, son of the Rev. and Mrs. Dwight Engel, is a patient in the Sick Children's Hospital, Toronto, for further treatment.

Linda Braida, Carol Swackhamer, Sue Radford of Acton and students at Lakeshore Teachers' College are writing exams this week.

Mrs. Dean Leslie has returned from a holiday spent at St. Petersburg, Florida.

At their regular Saturday morning meeting, the United Church Explorers had a party with a special cake, and made a presentation to Judy Engel, who is moving to Orillia. Her friends presented her with a box of chocolates.

A first year university student in Peterborough, Gay White was struck by a car and injured there recently. She is in Peterborough Civic Hospital but her parents, Mr. and Mrs. Glenn White, John St., hope she will be able to come home to recuperate very soon.

A party of former and present residents of Acton met in Toronto for an annual celebration of the so-called "M.A. G.S." The highlight of the evening was the presentation of a silver two-tier cake stand and cut glass bowl, on the occasion of their 25th wedding anniversary. Flowers and bouquets of white carnations were given by Caroline Nurseries and a beautiful orchid for Mrs. Newton. Mrs. Dolly Robinson flew from Montreal especially for the party.

Late News in brief

(Continued from Page One)

The county was advised its share of the budget this year would be \$54,516 compared to last year's \$83,379. The Province has increased its share of the Society costs.

County Council approved Tuesday the by-law setting 1967 road costs at \$760,000.

Final approval was given the expropriation of a 63-acre Oakville site for the construction of a regional detention centre, at Halton County Council's Tuesday meeting. It was noted final expropriation would not be applied for until water and drainage were proven adequate.

County Council considered allocating funds for the purchase of a site in South, Halton for the future establishment of the next home for the aged. Reeve H. Merry, Oakville, predicted the new Martin House, soon to be open adjacent to Halton Centennial Manor, would be full and overflowing by the end of 1967. "We can't wait five years to buy land along the Lakeshore Highway," he stressed.

The County Council set March 30 as a special meeting to review the 1967 budget.

\$29,000 budget

(Continued from Page One)

"It should be good for 20 years after that," the chairman commented. "It's a good plant and could carry four more sheets of curling ice."

The chairman explained there could be a problem with the plant next season as the Department of Labor has made it mandatory for ice plants over 50 horsepower to have three men on, covering 24 hours a day. However, advice from a local engineer could result in the plant being cut down to 50 horsepower without too much difficulty.

The administration committee report on meeting with Roy Goodwin regarding use of the arena concession in conjunction with the curling club revealed the matter was settled to the satisfaction of both. A written agreement was to be forwarded to the concessionaire for his signature.

Meeting as a parks board, members discussed the work to be done dredging silt out of

Easter orders

About 250 dozen hot cross buns were ordered as scouts and cubs called door-to-door Saturday taking orders. The buns will be delivered Thursday. It has become an annual project.
